

9 Hospitalized After Train Is Derailed

Score of Others Shaken Up, Bruised In Iowa Accident

Atkins, Iowa.—The swift Milwaukee Arrow, with 96 sleeping passengers aboard, was derailed in the Atkins railroad yards early today.

Authorities said 11 persons — 9 passengers and 2 crewmen — were brought to St. Luke's hospital in nearby Cedar Rapids. At least 20 other passengers were bruised and shaken-up but did not require hospitalization.

The Chicago-bound Arrow, whose speed was estimated by railroad officials at 75 miles an hour, was made up of two coaches, a pullman, three baggage and mail cars and a twin diesel unit.

Cars Stay Upright
All cars except the first diesel unit were derailed but remained upright. The skidding cars tore up about 1,600 feet of track on the double track Milwaukee main line.

The injured passengers taken to the hospital were identified as Theodore Sawyer, Baldwinville, Mass.; Mrs. Mary Olsen, Adrian, Mich.; Gertrude Thine, Hoboken, N. J.; Pearl Pitzer, North Platte, Neb.; John Bonis, Milwaukee; Dorothy Eberle, Harvey, Ill.; G. R. Richmond, Lima, Ohio and Mrs. Blanche Espe- land, Centerville, S. D. The name of one injured passenger was not immediately learned.

Henry Hartung, 62, Savanna, Ill., a conductor, suffered a broken collar bone and chest injuries.

Donald Boyles, 42, Marion, Iowa, baggage handler, received a skull fracture when he was nearly buried under flying baggage.

Railroad officials tentatively theorized that a broken axle on the second diesel unit caused the derailment, although there was the possibility the rails might have spread from the recent rains.

The Arrow originated at Sioux Falls, S. D., and picked up a unit made up at Omaha at Omaha, Iowa.

Raymond Olsen, husband of the injured woman, said he didn't feel any warning. "All of a sudden things were flying through the air,"

Dalai Lama Now in India, Reds Report

London.—Red China's radio declared today Tibet's Dalai Lama has taken refuge in India.

The broadcast, quoting the New China News agency, said the Dalai Lama left Tibet "under duress by the rebellious elements."

There has been no definite word on the fate of the Dalai Lama since fighting broke out between Tibetans and Chinese communist occupation forces on March 20.

But unofficial reports said the 23-year-old spiritual and political leader of his mountaintop country was with rebel forces in southern Tibet and perhaps trying to reach asylum in India.

Place Not Given
The Peiping broadcast said he and his party "arrived in India on March 31" and that railroad officials at 75 miles an hour, was made up of two ment police authorities had been sent to meet him.

The place of his arrival was not stated.

The Indian high commission in London said it had no information on the whereabouts of the Dalai Lama.

Reports from the Indian border town of Kalimpong earlier today said the god-king's exiled supporters there were beginning to fear for his safety.

The Dalai Lama had been believed traveling by mule through southern Tibet bound for India with communist Chinese planes and troops hunting him.

In Taipei, nationalist China's official Central News agency said Tibetan rebels are fighting 165 miles north-east of Lhasa as well as near the Tibetan capital.

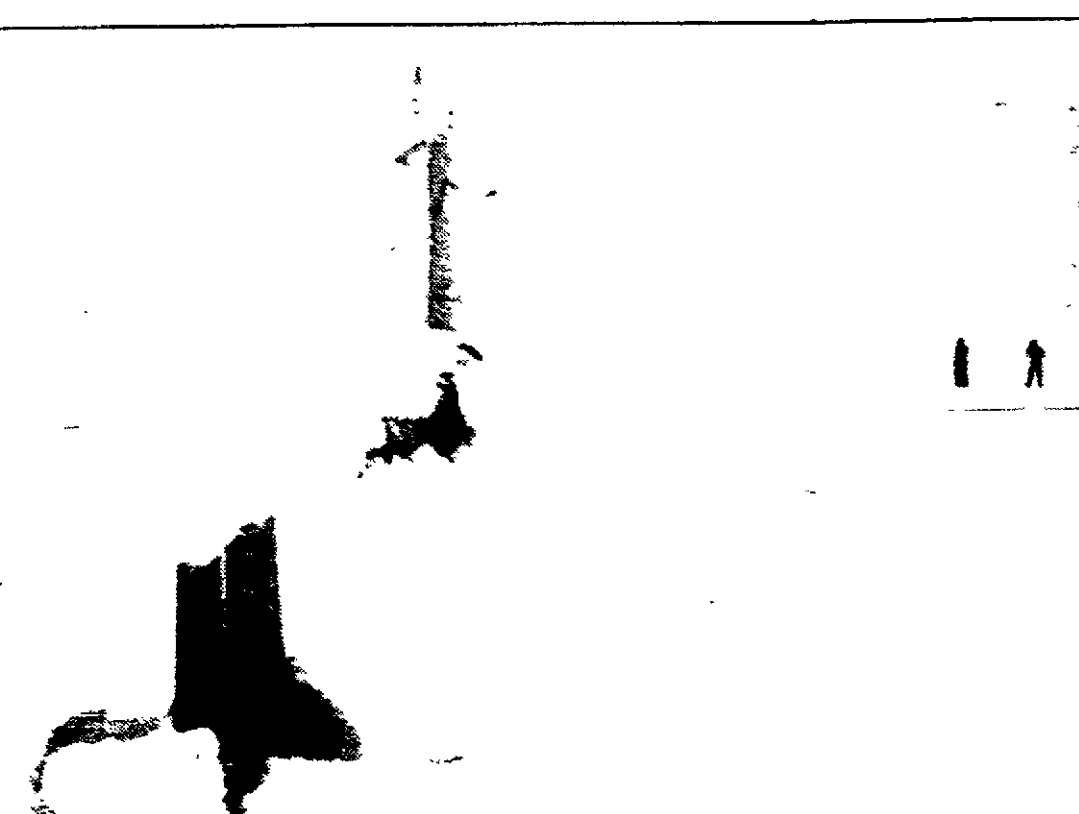

Facing Prison For Embezzling

Chicago.—George Stuart, 50, resigned vice president of the International Bakery and Confectionery Workers union, was sentenced yesterday to one to two years in prison for embezzling \$27,277 of union funds.

Stuart, of Kansas City, Mo., who was found guilty Feb. 6 by a jury in criminal court, was sentenced after Judge Joseph A. Pope denied a motion for a new trial and for probation.

Stuart's imprisonment was delayed until May 4 so that he could appear in a civil suit and his \$4,000 bond was continued.

Nelson Asks Approval for \$52 Million Building Plan

Proving That Atomic Submarines can punch through the north polar ice cap within missile range of Russia at any time of year, the navy's USS Skate protrudes through the ice at the North Pole. In tests at the Pole, the Skate surfaced 10 times.

Ike Predicts More Years of Bickering With Soviet Union

Hails NATO as Barrier to Red Aggression in Europe

BY JOHN M. HIGHTOWER

Washington.—President Eisenhower lauded the 10-year-old Atlantic alliance today as a power barrier against communism but cautioned the allies to prepare for more years of tension and bickering with Russia.

He called on the free world for unity, strength and perseverance to win the struggle for a true and lasting peace despite the communist "menace and threats."

"Those who respect the dignity of man will not fail before the magnitude of the task," he said.

1,400 Attend
He offered every possible negotiation with Russia which holds "promise of constructive results."

He cautioned against the danger of "substituting illusion for reality."

The president, himself a former commander of NATO military forces, was the general figure at the opening session of the tenth anniversary meeting of the NATO council of foreign ministers. Immediately before him was an audience of 1,400 cabinet members, allied diplomats, western military leaders and representatives of the world press.

Eisenhower and the other speakers — Sec. Gen. Paul Henri Spaak and Council President Joseph M. A. H.

Luns of the Netherlands — projected NATO's policy along double lines into the indefinite future. They said the communist threat is at least as great as it was ten years ago so that NATO must strengthen itself. They stressed a need to negotiate solid agreements with Russia when possible.

Red Advance Halted
Eisenhower said that since the alliance was formed "there has been no further communist advance in Europe either by political or military means."

He went on, however, to say that "we must be prepared during the years ahead to live in a world in which tension and bickering between free nations and the Soviet will be daily experiences."

Eisenhower's speech, in-

4 Feared Dead In Plane Crash

Orting, Wash.—A trailing ribbon of flame, an air force transport plane carrying four crewmen crashed and exploded five miles from this western Washington town last night.

Air force crews could find no survivors.

Witnesses said the 4-engine, military version of the civilian DC6 was afire when it crashed.

There was no explanation of the crash, although air force officers said the pilot indicated a collision was at fault. He radioed McChord Air Force base:

"We have hit something, or something has hit us."

Col. Robert E. Booth, commander of the 1705th air transport group to which the C118 was attached said the pilot said he would attempt to make it back to McChord.

Youth Dies, Four Hurt in 41-A Crash

Shawano Teenagers Tossed Out as Car Fails to Stop for Sign

One youth was killed and three others seriously hurt when their car crossed Highway 41 at County Trunk A and was hit by a semi-trailer truck shortly before 8 p. m. Wednesday.

Anthony Spohn, 16, 311 Highway avenue, Shawano, died about 3:10 a. m. today of crushing head injuries. Coroner Bernard H. Kemps ruled.

In critical condition at Appleton Memorial hospital is James Eggert, 17, 607 S. Bartlett street, Shawano. In serious condition are Darwin Busa, age unknown, route 3, Shawano, and Ampher J. Welch, 16, route 1, Shawano, driver of the car.

Eggert is a nephew of Alfred R. Eggert, director of the Outagamie county department of public welfare.

Did Not Stop
The Welch car apparently entered Highway 41, southbound, without stopping for a stop sign. County Policeman Russell Bowers said. An empty semi, driven by Stanley Dowdy, 26, Marinette, eastbound on 41, smashed into the side and rear of the small 1954 model car, tossing it 90 feet into the ditch.

The truck careened off the highway 140 feet into the ditch, jackknifing. Dowdy and his passenger, Alvin Harris, 17, Menominee, Mich., were tossed from the cab and told police the truck skidded past.

Attorney Seeks New Trial for Mrs. Duncan

Ventura, Calif.—Elizabeth Duncan's attorney will try to get her a new trial on grounds that a prosecution witness actually was a murderer accomplice.

A confessed killer's statement will be the weapon which Atty. S. Ward Sullivan will use in a hearing Friday.

\$36 Million Would be Needed at Once Under His 3-Year Program

BY JOHN WYNGAARD

Post-Crescent Staff Writer

Madison.—Gov. Gaylord Nelson today asked the legislature to compound its already severe money troubles by authorizing a 3-year, \$52 million building program. It would require an appropriation of \$36 million immediately.

In a personal appearance before a joint session of the two houses this morning, the Democratic governor proposed the expenditure. The state doesn't now have, and won't have, the money unless the withholding system of income tax collections is adopted over considerable opposition and other new tax revenues beyond those required by the general operating budget are provided.

But the governor said the buildings are imperatively needed. They cannot be deferred without "closing the doors on thousands of college aspirants, housing our prisoners in cramped penal quarters that have already led to riots in other states and turning a blind eye to all the promises of modern psychiatry and medicine."

Plans To Come
Nelson told the legislators that he would appear next Tuesday with his ideas on how to raise the new money he wants for construction at state institutions.

(The governor has told his press conferences that he would devote to construction the state's \$24 million share of the so-called "windfall" to be derived from an income tax withholding law. Even if that law is passed, which is far from certain, he will need \$12 million in new tax revenues beyond any estimates of need previously computed.)

The governor's blue-print for a construction program that would be about three times the size of those of re-

Senate Committee Opposes Bill for UW Branch at Superior

Madison.—The senate education committee Wednesday recommended killing of a bill that would create a University of Wisconsin branch at Superior.

The 3-1 vote against the measure came after a public hearing at which the university board of regents appeared in opposition.

Sponsored by Sen. Carl Laursen, D-Superior, one bill was defended today because it would make the Wisconsin time schedule conform to that of Illinois.

The 1957 act was accompanied by a provision for a referendum, which found a solid majority of voters in favor of daylight saving time. The bill to extend daylight saving was defended today because it would make the Wisconsin time schedule conform to that of Illinois.

3 Masked Men Rob Dinner Party
Los Angeles.—Three masked gunmen invaded a home in exclusive Bel Air last night and robbed dinner party members, including actress Selene Walters, of \$35,000 in jewels and furs.

Police said the robbers, wearing silk stockings on their faces, entered the home of Mrs. Nina G. Anderson while she was entertaining Miss Walters and Eldred Meyer, a Beverly Hills businessman.

Miss Walters and Meyer were forced at gunpoint into a den, where they were bound. Mrs. Anderson was ordered to open a safe in the basement. It was empty. Then she was tied to a chair in the den.

Bill Asks Property Tax on Automobiles
Madison.—A bill calling for a 2 per cent property tax on automobiles, with revenues going to communities where vehicles are kept, was offered in the senate.

It was one of a number of measures, aimed at raising several million dollars in taxes, offered by the senate committee on legislative procedure.

Another bill would create an occupational tax on inventories of motor vehicle dealers, amounting to \$5 on each new car and \$2.50 on each used vehicle. The plan also would repeal a 1957 law exempting goods stored in warehouses for shipment out-of-state from taxation.

Hawaiian Plebiscite May be Held June 27
Honolulu.—Gov. William F. Quinn says Hawaii's plebiscite on statehood probably will be held the same date as its first primary election under statehood—June 27.

Some More Cloudy Weather Forecast
Wisconsin.—Partly cloudy through Friday with a few scattered showers likely today. Highs today in the 50's or low 60's some portions. Outlook for Saturday, fair and mild.

Appleton.—Temperatures for the 24-hour period ending at 9 o'clock: High, 41, low, 33. Temperature at 11 o'clock: 39. South wind at 5 miles per hour. Barometer, 29.70. Overnight precipitation .15 of an inch. Weather map on Page A-21.

Sun sets at 6:21 p.m., rises Friday at 5:33 a.m.; moon rises Friday at 3:13 a.m. Prominent star is Aldebaran. Visible planets are Venus, Mars, Jupiter and Saturn.

War Jitters in Mideast

Broadcast in Israel Stirs Up Neighbors

Jerusalem.—The Israeli government worked overtime today to calm new war jitters in the Middle East caused by a coded broadcast calling up Israeli army reserves.

The army said the announcement last night should have been a routine notice to three reserve units being called for training maneuvers.

But the army said the government radio had broadcast it in a way "likely to create panic in the country and misunderstanding abroad."

Jordan Council Meets
Neighboring Syria had immediately ordered all military men on leave back on duty and put five army reserve formations on 24-hour notice. Damascus radio said Syria had taken "all necessary measures to defend herself against any emergency" in the wake of the Israeli announcement.

Jordan's higher defense council held a late-night emergency meeting and announced it was taking "all necessary measures to protect the Jordan border and security."

The communique, broadcast by the government radio in Amman, did not specify what measures were being taken. Shortly after the Israeli

broadcast, which gave the impression of a large-scale mobilization order, Finance Minister Levi Eshkol interrupted a budget debate in parliament to express the government's regret over the misunderstanding.

Premier David Ben-Gurion, who is also Israel's defense minister, met this morning with heads of the armed services. Afterward a spokesman said the "incorrect version of the army chief of staff's order as broadcast corresponds in no way to the decision or original intention of general headquarters."

Ben-Gurion named a special committee to find out who was responsible for the broadcast.

The suddenness of the military maneuvering came as a shock, for the Arab-Israeli frontiers — though always tense — have been unusually quiet in recent weeks.

General Orders Plane Back to Pick Up 7 Bumped Enlisted Men

Tokyo.—Seven American enlisted men on emergency home leave were assigned seats on a U.S. military airplane from Tokyo. One was on his way to attend the funeral of his mother. Another was to visit his mother, who was ill. One was on his way to the funeral of his son.

The deluxe Pacific Express

was flying to California with that he was trying to get home to his ill mother.

The plane had already taken 26 a lieutenant colonel with his wife and family — an all out of Tokyo over the Pacific — showed up at the airport, before the general could verify the complaint. Burns ordered the aircraft back and went himself to Tachikawa air base to see that the GI's got their seats back.

Among the others with Bell were Sgt. Paul S. Cain, Se-dalia, Mo.; Airman Robert J. Kendl, Saratoga Springs, N.Y.; Sgt. John P. Snyder and Airman Gordon N. Read, Ithaca, N.Y.

The colonel's name is being withheld pending completion of an investigation. A U.S. air force spokesman explained that he might be completely innocent in the affair.

Innocent or not, the incident ruined the colonel's vacation. He was asked to be available for the investigation, canceled his leave and returned to duty.

May Make Changes
"We don't know exactly how it happened," the spokesman said. "Emergency leaves normally provide a priority that is sufficiently high to safeguard any passenger against being bumped by someone on regular leave, regardless of rank."

"It may be we need some new procedures, or better fulfillment of the old."

As for Gen. Burns, the spokesman said "he has no desire for publicity over the incident." But he's certainly a hero to the enlisted men in Japan.

In Saratoga Spring, Kindi

More Charges Likely In Kentucky Slaying

Barbourville, Ky.—Two high-ranking state police officials indicated more charges might be placed today in the slaying of a mine operator in the strike-bound eastern Kentucky coal fields.

Public Safety Commissioner Don Sturgill and Maj. James W. Hughes, a state police executive director, said a continuing court of inquiry here was expected to produce additional charges.

Three United Mine Workers of America pickets were charged with murder yesterday in the death of Woodrow Smith, 42. They were

John Henry Warran, 32, Ar-jay, who signed a written statement saying he shot in self-defense Tuesday near Smith's mine at Stinking Creek.

Bailey Perry, 27, Straight Creek.

Fred Gregory, 21, Four Mile. He was the first man arrested and denied any part in the shooting.

This Chair Lift Arrangement over the Panaro river in northern Italy is the only link between the town of Guiglia and the country across the stream. There has been no bridge since World war II. Children use the lift to go to school.

Oxygen Tent Bursts Into Flame in Hospital

Dallas.—An oxygen tent burst into flames in a third floor room of Methodist hospital yesterday, burning an elderly patient before two orderlies carried him to safety.

A hospital spokesman said the tent apparently was ignited by a spark from faulty wiring in a bedlamp.

The patient, Daniel L. Wheeler, 86, of Carrollton, received burns on the face and arm.

Wheeler, a heart patient, had been placed under the tent to aid his breathing.

GOP Preparing to Select Rally Site

Retiring Chairman Meade Alcorn Helps With Convention Plan as Speculation on Successor Grows

Washington — (AP) — Retiring Republican national chairman Meade Alcorn turned today to the business of helping to pick a 1960 national convention site for his party as speculation over a new party chairman continued.

Alcorn, who notified President Eisenhower yesterday of his intention to quit, had a date to receive in mid-afternoon a Chicago delegation reportedly ready to raise that city's previous cash offer of \$300,000 for the convention to \$500,000.

Closed Meeting

Ray C. Bliss, site committee chairman, will join Alcorn for the closed meeting with the Chicago group, now in a regular poker bidding with Philadelphia and New York for the right to play host to the GOP when it nominates a presidential ticket next year.

The Chicago delegation is

Name Foreign Firms in Big Damage Suit

New York — (AP) — International financier Alexander L. Guterman, in hot water with the U. S. government, has filed a \$10 million damage suit against foreign firms. He accuses them of causing his troubles.

In federal court yesterday, Guterman named as defendants UFITEC, a Swiss trust of Zurich; Abdulla K. Zilkha of Paris, a principal UFITEC stockholder; and Nederlandsche Handel-Maatschappij, a Netherlands banking corporation which has offices in Manhattan's financial district.

Guterman, former head of the F. L. Jacobs company, was indicted March 23 by a federal grand jury on charges of fraudulent management and stock transactions.

The Siberian born Guterman pleaded innocent to both indictments. He is free in a total of \$20,000 bail.

In his court action, Guterman claims that on Aug. 21, 1958, he made an agreement with Zilkha and UFITEC under which he borrowed \$135,000 for six months and gave as collateral 30,000 shares of \$1-par-value common stock of the Jacobs firm.

In addition to 6 per cent per annum interest when the note came due, Guterman said, there was a monthly commission of 1 per cent payable in advance.

The Netherlands banking corporation was described as an agent for the other two defendants.

China Affairs Expert In State Department Resigning July 1

Washington — (AP) — Walter S. Robertson, for years a key figure in mapping U. S. strategy against Communist China, is quitting July 1 as assistant secretary of state for far eastern affairs.

Ill health was given as the reason for his resignation, which was announced yesterday by the White House.

The state department said Robertson's resignation does not portend any change in U. S. far eastern policy.

The White House said President Eisenhower will nominate Robertson's deputy, James Graham Parsons, 51, a career diplomat, as successor.

Four Persons Killed When Speeding Auto And Train Collide

Ardmore, Okla. — (AP) — A speeding auto failed to make a railroad crossing near here yesterday and was hit by the Santa Fe Texas Chief passenger train. Four persons were killed, two critically injured.

"The only thing I saw when we hit was flying bodies," said Engineer Floyd Webb. He said the train's speed was 60 miles an hour, about the same as the auto.

The victims were identified as Dale McNew, 20; Mrs. Pearl Williams, 40; her daughter, Roberta Williams, 18, all of Bristow, Okla., and Mrs. Roger Joyce, 21, of Gowen, Okla.

In critical condition are Airman Roger Joyce, 22, and his 9-month old son, Jimmy. Joyce was the car's driver.

Webb said he saw the vehicle approaching the crossing and believed Joyce would have made it if he hadn't applied brakes.

Red Plot Seen In Mexican Labor Trouble

Source Says Soviet Embassy Gave Funds To Strike Agitators

Mexico City — (AP) — Investigation of the Easter rail strike has uncovered a communist plot to upset Mexico's social order by a chain of strikes in key industries, informed sources said today.

More than 300 confessions from strikers in the holiday rail tieup reportedly revealed the sweeping goal of red agitators.

The Mexican government has linked two Soviet embassy officials with the plot and ordered them to get out of the country tomorrow.

A reliable Mexican source said the Soviet embassy gave one million pesos—about \$80,000—to strike agitators, but secret police trailing a leftist union leader seized the cash.

Back to Normal

Train service meanwhile is gradually getting back to normal. There are still pockets of resistance.

Near Torreon, in north central Mexico, a striker tried to assassinate an army commander.

In Jalapa, an important rail junction 150 miles east of Mexico city, more than 300 women demonstrated yesterday for the release of Demetrio Vallejo, jailed head of the railway workers union.

Vallejo was rounded up with an estimated 3,000 other union leaders and rail workers when the government moved to break the strike. Most of the others have been freed.

Goal of Strike

Petroleum workers, striking in sympathy, were to shut down refineries and dry up sources of gasoline for the capital. Other leftist unions in the walkout. The goal was to get red labor leaders a strong voice — and perhaps control — in official circles.

Some of the rail workers reportedly told investigators that they were threatened with reprisals — and even physical harm to themselves and their families — if they held out.

It appeared that the strike might have further diplomatic ramifications. The Mexican government, one reliable source said, may ask the Soviets to reduce the size of their embassy staff, now about 100. The Mexican embassy in Moscow has only a staff of six.

Propose Unit To Study Effect Of Alcoholism

Madison — (AP) — A bill proposing establishment of a governor's commission on alcoholism was offered in the Wisconsin senate today.

The agency, if established, would study all phases of treatment and rehabilitation of alcoholics and conduct basic research.

The commission would function until 1963 with an annual appropriation of \$90,000 and report to the legislature in 1961 and 1963. It would be a 9-member body with the governor as chairman and two Democrats, Robert Dean, Rothschild, and Horace Wilkie, Madison.

Workmen's compensation would be extended to farm laborers in cases where farmers have three or more employees. Farm workers are covered now only when an employer elects to come under the law.

Work Starts Soon on First 'Push Button' Post Office

Providence, R. I. — (AP) — Giant earth-moving machines were massed on a 14-acre site today to start construction of the world's first fully-mechanized post office.

Just 18 months from now, according to present plans, postal workers will step into a two-blocks-long building filled with a complex of conveyors, chutes, vibrating trays, photo-electric scanning cells, vacuum feeds and automatic stamp detectors.

The \$20 million push-button plant not only will serve Rhode Island and southern New England, but also will be a laboratory for developing future automation post offices across the nation.

A subsidiary of International Telephone and Telegraph corporation, will build and equip the revolutionary post-

Sen. Green Injured In Fall Down Steps

Providence, R. I. — (AP) — Sen. Theodore Francis Green (D-R.I.), 81, oldest man in the U. S. senate was in Jane Brown hospital today with a bruised hip and back suffered in a fall.

Doctors said last night there were no fractures, but he was held at the hospital for observation.

Green fell yesterday at the Rhode Island School of Designing where he had gone to hear a lecture. He stumbled down two steps.

SEATO Pact Advisers Hold Secret Talks

Meeting Preliminary To General Session Of Treaty Nations

Wellington, New Zealand — (AP) — Military advisers of the eight SEATO nations held secret discussions today on how to keep up defenses against communist aggression in southeast Asia.

The meeting will continue through Saturday as a preliminary to the fifth conference of ministers next week of the South East Asia Treaty organization.

Adm. Harry D. Felt, leader of the U. S. military delegation, warned at the open meeting which began the conference that some circles would "pull the free peoples into stacking their arms and relaxing in an atmosphere of so-called peaceful coexistence."

Propaganda Line

"They would have us accept a propaganda line that the hard tactics of the Soviet and Chinese communists have been abandoned completely and forever," he said, adding that the "hard line used in the Taiwan (Formosa) strait and in Tibet are too recent in our memories for us to be gul-

Member Nations

The SEATO nations include the United States, Britain, France, Pakistan, the Philippines, Thailand, Australia and New Zealand.

The conference announced it would discuss five major items: 1. Strengthening of SEATO defenses. 2. Improved defense planning for the area. 3. Standardization of operational procedures and techniques of the various armed forces. 4. Planning for training exercises. 5. Their annual report of progress for the council of ministers.

Assembly Approves Bill Barring Secret Government Meetings

Madison — (AP) — The Wisconsin assembly today passed a bill which would bar closed meetings of state and local

Four Persons Killed When Speeding Auto And Train Collide

Ardmore, Okla. — (AP) — A speeding auto failed to make a railroad crossing near here yesterday and was hit by the Santa Fe Texas Chief passenger train. Four persons were killed, two critically injured.

"The only thing I saw when we hit was flying bodies," said Engineer Floyd Webb. He said the train's speed was 60 miles an hour, about the same as the auto.

The victims were identified as Dale McNew, 20; Mrs. Pearl Williams, 40; her daughter, Roberta Williams, 18, all of Bristow, Okla., and Mrs. Roger Joyce, 21, of Gowen, Okla.

In critical condition are Airman Roger Joyce, 22, and his 9-month old son, Jimmy. Joyce was the car's driver.

Webb said he saw the vehicle approaching the crossing and believed Joyce would have made it if he hadn't applied brakes.

UAW Members Picket Kohler Company on Anniversary of Strike

Despite Union Action Observers Feel Walkout Just About Over

BY HARRY CHANDLER

Kohler — (AP) — The United Auto Workers union summoned its members today to demonstrate that its bitter strike against the Kohler company—which began April 5, 1954—"still is very much alive."

Strike Local 833 had a total of 475 pickets marching at the sprawling plumbingware factory. There were 25 at each of the plant's three main gates, the maximum allowed by Wisconsin law.

No Incidents

There were no incidents, except for occasional verbal exchanges between strikers and workers. The Kohler village police squad and one from the sheriff's department were on the scene.

This, said E. H. Kohlhaugen, recording secretary, will be the union's only observance of the anniversary, which falls on Sunday this year.

Despite the union's declaration, the general feeling in Kohler and nearby Sheboygan is that the nation's oldest and, at times, most turbulent labor dispute, is just about over.

Hold Texan in Iron Slaying of Nebraska Girl

Los Angeles — (AP) — A 200-pound Texan was held today in the slaying of a 17-year-old Nebraska girl.

Vance, 20, of Victoria, admitted killing Durella (Corky) Boyer in her 1-room apartment Tuesday.

He beat her with a flat iron, and when she kept screaming he tightened the cord around her neck, police said Vance told them.

Miss Boyer, a county spelling champion at Omaha, came to Los Angeles two months ago. Her father, Jack Boyer, said she left home because he revoked permission for her to attend a high school dance. His action was punishment for her idling downtown.

"She was a very, very independent girl," her father said.

She worked as a waitress here. In her off hours, she spent lots of time around the coffee shops.

Detectives said she quarreled with her boyfriend, Eugene Szendre, 20, on Monday night and returned his friendship ring.

Vance told officers he visited her apartment Tuesday and got into an argument. He said he couldn't remember what the argument was about. The slaying followed. He was booked on suspicion of murder.

Four More Cheese Firms Named in 'Windfall' Suits

Milwaukee — (AP) — The justice department filed recovery actions in federal court Wednesday aimed at forcing four more Wisconsin cheese firms to repay what it claimed were "windfall profits" obtained in 1954 from the Commodity Credit corporation.

The department filed similar actions against seven other state firms Monday.

It said the four firms failed on May 8, 1956, to pay back the following sums:

Woody's Cheese company Inc., Waupaca—\$707.

Northern Wisconsin Products company, Inc., Manitowish—\$3,897.

Whitings Natural Cheese, Inc., Gillett—\$1,566.

Wisconsin Accredited Cheese company, Inc., Green Bay, formerly Steve's Cheese company, Inc.—\$9,222.

Nelson Aims 3-Year Building Program

CONTINUED FROM PAGE 1

cent Republican regimes strongly suggested that he is devising tax measures beyond any previously talked about, aside from permanent revisions in tax laws that may be proposed later in the year by his so-called "tax impact" committee of University of Wisconsin economists.

Attacks Coming
The governor's proposals for raising the balance of the \$52 million sum are certain to arouse attacks from critics who squirmed under Democratic attacks upon Republican improvisations in building financing.

His proposal for a "temporary" transfer of \$1,700,000 from the state insurance fund's reserves recalled a similar "raid" upon reserve funds that was scored by the Democrats when the Republicans were in power. The governor also proposed to continue the state building corporation device for borrowing some money for academic buildings, although he said he was doing so "reluctantly," obviously with a recollection of his strong campaign last fall against such devices for the evasion of the state's constitutional debt prohibition.

But he said he is taking nothing back from his previous criticisms, which hinted that he will produce later the proposals for amendment of the debt clause of the constitution, although he did not specifically mention the idea in his address today.

Causes Stressed
The governor stressed the changing population trends of the state, the heavily increased enrollments at state institutions of higher learning and the other factors he has cited in earlier speeches about the state's financial crisis.

Most of the building projects have long been listed by the state departments, which collectively have filed proposals for construction worth \$390 million.

Most novel of the proposals was a plan for a state forestry camp for delinquent male offenders.

Nelson said that building costs and needs were out-

stripping funds even during Republican regimes. With an evident anticipation of some hostile reactions from Republicans, the Democratic leader of the state government commented: "In describing Wisconsin's own financial dilemma, I have always been careful to place the blame where it belongs, on such facts as these (population growth and related factors) rather than on any previous administration. I hope that those who differ with me politically will show the same care in not blaming our fiscal problems on a governor who has been in office only 80 days."

Ike Predicts More Tension With Russia

CONTINUED FROM PAGE 1

cluding some extemporaneous remarks with which he preceded the prepared text, lasted about 10 minutes. He was applauded at the beginning and there was a burst of applause when he concluded.

Quotes Bible
Recalling his role as NATO commander eight years ago, Eisenhower said he traveled to European capitals to help persuade foreign leaders to put their armed forces within the joint military command.

His message to these leaders, he said, was one contained in a Bible passage of St. Luke:

"When a strong man, armed, keepeth his palace his goods are in peace."

Eisenhower said he also used the five fingers on his hand to illustrate his message. Each finger by itself is not a very good offense weapon, he said, but clenched into a fist it becomes a "formidable instrument of defense."

The real need for world peace, Eisenhower said, is that the communists abandon their "purpose of world domination."

"We shall never cease to encourage such a change," he said, but added that free men must be prepared for years of tension and bickering with a force that menaces the very spiritual foundations of western civilization.

Eisenhower addressed himself mainly to the long range

Washington's Famed Cherry trees bloomed for the first time today in spring-like temperatures. The Washington monument shows in the background. The cherry blossom festival is scheduled this weekend.

problems of a troubled world and gave only passing mention to the Berlin crisis which lends urgency to the NATO meeting.

Keep Door Open
Speaking in apparent reference to the upcoming foreign ministers meeting with the Russians on the Berlin and related problems, and the probable summit session to follow, Eisenhower said:

"We shall always keep open the door of honest discussion — even to those whose creed is world domination. . . We shall continue to make concrete and realistic proposals for disarmament, for a just solution to the problems of Germany, for European security and for cooperation in the newly opening realm of outer space."

Spaak, on the speakers list just ahead of Eisenhower, applied himself more directly to current matters.

He told the council that the Soviet Union by raising the issue of ouster of western forces from Berlin "is playing a game in which the ultimate stake is the very existence of our European political institutions and defense systems."

Spaak said the Atlantic alliance "cannot afford to relax. On the contrary, circumstances demand that we should be more vigilant."

Spaak reminded his audi-

Private Hearing

Oppose Admission of New Testimony in Murder Case

Indianapolis — P— Attorneys defending Mrs. Minnie B. (Connie) Nicholas fought today against admission of testimony designed to show that her wealthy married lover was not struggling with her when he was shot to death. Judge Thomas J. Faulconer kept the jury out of the courtroom while he heard arguments on whether a doctor could give an opinion on Forrest Teel's position in his car at the time of the shooting.

The state late yesterday asked Dr. Emmett C. Pierce, who performed the autopsy on Teel's body, to give an opinion based on the path of the bullets through the body.

Blow to Defense
The answer by prosecutor Phillip L. Bayt and his staff, —that the wounds indicated Teel was facing straight ahead behind the wheel of his car — would be a blow at the heart of the defense case.

Mrs. Nicholas contends her small purse revolver fired accidentally as Teel tried to wrestle it away from her to keep her from killing herself over the breakup of their 15-year illicit romance.

Already Testified
Pierce already had testified that all three bullets which hit Teel entered from his right side, slightly to the front, before Deputy Prosecutor Francis E. Thomason asked for his opinion on Teel's position.

Thomason's question brought Mrs. Nicholas' three attorneys to their feet with objections before Pierce could answer.

Faulconer sent the jury out while he listened to the objections then adjourned the trial overnight when arguments on them threatened to be prolonged. He told both sides to be ready to argue the question at the start of today's session.

Hold Man in Attempt to Kill Woman

Hollywood — P— A woman plunged eight stories down a Hollywood hotel stairwell today and police booked a man companion on suspicion of attempted murder.

The woman was critically injured. Police said she goes by the name of Mrs. Georgia Lee Rowley but that her true name is Holsclaw. She is 49.

Police were questioning Robert James Rowley, 40, a painter. They said he and the woman lived at the same Hollywood address.

The woman landed on the mezzanine floor of the Hollywood Plaza hotel and rolled down a flight of stairs into the lobby before a score of horrified onlookers.

Police said Bellboy Raymond Lujan had gone to a room where a man and woman had been heard in loud argument.

Lujan said he heard a man shout: "I'm going to kill you."

Then, Lujan said, a woman came out of the room and said: "Look what he's done to me."

The bellboy said her face was bruised.

Lujan said he started down the stairs to get help and a moment later the woman hurtled past him down the stairwell.

Eddie Says He Will Marry Liz in Mexico

Las Vegas, Nev. — P— Singer Eddie Fisher said today that he and Elizabeth Taylor will marry in Mexico within the next six weeks.

Wednesday night he had said they would wed in Las Vegas if he could get the consent of his former wife, Debbie Reynolds.

But he added later that he had changed his mind and would wed in a Nevada desert. She has obtained a California divorce which will not be final for a year.

Fisher pointed out that he could get a divorce in Nevada without his former wife's consent.

He and Miss Taylor said they have not selected the site for the wedding.

"We do not want it to be public," she said.

Orders Plane Back to Pick Up Bumped Men

CONTINUED FROM PAGE 1

said he had been granted emergency leave to attend the funeral of his 4-year-old son.

Kindl said the colonel "was very provoked by being bumped by lower-ranking airmen."

"We were little wheels and he was a big wheel, so he was taken ill last week and lapsed into a coma. Kindl returned in time for the funeral of his son, Alan, 21, who died of a heart attack. Kindl said the plane's fuel

had to be dumped for safety before the craft could land after its short flight from Tokyo.

Kindl said the colonel was a passenger terminal commander.

The mother of Airman Read of Ithaca died March 24. She out too much trouble.

was Mrs. Jannette Mann Read, professor of home economics at Cornell university.

Missed Mother's Funeral Mrs. S. L. Bell of the Pros-

"I missed the funeral because of him (the colonel)," he said he got leave to see his brother who was seriously injured in a car wreck.

Kindl's son Robert J., Jr., was taken ill last week and lapsed into a coma. Kindl returned in time for the funeral of his son, Alan, 21, who died of a heart attack. Kindl said the plane's fuel

general after vain appeals to officers at the air base. "They said they couldn't do anything about it."

"We were in the right and we were mad," he said, adding that the Red Cross helped him reach the general with-

"He (Burns) is one of the finest men I've ever talked to," said the son of Mr. and Mrs. S. L. Bell of the Pros-

pect community near here. He said he got leave to see his brother who was seriously injured in a car wreck.

The brother, Airman Bobby Bell, based at Sewart Air Force base, Smyrna, Tenn., is in Fort Campbell, Ky., hospital, and is expected to re-

cover, Bell said.

City Council Petition Backs Airline Plea

**Alderman Wants Takeoffs, Landings Tested;
More Fire Protection Needed, Chief Says**

A petition supporting air service at Outagamie county airport by North Central Airlines was approved Wednesday by a unanimous vote of the city council.

Ald. Allan Sonkowsky, in separate action, called for test flights in and out of the Sonkowsky port before North Central is permitted to begin service.

And, at the same time Fire Chief Paul Neumann suggested procedures and projects to assure proper fire protection at the port once North Central flights begin.

City Atty. Don L. Jury was ordered to draft the petition and forward it to the civil aeronautics board.

The petition order, sought in a resolution by Ald. Homer Malmstrom, is the outgrowth of a meeting Monday of the Appleton Chamber of Commerce airport committee in which Mayor Clarence A. Mitchell was asked to add official city support in a drive to obtain early air service at the port.

Nelson Agrees to Tuesday Meeting

Former State Sen. Gordon A. Bubolz said Wednesday Gov. Gaylord Nelson has set 2:15 p.m. Tuesday for a conference with Appleton Chamber of Commerce airport committee.

Committeemen Monday asked Bubolz to arrange the meeting so they could try to get the governor to add state support to a drive seeking early air service at Outagamie county airport.

Specifically, the petition will ask the CAB to grant North Central's request to serve the port temporarily on a route different than the one designated in December by the CAB. North Central is contesting the December order in court and has two requests before the CAB asking to serve the Fox Cities to the exclusion of Eau Claire and Marshfield, other cities on the CAB-approved route.

Sonkowsky wants a series of takeoffs and landings by carry 10-ton trucks.

These suggestions also are offered by Neumann:

1. Install one large wheeled extinguisher.
2. Get the city to extend its water main inside the airfield fence and erect a fire hydrant there.
3. Place a large gate in the north side fence to serve as a truck entrance.
4. Build roads leading to the port from Ballard road of either crushed stone or concrete, surfaces firm enough to carry 10-ton trucks.

Decision Ahead

Acheson Low Bidder on Concrete in Riverdale

Floyd Acheson is the apparent low bidder for concrete street construction contemplated in the Riverdale section at the city's southwest limits.

Bids, employing estimated quantities, were opened Tuesday by the board of public works. Quotations from seven companies were referred to Director of Public Works Duszynski for tabulation.

Riverdale property owners are planning to begin grading and graveling over a 2-year period.

Acheson's concrete bid Tuesday puts the price of the concrete itself at \$3.29 a square yard, lowest offered in the state last year or so far this year. Last year the basic price was \$3.45 a square yard. The asphalt price this year is higher than last year, up from \$8.17 a ton to \$8.57 in the bid of Courtney and Plummer, Inc., approved by the council Wednesday.

The assessment price is set by the city and subject to annual review. Two prices before deciding on concrete and asphalt were concerned for their streets.

The cost factor was the big grading and graveling work were considered last year on the board of assessment on the 68th ward. Grading and graveling in the case of Riverdale would cost the same as that in the 68th ward last year, \$2.10 a foot on one curb and gutter work, \$1.50 a foot, or 10 percent on N. Oneida street, the largest concrete project and would have required \$4.70 a foot for asphalt, curbs, gutter, been discussed.

Police Justice System May be Adopted Here

Legislative Unit to Propose Set Up at Council Meeting

Kaukauna — The legislative committee voted to recommend to the common council the establishment of a police justice court to replace the present justice of the peace system.

A police justice would receive an annual salary rather than operate on a fee basis as does the justice of the peace. The establishment of a police justice court also will make it possible for jury trials to be held locally rather than having cases transferred to municipal court.

Establishment of police justice courts are recommended by the Wisconsin League of Municipalities. Although the legislative committee did not consider a salary to be offered, Oscar T. Jahns, present justice of the peace, indicated the position should pay about \$2,000 per year.

The setting up of a salary is the duty of the finance committee. Should the council adopt the police justice system and should the court reorganization bill pass the state legislature, the person holding the police justice title could not be replaced by anyone but an attorney and then only if the attorney defeats the justice in a municipal election.

A police justice would retain practically all powers now held by a justice of the peace.

Building Cost In City to Date Totals \$178,300

Kaukauna — Six building and one wrecking permit have been issued for the first three months this year, according to a report by Lothar Kemp, building inspector.

Total building cost was set at \$178,300 for the period, major item being the \$130,000 of office addition being constructed at the Thilmany Pulp and Paper company.

Three new home permits were issued, construction to cost \$37,500 and two permits for home alterations were issued, cost set at \$800. The wrecking permit was issued to Badger-Northland to tear down a coal shed, thus making room for future expansion.

Brownie Troop May be Formed On Southside

Kaukauna — A meeting to determine interest in the formation of a Brownie Girl Scout troop on the southside will be held at 7:30 tonight at the home of Mrs. Howard Velaman, 705 Quenney avenue.

Parents of second grade girls are invited to get acquainted with the Girl Scouts organization and Brownie units at the session. If sufficient interest is generated, persons attending will take preliminary steps to form a troop.

Mothers or fathers unable to attend but interested in having their daughters join the Brownies can call Mrs. Velaman for details.

Cub Pack Committee to Plan Coming Activities

Kaukauna — Plans for spring and summer activities will be made at a committee meeting of Cub Scout Pack 20 at 8 p. m. Monday at the home of Mr. and Mrs. Floyd Hartzheim, 221 Jefferson street.

Officers for the coming year will be assigned duties.

Building Permit to Remodel Home Issued

Kaukauna — A building permit for alterations to a home was issued Wednesday by Lothar Kemp, building inspector, to Carl Weigman, 125 W. Sixth street. Remodeling will cost an estimated \$1,000.

U. S. Army Getting Ready To Pitch Its Biggest Tent

Washington — The army is going to pitch its biggest tent next month—a super-size structure supporting itself by air pressure and intended for use in inspecting and maintaining missiles.

The futuristic shelter is called a "pentadome" because it is made up of five shelters—a large center dome and four connecting smaller domes.

The pentadome will be set up for the first time about April 6 at the Buffalo, N. Y., plant of Birdair Structures, incorporated, which fabricated the structure for the army.

Here are some of the statistics provided by the army:

As broad at its base as half the length of a football field, the main dome will be 150 feet in diameter and 85 feet high. Each of the smaller domes will be 100 feet in diameter and 50 feet high.

Fabric of vinyl-coated nylon, with 18,000 square yards used. Total weight is 9,500 pounds.

Unlike other big tents, no poles or frames are used. Electric blowers maintain a constant lower pressure to keep the tent inflated. A system of air-lock doors prevents the pressure from escaping while equipment or people move in or out.

One of the Leading Programs of the 40 et 8 voiture of Outagamie county is the nurses training scholarship program. During a presentation of a check to one of the girls are, from the left, Francis Heesakker, committee chairman, Edward Arndt, chef de gare, Judith Voeks, route 2, Black Creek, and Dr. N. P. Kelly, grand chef de gare, Shawano.

Final Report Of Fund Drive

March of Dimes Collects \$1,897 At Little Chute

Little Chute — March of Dimes chairman Tony Van Bortel has announced a total of \$1,897 31 in the village drive this year.

Expenses for the drive amounted to \$34.10 making the net receipts \$1,863.21.

In the breakdown of the receipts, Van Bortel reported that special gifts from clubs and organizations amounted to \$48.75. The Kiwanis club scrap metal drive netted \$60 and \$50 was received in a car wash sponsored by the volunteer fire department.

A dance sponsored by the Village Squares netted \$451.64 and the Mothers March sponsored by the American Legion auxiliary collected \$342.30.

Bowling at the Recreation alleys amounted to \$134.90 for the drive, coin collectors and dimes cards collected \$189.27 and the toll bridge amounted to \$292. Collections at St. John Grade and High school were \$54.12 while those at the state graded school were \$59.83. March of Dimes Mailers amounted to \$14.50.

KVS to Offer Two Classes by Popular Request

Kaukauna — Although the majority of adult classes at Kaukauna Vocational school have been discontinued for the semester, two new courses will start next week by popular demand, according to Mrs. James I. McFadden, school coordinator.

A home nursing course will get underway at 8 p. m. Monday and will be held each Monday for seven weeks. Mrs. Argo Simon will serve as instructor for the 2-hour session.

A continuation of a clothing class will be held from 7 to 9:30 p. m. Tuesday under the direction of Mrs. Leo Driesen. Several openings remain in this 8-week course which will stress working with cottons and making simple summer clothing. Persons interested in joining a class may register by calling the school office.

Square Dance Party to Be Held Saturday for Girl Scouts, Brownies

Kaukauna — Girl Scouts and Brownies from the Kaukauna-Combined Locks neighborhood will join for a square dance party from 1:30 to 4 p. m. Saturday at the Kaukauna High school gym.

Lloyd Bungert, Appleton, will be caller and will teach square dancing steps and routines. No admission will be charged but a charge will be made for refreshments.

Women in charge of each group will be responsible for transportation.

Delegates Named for April Girl Scout Council Dinner

Kaukauna — Delegates to the annual meeting of the Fox River area Girl Scout council were named at a meeting of the Kaukauna-Combined Locks neighborhood at the Methodist church.

Delegates will be Mrs. Joseph Van Drasek, Mrs. Robert Hoehne, Mrs. Reed Mullen, Mrs. William Knapp, Mrs. Sylvester Beyer, Mrs. William Voights and Mrs. Elmer Dorr. Named alternates were Mrs. Oscar Kunz, Mrs. Norman Weigman, Mrs. Robert Hella, Mrs. Norman Memert, Mrs. Monroe Schneider, Mrs. Henry Tatro, Mrs. Ralph Utschig and Mrs. Fred Ludke.

Mrs. Ray Krueger, neighborhood chairman, and Mrs. Malcolm Jacobson, district chairman, automatically serve as delegates.

Guest Speaker

George Walters, professor of education at Lawrence college, will be the speaker for the April 20 council dinner at the Masonic temple at Appleton.

Mrs. Vernon Josie, cookie chairman, reported orders for 408 cases have been placed and cookies will arrive April 18 with girls to distribute boxes shortly thereafter.

Bridget McCarty and Jane Bamberg, Kaukauna, and Mary Versteegen and Joan April 10 and 17 for the collection of water bills. April 17 is the final discount date.

Special Friday Hours To Handle Water Bills

Kaukauna — Special hours for the next three Fridays have been announced by Mrs. Paul Lochschmidt, clerk-treasurer.

The office at the municipal garage will be open until 7:30 p. m. this Friday and also which was away from the Mary Versteegen and Joan April 10 and 17 for the collection of water bills. April 17 is the final discount date.

All Candidates File Expenses To City Clerk

Four Persons Report Money Spent Before Tuesday Deadline

Kaukauna — All candidates seeking election to city offices Tuesday filed pre-election expense accounts before the deadline, according to Karl E. Marzahl, city clerk.

Top spender to date is Wilfred Powers, incumbent Fourth ward alderman, who lists \$20.95. Luther Grebe, candidate for First ward alderman reported expenses of \$8.50 while Frank A. Merckx, Second ward alderman candidate, and Norman Memert, Third ward alderman candidate, both reported spending \$6.50.

Raymond DeBruin, Robert Main, Norman E. Gerhartz, Stephen Baisch, Mrs. Russell Brefnzal and Mrs. Al A. Hartzheim, school commissioner candidates, all reported no expenses.

Others reporting no money spent are Walter G. Rutten, Sr. and Arnold J. Vander Loop, First ward alderman candidates; Jewell Toms, Second ward alderman candidate; William Glasheen, Third ward alderman candidate; Robert Clayton Van Dyke, Fourth ward alderman candidate; George Luebke, Fifth ward alderman candidate, and Oscar T. Jahns, justice of the peace candidate.

Luebke and Jahns are the only men running without opposition.

\$375 Damage in Kimberly Mishap

Kimberly — Damage estimated at \$375 resulted in an accident in the 1000 block of E. Kimberly avenue, according to police.

Vehicles driven by James L. Laeckels, 24, 333 1/2 N. street, Kaukauna, and Allen Hammen, 20, 1045 E. Kimberly avenue, were involved.

Hammen told police he drove around a parked car in the 1000 block of E. Kimberly avenue, according to police.

The vehicles collided nearly head-on.

Charlie's Potpourri Boils With All Sorts of Notations, Ideas

BY CHARLES HOUSE
Post-Crescent Staff Writer

POTPOURRI: A Milwaukee social center has a 6-team "Wurst League" for basketball. The team names are Brat, Knack, Met, Leber, Wiener and Baloney. . . The three dots, which follow this word . . . are called ellipses. The use of them means that something has been left out. . . But it doesn't seem possible in THIS column. . .

The rule of the thumb for purchasing a home is that you can afford to spend two and one half times your annual income. . . If you are a renter you can afford to spend one week's salary for one month's rent. If you expend more money than that you're living on a basis which is generally considered to be economically unsound. . .

Incidentally, the term "rule of the thumb" is based upon a gimmick used by orators of ancient Rome. As they orated they would tick off the points to be made by touching the joints of the thumb. If the speech was longer than "thumb-size," they would touch in turn the other joints of the fingers, and then principle parts of the hand. It's a useful trick for forgetful speakers. . .

Maybe you don't care, but nobody knows where Koreans came from. They are not Chinese, not Japanese nor even relatives except in the broadest sense of the term. Their language is related to Turkish, Finnish and Mongol. . . Incidentally, the first use of firearms against an enemy was in 1592 when Japanese gunners invaded Korea. . .

\$1,200 for Snapshot

What would you call the greatest picture of all time? Well, it isn't the flag-raising picture of World War II. Most professionals think the best of all was an amateur's news picture of the sinking of the steamship Vesuvius. The New York Daily News paid the photographer — a kitchen worker — \$1,200 for that snapshot. . .

Did you know that the word "normalcy" spoke into the language as an error of the president of the United States? President Warren G. Harding, who was not a good speaker, often mumbled and

237-594 Lead Major League

Honors Shared in Businessmen's Loop At Southside Alley

Kaukauna — Alois Peters slammed a 237 game and Leo King posted a 594 series to share individual honors in the Major league at S and B alleys.

Team honors went to Locks Paper with a 915 game and a 2,686 series. Trude Jewellers swept three games to continue to maintain its big first place lead. The Jewellers have 66 wins and 21 losses while Gertz tavern, second place team, has a 524-341 record.

Other high scores were posted by Al Schumann, 586, Leo King, 594; Ery Feldhahn, 586, and Alois Peters, 570.

Southside Loop
Len Derus registered a 233 game and Mike Vanden Heuvel hit a 532 series to lead the Monday Southside Business league at Verbeten's alleys.

Team honors went to Klein's with an 844 game and a 2,426 series. Sherny barbers won two games to hold the lead with a 50-25 record while Mug's and Bob's won three to pull to within seven games of first place.

Kimberly Band Seeks New Banner Bearer

Kimberly — The Community band has announced it has an opening for a banner bearer and anyone interested in the post should contact Miss Florence Sanderfoot.

as high as second story windows, public transportation came to a complete halt and some 400 persons died as a result of the storm.

For years afterward the Blizzard Men of 1833 met on the anniversary of the storm just for the purpose of sitting around recalling experiences. Although our storms here did not reach the proportions of that granddaddy of snowstorms, I would be perfectly willing to do homage to the "I Hate Snowshovels Club of '59."

Blizzard Men

I have observed no joining gentry in a big rush to establish a club to commemorate the winter of '58-'59, but there has been such a club in the eastern part of the United States — The Blizzard Men of 1833.

On March 11 of that year a 21-inch snowstorm paralyzed much of eastern United States. In a wind of 84 miles per hour snow drifted

EMMY LOU

By Merty Links

"I think college is necessary . . . unless, of course, you can meet someone in high school!"

3 Keglers Hit 225 Singletons At Little Chute

Little Chute — Tony Jansen, Jerry Hietpas and Vin Jansen each hit a 225 singleton to share the individual honors in the Fox Valley league at the Recreation alleys.

EZ Glide Doors have moved to first place with a 55-35 record and a two game lead over People's Laundry. Hammen's Bar is third, one game out of the runnerup spot.

Hietpas had the high series in the loop with a 587 count. Other honor scores included Francis LeNoble, 584; Vin Jansen, 582; Jerry Lamers, 578; Ken Bobber, 569; Joe Reynebeau, 553 and Roger Koehn, 550.

Sheriff Will Speak To Auxiliary Police

Little Chute — Sheriff Robert Heinrich will talk to members of the auxiliary police force of the Civil Defense unit tonight at the village hall. The group will meet at 7 p.m. for its regular first aid training session, according to President Paul Kostka, CD director.

Holy Name Men of St. Mary Parish Plan Pancake-Porky Supper

Kaukauna — The Holy Name society of St. Mary's Catholic church will sponsor a pancake-porky supper from 4:30 to 8 p. m. Sunday in the parish hall.

The event, originally scheduled March 15, was postponed by a snow storm. Proceeds from the affair will be applied toward the purchase of a movie projector for the school.

Seek to Close Wire Office in Kimberly

Kimberly — The Federal Communications commission has been petitioned to close the Western Union Telegraph office here. It is planned substitute service would be afforded by the Appleton office. The FCC will accept statements of protest or support until April 22.

St. Elizabeth Society To Sponsor Bake Sale

Little Chute — The St. Elizabeth society of St. John church has announced plans for a bake sale Friday and Saturday at a local department store annex. Women in districts 16 through 22 of the parish will be contacted for bakery.

Youth Dies, Four Hurt in 41-A Crash

CONTINUED FROM PAGE 1
about three feet from them. The two received bruises and cuts and were released from the hospital Wednesday night. The six injured were taken to the hospital by two Larry's ambulances.

The four youths in the Welch car were tossed out, but one crawled back into the battered car. Bowers said Dowdy told him. Bowers said the youths were scattered around the scene when he arrived, moments after the crash.

No Skid Marks
Dowdy told police the Welch car entered Highway 41 at a fair rate of speed and he had no chance to avoid the car. He tried to swing around the rear of the vehicle but could not turn quickly enough. Dowdy said. There were no skid marks or evidence that Welch tried to stop. County Police Sgt. Lowell Veitch, County Patrolman Calvin Spice and State Patrolman Donald Nimmers said. The truck hit the car about three feet from the center line, in the truck's lane of traffic.

The four youths left Shawano about 7:15 for a ride, parents told authorities.

Saw Warning
Eggert told police this morning that he and the other passengers told Welch when the car passed a sign reading "stop sign ahead," but they did not know if he heard them over the radio. Eggert said he saw the truck's lights coming. He was seated in the right front seat.

Welch told police this morning that he was driving about 50 to 60 miles an hour and never saw the stop sign or the truck.

Police said statements from the youths indicated another car might be involved and the two might have been racing. Apparently, police were told, there was a race earlier in the Black Creek-Highway 47 area.

Spohn's death is the eleventh traffic fatality so far this

Post-Crescent Photo

One Youth was killed and three others are in serious condition at Appleton Memorial hospital after their car was struck by an empty semi-trailer shortly before 8 p.m. Wednesday at Highway 41 and County Trunk A. Anthony Spohn, 16, Shawano, died of head injuries about seven hours after the accident. The car was driven by Ampher J. Welch, 16, Shawano. The car headed south on A, was tossed 90 feet by the impact. The eastbound truck skidded and jackknifed for 140 feet.

year in Outagamie county. Only two such deaths were reported by this time last year. It was Oct. 9, 1958 before the toll reached 11 persons on county and city roads. Kemps said he will confer with Dist. Atty. George J. Greisch on holding an inquest.

Spohn was born Jan. 22, 1943, in Milwaukee, but lived most of his life in Shawano, where he was a sophomore at Shawano High school. He attended Lincoln grade school and the junior high school.

Funeral services will be at 2 p. m. Saturday at Peace Evangelical and Reformed church, Shawano, with burial in the Lakewood cemetery, town of Westcott. Friends may call at the Karth Funeral home, Shawano, from 1 p. m. Friday until 10:30 a. m.

Sailor, Boy Die

By The Associated Press

The death of a sailor home on leave has increased Wisconsin's 1959 highway toll to 145, compared with 137 on this same day a year ago.

Francis W. Turany, 23, a native of Chippewa Falls, was killed early today when his auto left Highway 53, three miles south of Bloomer.

Michael Sporer, 6, Milwaukee, died in a Milwaukee hospital Wednesday of injuries received Jan. 15 when he was struck by a truck while on his way home from school.

Training Needs for Labor, College

Post-Crescent Madison Bureau

Madison — The mounting need for highly trained technical workers in the expanding economy projected for the next decade can be met by the local schools of vocational and adult education, including such schools in the Fox Cities.

That is the conclusion of the Coordinating Committee for the Higher Education in a report which offers a line of demarcation between education beyond high school in technical fields, and college

needs in the collegiate education field.

The latter kind of community college service can best be rendered by extension centers or the University of Wisconsin "pending further investigation and determination," said the planning group which includes some of the highest educational officers of the state.

The report could be interpreted as a sign of resistance to proposals for enlargement

of the vocational school programs into college-type courses, as sometimes suggested by some of the vocational school spokesmen.

But the study was optimistic about the enlarging role of the long-established local schools in the field of technical training.

"The very large increase in 18-21 year olds anticipated in the next decade has as serious implications for our schools of vocational and adult education as for our colleges and universities," the state officials said.

"The increased demands for skilled workers will require an expansion of pre-employment training in many semi-professional fields for young men and women graduating from high schools, and retraining and upgrading workers 45 years and over now employed in the skilled labor force. An increase of almost a third in the number of professional and technical workers by 1965 appears likely," said the report, which also endorsed more state aid for the vocational training which is now primarily financed out of local budget taxes.

Seek Labor Expert in Strike Talks

Union Official Wants
UW Professor to
Enter Negotiations

Milwaukee — P. — The Allis-Chalmers Manufacturing company and representatives of the United Auto Workers apparently have agreed that a nationally-known labor expert should be asked to help settle their 2-months old strike.

Duane Pat Greathouse, chief negotiator for the union in the strike that has idled 14,000 workers in eight plants, proposed that the strike be called off immediately and that Nathan P. Feinsinger, of the University of Wisconsin law school, act as an arbitrator in all issues not yet resolved.

The company replied that it would be glad to have Feinsinger's help but proposed that he be a mediator under the negotiating processes which it

said both sides had agreed to accept.

In labor parlance, an arbitrator has the power to decide the issues on his own while a mediator interposes himself between the parties to reconcile the differences. Federal mediators have been working with the company and union all week.

Methodist Couples to Hold Skating Party

Kaukauna — The Couples club of the Methodist church has announced the roller skating party planned for Saturday has been postponed until April 11.

Couples will meet at 7:30 p.m. at the church and skating will be at Waverly beach. After skating the group will return to the church for a business meeting and refreshments.

Firemen Save Bills

Stillwater, Okla. — P. — A truck load of mail destined for Stillwater caught fire and some of the cargo was burned. The postoffice said all the negotiating processes which it bills were salvaged.

Nikita Gained Control During Era of Smiles for Russians

BY WILLIAM L. RYAN

New York—There, in the middle of things, bubbled Nikita Khrushchev, jabbing a stubby finger into the chest of his startled listener.

The scene was a British embassy reception in Moscow in mid-1954. The listener was Clement Attlee, head of Britain's labor party.

Stalin lay in his gaudy Red square tomb. His lieutenants had faces now. They were individuals. They could talk out in public.

Khrushchev talked and talked, torrents of rapid, often ungrammatical Russian tinged with Ukrainian accent. Through it all his broad, persistent grin exposed two front teeth of glittering gold. His pale blue eyes stared into his hearer's. His pudgy fists would grab the hearer's lapel and hold him captive.

Cultivated, taciturn Georgi Malenkov, who considered himself Stalin's heir, looked on with a superior smile. Few

American tradition has its backwoods crotchopper. The Russian equivalent is the muzhik — crude and vulgar but shrewd and strong and bullheaded. Nikita Khrushchev was born a muzhik. Today he displays a veneer of polish but basically he is still the shrewd countryman who knows what he wants and how to get it. This is the fourth of five articles giving an insight into his career.

outsiders seemed to take Khrushchev seriously, and some in the Kremlin made the same mistake.

"Noisy chap," muttered Attlee when the talking bout was over.

Era of Smiles

The first summit meeting still was a year away, but already it may have been in the back of Khrushchev's mind as a device to lull the west. An era of smiles had begun.

Soviet leaders became aggressively friendly to diplomats.

The smiles obscured from view a titanic struggle for Stalin's power.

In that struggle Khrushchev performed like a true Stalin pupil. He made alliances as necessary, repudiated them when they no longer were of use.

Moscow's collective leadership was a mutual protective association to prevent any one man from getting the upper hand. Its first concern was to break the power of Lavrenty Beria, whose army of secret police nearly took over Moscow at the hour of Stalin's death. With the help of Marshal Georgi Zhukov and the army, the collective destroyed Beria and purged the secret police machine.

Stalin's power had derived from control of both party and police. Having pushed Malenkov aside, Khrushchev had the party reins. No single leader had the police to himself. Khrushchev's authority increased. The world began to take more notice of him.

Hopefully, some westerners clocked Khrushchev as a man of quiet strength who leaned to the West.

The Kremlin in 1954 was under severe strain. The Korean war was ended. A Stalin gamble which failed. The Indo-China war was ending. Moscow hunted it wanted to settle the Austrian occupation problem too. The Kremlin made extraordinary gestures toward Yugoslavia's Tito, the maverick communist with whom Stalin feuded.

The Soviet consumer was promised the world on a platter if he would just be patient.

Ousts Malenkov

The collective leadership, to the uncritical observer, was just one big nappy family. Writers in the Soviet Union blossomed out with daring new ideas. In Hungary, communist leaders taking their cue from Premier Malenkov, permitted unheard of relaxations of Stalinism. Young intellectuals in Poland stirred restlessly against the Stalinists.

Khrushchev exploded the happy family notion in 1955. He outfoxed Malenkov and required him to step down as premier, confessing himself a failure. Khrushchev installed pliable Nikolai Bulganin as premier — a mere echo of Khrushchev himself.

Thereafter, Khrushchev did the talking. At home he indicated the consumers would have to wait for the promised amenities of life while the U.S.S.R. concen-

Pay Rates Not City Issue, Board Rules

Committeemen Say Unions, Contractors Should Settle It

Inequities in the wage rates required by city contracts are a matter between the unions and the contractors and should not be left to the city to decide, the board of public works has ruled.

The problem was posed in a letter to the city from six members of the Wisconsin Concrete Paving association.

They cited a difference of 42 cents an hour between state and city contract wage requirements at the moment and the lack of an asphalt pavers wage schedule in the present city wage rates.

Always Slight Gap
Board members admitted the inequities. So did union spokesmen who said the problem should be cleared up shortly when the state adopts a new wage schedule. The new state schedule slated for hearing April 16 in Madison, would still leave a gap between state and city contracts, but not as large as 42 cents an hour.

Contractors have been working with the slight gap for several years principally because the state schedule, negotiated by international union representatives, has not kept up with local union contracts. It was said.

To adopt the state rates in effect now would exclude local union contractors, it was pointed out. Board members indicated they expect all questions answered when new rates are furnished in the fall.

Opening of bids on the contemplated concrete street work in the Riverdale section was held up until the question was answered.

Handicapped Children
Vancouver — Between 5 and 10 per cent of British Columbia school children suffer speech defects, and 3 to 5 per cent have defective hearing, the B. C. Speech and Hearing association reported.

ment also said the president will address the seventh annual Republican Women's conference at a dinner here April 13.

Plan Detection Unit for Weak Radiation Form

Cambridge, Mass. — A Harvard scientist Wednesday announced an idea for a device to detect one of nature's weakest forms of radiation and said it might lead to development of improved medicines, industrial products and electronic devices.

Physicist Nicolaas Bloembergen said plans already are underway at Harvard for building such an apparatus which would be designed to detect in chemicals the emission of a particular form of infra-red radiation.

Infra-red radiation is one of the forms of 'invisible light' in the electromagnetic spectrum. Studies of its emission by various materials have long proved a valuable aid in chemical and other analysis.

But Bloembergen said there is a kind of infra-red which is so weak, and so little known that it constitutes a "no man's land" in the spectrum. And it is in this range of the infra-red—intermediate in the spectrum between the

stronger type of infra-red and radar-type microwaves—that he plans to use the proposed detection device.

Appleton Man Pays \$25 for Illegal Passing

**Kaukauna Youth
Fined \$35 for
Speed, No Stop**

Lawrence J. Jost, 41, 1335 Katherine street has been fined \$25 in municipal court for illegal passing. He was arrested Sunday in the town of Center by Constable Reginald Brockman. The offense will cost Jost four points against his driving record.

Also charged four points for illegal passing was Victor D. Bruss, 29, route 1, Menasha, filed \$15.

Charged three points for ignoring stop signs were John W. Jirikowic, 19, 727 Desnoyer street, Kaukauna, \$10 fine, also three points and a \$25 fine for driving 70 in a 55-mile zone; Joel J. James, 21, route 3, New London, \$10 fine; and William J. Gonnering, 33, Freedom, \$10 fine.

Passed School Bus
Charged four points and fined \$25 each for passing a stopped school bus were Luther D. Krake, 49, route 1, New London, and Richard E. Ernst, 51, Menasha.

Emil G. Krueger, 67, route 2, Kaukauna, was fined \$50 and his driver's license was revoked for six months for failing to yield the right-of-way when entering a highway. The revocation was stayed on a moving violation for a year. He will be charged three points.

Earl A. Tumm, 38, route 2, Greenleaf, was fined \$50 and charged three points for inattentive driving. He was arrested after police found he had driven off a dead end street into Interlake park shortly before 2 a.m. Tuesday. Michael E. McGuire, 57, Milwaukee, forfeited a \$13.95 bond and was charged four points for passing at a railroad crossing.

License Taken
Peter F. Verhoeven, 25, route 2, Black Creek, was fined for driving after his license had been revoked and an additional year's revocation was added.

Gerald W. Cavert, 21, 1016 S. Walden avenue, was fined \$15 and charged three points for speeding.

Fined \$10 each for driving cars with illegal mufflers were Donald F. Stadler, 17, route 1, Kaukauna, and Richard H. Everett, 37, route 1, Appleton.

Forfeiting \$28.95 bonds each for following too closely in traffic with their trucks were Harry Landsberg, 63, and Gerald D. Zimmerman, 24, both of Milwaukee.

LeRoy Fritsch, 22, route 1, Kaukauna, was fined \$10 and charged four points for driving without a chauffeur's license.

General Commerce Company, Inc., 531 N. Morrison street, forfeited \$23.75 bond for no registration on its truck.

Chicago Ups Its Bid for GOP Rally

Chicago — P— Chicago has raised its cash bid for the 1960 Republican national convention to \$500,000.

Chicago's previous bid was \$500,000 cash plus fringe benefits totaling \$128,500. These benefits, including payment of hall rental, janitor and usher service and building of the speakers' platform, were dropped in the new offer.

Two other cities are in the running for the convention. New York bid \$400,000 cash, plus \$150,000 in fringe benefits. Philadelphia, \$475,000 cash.

The GOP national committee will pick the site next week in a meeting in Washington.

In announcing the new offer yesterday, Mayor Richard J. Daley said, "I am confident that Chicago will be selected for the convention."

Illinois Republican leaders also said the new offer makes it almost certain Chicago will get the nod.

The Democrats will hold their national convention in Los Angeles starting July 11, 1960.

April Proclaimed as Cancer Control Month

Washington — P— President Eisenhower has proclaimed April as cancer control month.

He urged in a proclamation that state governors follow his example and asked health professions, news media and "all other interested agencies and individuals to unite during the appointed month in public dedication to programs directed toward the control of cancer."

The proclamation was issued as about 40 men, women and children who have been cured of cancer met for an annual session sponsored by the American Cancer society.

W.T. GRANT CO.

Doctor Offers New Theory on Cancer 'Seeds'

Says Disease May Be Inherited From Ancient Ancestor

Excelsior Springs, Mo.—The seeds of cancer may lurk in your body—an unwanted gift planted perhaps as long as 100,000 years ago in the cells of an ancestor.

Only a few such seeds among the trillions of cells of your body could start deadly uncontrolled cancer.

As these seed—perhaps sleeping viruses—were passed on generation to generation they may have awakened from time to time bringing a sudden and unexpected cancer attack.

This is a theory expressed at this week's American Cancer society seminar on cancer research and progress by Dr. Ludwik Gross, cancer unit chief of the veterans administration hospital Bronx, N. Y.

Hitchhike Ride

These sleeping viruses somehow hitchhike a ride through the centuries with the genes of the cell—getting passed along with inherited factors from one generation to the next, Dr. Gross suggested.

What awakens the deadly virus, triggering its cancer-causing activity?

Radiation—the chance hit of an atomic ray—might provide the trigger, or some chemical poison unrecognized as dangerous might do the trick.

Dr. Gross feels that much indirect evidence supports his theory. He has succeeded in following inherited leukemia through only a few generations of mice.

But he feels the theory explains why cancer seems to strike so often within certain families of both humans and animals.

Mystery Gland

Describing his work on mouse leukemia, Dr. Gross told of a mystery gland and the strange role it plays in cancer of the blood and blood producing areas of the body.

The mystery gland is the thymus. In humans this little gland in the chest seems to have no function after birth.

But in mice stricken with leukemia, removal of the thymus means survival. In fact, some mice were intentionally infected with leukemia and then operated on for removal of the thymus. They never developed the disease.

It is possible that the thymus is the target of the leukemia causing virus, Dr. Gross said. The thymus may be the nest where the virus multiplies.

300 Farmers Attend Talks In Seymour

Seymour — About 300 farmers attended a loose housing educational meeting at the Seymour Union High school. William Fletcher, Doane Agriculture Service, St. Louis, Mo., and Clyde Brunner, Consolidated Badger co-op, Seymour, were speakers.

A panel consisting of Art Schuelke, Waupaca; Earl Carlson, Shiocton; Frank Weyers, Appleton; William Van Bortel, Oneida and moderated by Russel Luchow, acting county agent, and Harold Huttenburg, farm management director, both of Appleton, discussed experiences as loose housing dairy operators.

W. T. Reese, Seymour, former member of the state agriculture department was the master of ceremonies.

Refreshments were served by the local Surge dealer, Miller Pienl, Lumber company and the Consolidated Badger co-op.

School Board Lists Needs at Huntley School

Improvements wanted at Huntley school were outlined for the city council Wednesday by the board of education.

They are:

Two entrances and drive just off Lawrence street at Ullman street to provide access to a school parking lot.

An 8-ft wide sidewalk on Ullman street between Marquette and Lindbergh streets. The board expects to pay for the extra three feet of width, a letter said.

Regular sidewalks on Lindbergh street from Ullman street 400 feet east.

Grading and graveling of Lindbergh street between Ullman and Alexander streets.

Error Changes Meaning of Message

Pamel, Mo. — P— The Rev. Louis V. Hubbard, a Methodist minister, in announcing special services, concluded his mimeographed message with this sentence:

"If you can sin or play, we want you to come and bring a special number." Of course, he meant to say "sing or play."

Robert Duthie, left, new president of the Y's Men's club, receives his gavel from Owen Kuehnmst, retiring president. Other new officers are James Retson, vice president; Thomas Mann, secretary; and Robert Hillmer, treasurer.

Downtown Train Stop Issue Before Council Again

The issue of regular passenger stops by the Chicago and North Western railroad at its downtown depot was revived Wednesday by Ald. Austin N. Tucker.

Tucker told the city council the railroad should be asked to make regular stops to load and unload passengers only.

Mayor Mitchell referred the resolution to the public safety committee for study and a recommendation.

The chamber of commerce a year ago spearheaded a similar drive, but public safety committeemen decided to wait and see what improvements the railroad would install at the Appleton Junction depot.

North Western train stops were moved from the downtown depot to the Appleton Junction depot March 24, 1958.

Madison Librarian to Take Job in Appleton

Alice Dresser Will Take Charge of Children's Department About July 1

Miss Alice Dresser, Madison elementary school librarian, has been appointed Appleton children's librarian.

A University of Wisconsin graduate, she will take over the position about July 1. She replaces Miss Janet Medi who resigned.

Miss Dresser has experience with the Detroit public library system and with the Madison public schools.

The library board also heard a report by Miss Pat Ewen, youth librarian, on services offered for children by libraries throughout the country. Board member Dr. Edward Jones helped Miss Ewen prepare the report.

Library work directed at the high school age group is fairly recent, Miss Ewen pointed out.

"Appleton has a separate department for young people. There are very few libraries in the state with a trained librarian to work with the teenage group," she added.

The main functions of the local youth department are to provide information to students for their school work, give guidance in recreational reading, introduce the student to reference services and provide advice.

The board also heard committee reports, discussed the library's heating and ventilation system and authorized payment of bills.

Mention again was made of the police department study of traffic conditions in front of the library.

Discuss Crosswalks The common council's public safety committee decided by Tucker says the gates cost \$1.13 a month to maintain. Mayor Mitchell referred the resolution to the public safety committee for study and a recommendation.

The board sought a clearly marked pedestrian lane some time ago and was told the police department would conduct a study.

City Clerk Elden Broehm meeting.

Alderman Wants Automatic Gates At Parking Lot

Reservation of the Franklin and Morrison street parking lot for motorists who must park for longer periods of time than presently permitted on metered streets is advocated by Ald. Austin N. Tucker. Automatic electric gates at entrances to the lot, he told the council Wednesday, then would produce these advantages:

1. They will produce more revenue because they will be used more than meters.

2. They will release police personnel for more important duties.

3. They will provide off-street parking for people employed downtown.

4. That will result in more stalls being available for shoppers on downtown streets.

Supporting data furnished by Tucker says the gates cost \$1.13 a month to maintain. Mayor Mitchell referred the resolution to the public safety committee for study and a recommendation.

Dr. Jones to appear before the committee at its April 20 meeting.

Fire Department Uses Novel Way To Raise Funds

Berlin, Wis. — The local volunteer fire department, wise in the ways of fire buffs, conducted its annual fund drive with a minimum of effort this year.

Instead of beating a path from door to door in the community, the fire laddies just turned on the siren and let it wail.

When a substantial proportion of the 5,000 population converged on the station to find out where the fire was, firemen passed the hat. Collected: \$600.

Sotto Voice Bark Soothes Suit of Ruffled Neighbor

La Jolla, Calif. — A ventriculocordecotomy settled a law suit.

It was performed by Dr. J. E. Spoon, veterinary surgeon, to correct the noisy barking of Maxie, a dachshund—reducing it to something like a gentle cough.

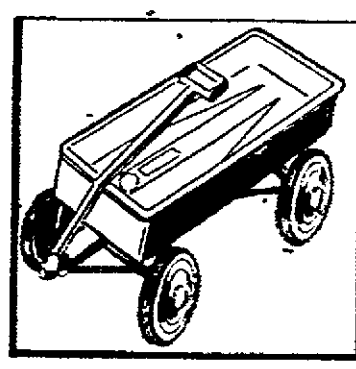

Miss Priscille G. Ferry, who the barking had bothered, then withdrew her suit against Miss Sara G. Hayden, Maxie's owner.

Members of Chaminade Women's chorus entertained at an Easter party after rehearsal at Morgan school. From left are Miss Mary Ann Fryfogle, Miss Judith Cook, members, Mrs. Ann Borgwardt, Medina, Mrs. Allen Johnson, Clarence Richter and Kenneth DeWitt, guests. The chorus will hold its annual spring concert at 8.15 p.m. April 11 at Lawrence Memorial chapel.

Chaminade Chorus To Hold Reception After Spring Concert

Members of Chaminade Women's chorus will be honored at a private reception after their annual spring concert at 8:15 p.m. April 11 at Lawrence Memorial chapel. Songsters and guests will gather for the party at Worcester Art center on Lawrence campus.

Mrs. Calvin Falk, reception chairman, will be assisted by the Mmes. Russell Peterson, Vernon Smith, Gordon Luebke and Roland Wuerger, and the Mmes. Hazel Schommer, Beth Aalbers, Judy Cook and Marguerite Hughes.

The concert will feature soloist Lawrence A. Strieby, a sophomore at Lawrence conservatory of music. He will perform on the French horn.

Hold Easter Party

Directing the choristers will be Fred Kaemmerer. Accompanist will be Mrs. Clarence Richter. Tickets are being handled by Mrs. Joseph J. Engel and Mrs. Clarence Hopfensperger. Miss Ardyth Redlin is working on publicity.

Plans for the concert were completed Monday night at chorus rehearsal at Morgan school. An Easter party was held in conjunction with the gathering, with husbands invited to the event. Serving as hostesses were the first and second soprano chorus members.

Graduates of Appleton High school class of 1944 are completing plans for a 15th reunion June 13. From left are committee members, Mrs. Gerald Bayer, Mrs. George Skjoldager, Mrs. D. A. Jeffers, David Bailing and Melvin Hanson, chairman.

337 Club Fetes Past Presidents

Past presidents of the Elks Ladies 337 club were honored at a dinner at the Elks club Monday evening.

Those women honored are the Mmes. B. W. Wolgram, 1949-51; Carl Schroeder, 1951-53; Frank Liethen, 1953-54; Kermit Dean, 1954-55; Charles Schmidt, 1955-56; James Klucker, 1956-57; and Charles Klucker, 1957-58.

Miss Judy Walter, Milwaukee, of the Wisconsin Telephone company, talked about famous women of Wisconsin during the evening's program.

Members voted to help plan a dance for junior high school students which the Elks lodge is holding May 15.

Hostesses for the dinner were Mrs. Walter Winter and Mrs. Phillip Cresswell. Husbands of the members will be dinner guests at the April meeting.

It was announced the annual spring banquet which traditionally closes the chorus season will be held April 28 at the American Legion clubhouse. New officers will be elected.

Banquet Committee

Miss Evelyn Reitz, banquet chairman, is being assisted by Mrs. Peterson and the Mmes. Donna Morstad and Ann Albright.

Current officers are Mrs. Kenneth DeWitt, president; Mrs. Falk, vice president; Mrs. Elaine Ruch, secretary, and Miss Dorothy Schenck, treasurer. Miss Nancy Lam, Alpheus Steiger, Mrs. Clara Seefeld, Mrs. Frank Wendt, and Miss Lovejoy.

Women's Club Has Guests

Fremont — Mrs. Christine Redemann, a charter member of the Women's Improvement club and Mrs. Evan Redemann and Miss Patsy Lovejoy were guests of the club Tuesday evening at the home of Mrs. William Redemann.

Prize winners were Mrs. Alpheus Steiger, Mrs. Clara Seefeld, Mrs. Frank Wendt, and Miss Lovejoy.

AHS Class of 1944 Sets June 13 Reunion

Plans are being completed to 4.30 p.m. at Appleton High school for the 5th reunion of the Appleton High school class of 1944. Events will be held June 13.

A varied program has been planned, with agenda to open with a social gathering for class members only from 2.30

Homebuilders Set Saturday Dinner Party

The Homebuilders club of the Memorial Presbyterian church will hold a dinner party at the church at 7 p.m. Saturday evening. Mr. and Mrs. Robert O. Brown, chairman, announced the theme will be "Dinner at the Waldorf-Castoria."

The evening's program will be a variety show of entertainment.

Others on the committee are the Messrs. and Mmes. Wilard Anderson, Robert R. Brown, Keith Green, Harold Heller, Jans Holly, John Jones, John Lindstrom, Fred Oliver and Leonard Snellenberger.

Elaine Biese Becomes Bride of Robert Schmidt

Miss Elaine Biese and Robert Schmidt repeated nuptial vows at 10 a.m. today at St. Mary Catholic church, Kaukauna. The Rev. Peter Salm officiated at the double ring ceremony and nuptial high mass.

The daughter of Mr. and Mrs. Frank Biese, route 3, Kaukauna, was escorted down the aisle by her father. Parents of the bridegroom are Mr. and Mrs. Louis Schmidt, route 3, Kaukauna.

Maid of honor was the bride's sister, Miss Dorothy Biese, Kaukauna. Miss Patricia Krautkramer, Wrightstown, and Mrs. James Flanagan, Appleton, sister of the bridegroom, were bridesmaids. A niece of the bridegroom, Jean Schmidt, Seymour, was miniature bride.

The bridegroom was attended by Clifford Vande Wettering, Greenleaf, the best man, and groomsmen Paul Schmidt, Seymour, brother of the bridegroom, and Marvin Biese, Greenleaf, cousin of the bride.

Serving as ushers were the bride's brother, Leo Biese, and groomsmen Paul Schmidt, Seymour, and Mr. Pulp and Paper company, Kaukauna. Her husband is engaged in farming.

Mrs. Robert Schmidt

Basic College Education Important for Librarian

Miss Patricia Ewen, youth librarian at the Appleton Public library, took a round-about way to become a librarian. She had not considered the field while in college, but after doing some world traveling and work in anthropology, she entered library work, liked it, studied it and now has made it a vocation.

She says that a librarian needs a good basic education, including lots of history, English, math and in general, for the high school girl, a good college preparatory course. Liberal arts courses are an asset and liberal arts with a definite major subject are an advantage, she claims.

Miss Ewen says a major in college can often lead to library work in a specific field, such as science, medical, industrial or government librarian.

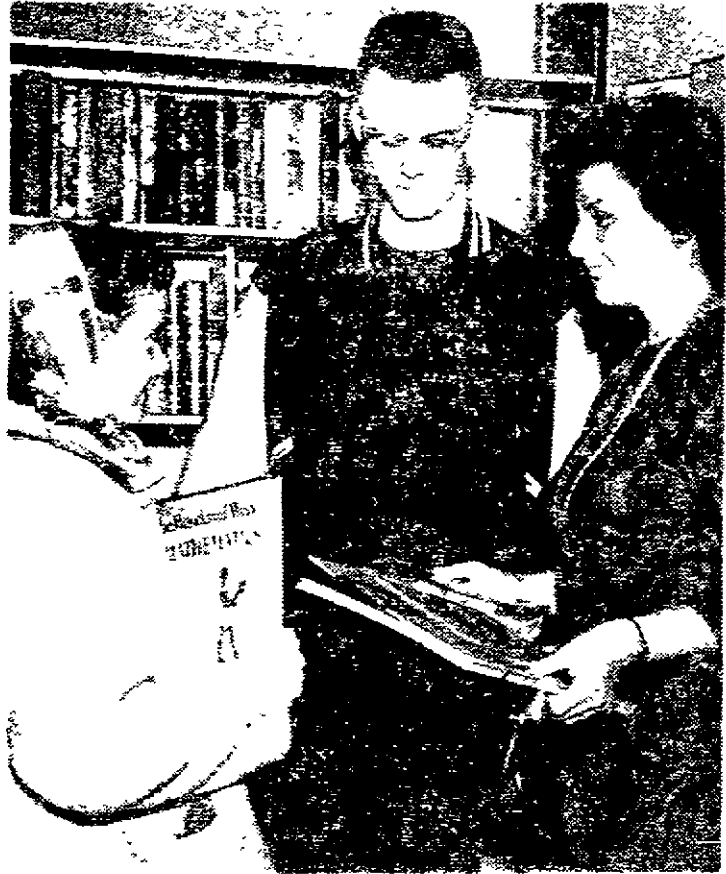

A bachelor's degree is necessary to enter library school. After one year's study in library school, a master of science degree is obtained.

Appleton's youth librarian was graduated with a bachelor of arts degree in anthropology from the University of Wisconsin. She did graduate work at Beloit college in archeology and at the University of Uppsala, Sweden, where she participated in excavating a Viking ship. Upon returning to the United States, Miss Ewen worked at the Milwaukee Public library as a children's librarian and story teller.

Library work interested her and she attended Western Reserve university, Cleveland, Ohio, and after one year received a master of science degree in library science.

She was one of five U.S. student librarians to receive

Girls who are about to graduate in June from high schools or colleges must make decisions on future plans in the career world. This is the fourth in a series of articles, particularly directed to the high school girl, presenting Fox Cities women who represent various careers open to women. Certain facets of these jobs, such as education needed, qualifications and daily routine, will be explained in the series.

Miss Patricia Ewen, Right, is the youth librarian at the Appleton Public library. She works with various age groups at the library, such as those represented by Alison "Candy" Neuman, 336 E. Pershing street, left, and John Franck, 221 S. Mason street.

Sig Ep's to Stage Party, 'Tokyo Tea'

Japanese lanterns and oriental decor will set the stage for the "Tokyo Tea" to be held from 9 to 12 p.m. Friday at the Sigma Phi Epsilon fraternity house on the Lawrence campus.

In charge of plans for the formal party to which all Lawrence students are invited are John Beck, Sturgeon Bay, and Ronald Krause, Vernon.

A campus concert will provide the music while entertainers will be Col. Albert Ratz and Maj. and Mrs. Ray and Gallagher from the ROTC detachment.

Team members are left to right, Mrs. Eisele, Appleton, and Mrs. Richard Zwick, Neenah, Mrs. George Hoffman and Mrs. Henry Hackbarth, both of Appleton.

Your Problems

Ann Has Problem—She Requests Good Wishes, Not Money

BY ANN LANDERS

DEAR READERS: Here's a switch. Ann Landers has a problem. Can you help me?

For the past several months readers have been enclosing money with requests for a divorce. Of course when there's a name and address we return the money. But when there is no name and address, it creates a problem.

The advice offered through this column is a public service from your newspaper. Those of you who want personal help through the mails can obtain it without obligation by simply enclosing a self-addressed stamped envelope.

We appreciate the thoughts that accompany the dollars, dimes and quarters . . . but please we want only your good wishes.—ANN LANDERS

DEAR ANN LANDERS: I don't know if you play bridge but I think you can give me some advice whether or not you know the game.

My husband considers himself a card genius and I admit he's pretty good, but he's not infallible. The other evening we invited another couple in for bridge. They both are experts. My husband has a habit of overbidding his hand and I have to watch this. He made a reckless bid of six spades and all I said was

"either you're crazy or I'm blind." He gave me a look that almost blistered the paint off the wall and replied "Shut your mouth and play the hand."

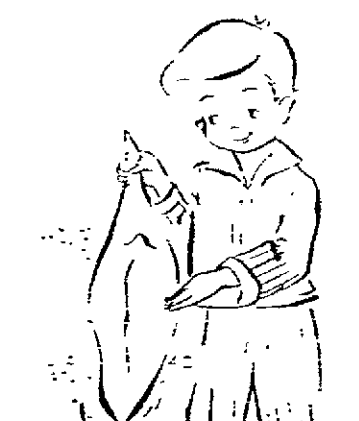

We didn't make it and he was furious. After they left he said "I'll never play cards with you again." I think I'm the one who should be mad, not him. What do you think?

—Slammed Grandly
Dear Slammed: Card fights produce an ideal atmosphere for all sorts of unrelated trouble. Fixing the blame solves nothing. There are 52 good reasons why you should not play cards with your husband. Throw in the deck permanently.

DEAR ANN: What's with this "companionship business"? If you have a spare moment will you enlighten me?

Mother's Helper

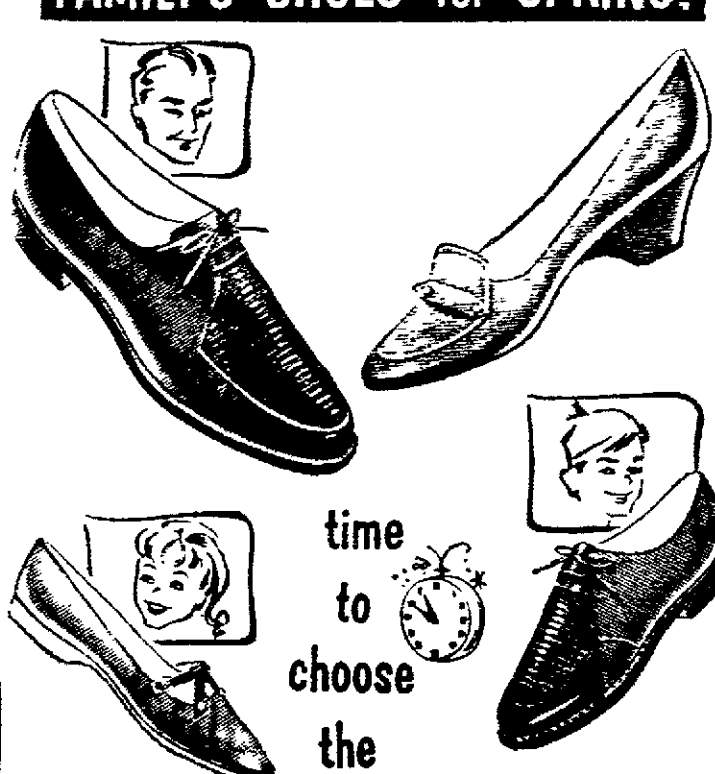

by Heimann & Pearson

Youngsters' beds are likely to take quite a beating, and could do with quick freshenings between washings. You can tumble them in your dryer for five or ten minutes and they'll come out plump again. Of course, their covers must be firmly sewed.

Culbertson on Bridge

By Ely Culbertson

In a match-point duplicate contest, it is dangerous for any vulnerable pair to sacrifice against a game contract reached by nonvulnerable opponents. Good play may be required to hold the ensuing penalty to just one trick — the largest set the sacrificing pair can afford to take, assuming, of course, that the "save" has been doubled.

West, dealer.

North-South vulnerable.

NORTH
S-A 7 4
H-J 9 3
D-10 9 5 3
C-A 8 7

WEST EAST
S-K J 5 S-6
H-A K 8 7 2 H-10 6 5 4
D-A D-7 8 4 2
C-J 10 9 8 C-K Q 4 2

SOUTH
S-Q 10 9 8 3 2
H-Q
D-K Q J 8
C-5 3

The bidding:

West North East South
1 H Pass 2 H 2 S
3 H 3 S 4 H 4 S
D'ble Pass Pass Pass

West, on lead against the four-spade contract, opened his king of hearts. (You can see that East-West could easily have made the four-heart contract. Therefore South's sacrifice bid would be a smart move if the penalty could be less than the East-West pair would have scored.)

When the opening lead led, West shifted to the ace of diamonds and followed with the jack of clubs.

South won the third trick with the club ace and immediately planned his play so as to prevent West from getting a diamond ruff. Instead of trying to get to his hand to lead a spade through West, he led the jack of hearts from dummy; and instead of trumping the trick, he discarded his remaining club on that card. Now West was back on lead with the ace of hearts and he could not get the lead to his partner. So he was never able to get a diamond ruff.

Declarer, at leisure, knocked out the trumps, giving West only one spade winner, and losing in all only one trump, two hearts, and one diamond, for an excellent save.

Postulant on Visit

Mr. and Mrs. Carl Reuter, route 1, Menasha, entertained 25 guests Easter Sunday evening in honor of their daughter, Susan, who is a postulant at Holy Family convent, Manitowoc. She is spending a 10-day visit at her home.

In Good Taste Gift Must Be Given In Return

BY EMILY POST
Dear Mrs. Post: I received a birthday present from a new friend. I was quite surprised when she came over and handed me a package. I happened to know that she has a birthday coming up very soon, and I would like to know if I have to give her a birthday present in return. I really don't want to add any more names to my gift list which is already too long, but would it seem cheap on my part not to give her a present in return on her birthday?

Answer: I am sorry but you are in a situation from which there is no escape—and you will have to give her a present. Before your birthday next year you can say to her, "Please let's not give each other birthday presents this year."

Writing Paper
Dear Mrs. Post: I am about to buy some new stationery. I have always used plain white paper with a monogram. I'm a little tired of this and would like a color for a change. Will you please tell me what colors are considered in best taste?

Answer: All blues and grays are in best taste.

Mrs. Minnie Smith to be Feted on 90th Birthday

Mrs. Minnie Smith, route 1, Hortonville, who will celebrate her 90th birthday anniversary Friday, will be the guest of honor at an open house from 2 to 4 p. m. Sunday at the Appleton First Methodist church. All friends and relatives have been invited.

The event is being given by her three children, Mrs. Earl Breitrick, route 1, Hortonville, Leonard Smith, Appleton, and L. C. Smith, Kaukauna.

Mrs. Smith was born in 1869 near Hamburg, Germany, and came to the United States when she was 3. Her family settled in Sun Prairie. She was married in 1891 and moved to Appleton, residing here until 1953, when she moved to the Breitrick home.

Mrs. Smith also has four grand grandchildren. She is in excellent health and enjoys gardening and occasional sewing.

Mrs. Smith is an avid Milwaukee Braves fan. She always has followed baseball and listens regularly to Braves games.

She also belongs to the First Methodist church and is a member of the Women's Society of Christian Service.

Mrs. Minnie Smith

Lawrence Alum, Architect, to Speak at College

A former officer of the Lawrence art association, now an architect, is returning to his alma mater to lecture for the same group on his profession. Harry Patterson, Jr., Lawrence '33, will speak on "Copy—Conformity—or Creation: The Problems of Architecture" at 3 p. m. Sunday in the Worcester art center. The program, which is open to the public, will be followed by discussion and refreshments.

Following his graduation from Lawrence, Patterson served two years in the army and then enrolled in the school of architecture at the University of Texas. He received his degree there in 1935 and was also awarded the first prize in the national Indiana limestone competition for a 3-story health clinic plan.

After graduation the Pattersons (his wife is the former Dorothy Rahr, '35) spent the summer in Europe studying its architecture, and then Harry began his present position with a firm in Milwaukee.

Early Detection Key in Cancer Cure

Drive Workers Hear About New Facilities in Disease Control

Cancer is curable if detected in its earliest stages. That was the theme of the kickoff meeting for workers of the Outagamie County Cancer society campaign Wednesday night at Jefferson school auditorium.

Panel members were Dr. Frank Wright, Dr. Paul Cunningham, Dr. William Chandler and Dr. Richard Clark. The panelists described two new research projects for the county and discussed various types of cancer symptoms.

New Facilities
Introduced by John Hayes, president of the cancer society, the doctors described a new cancer registry program for malignant tumors, with central files at St. Elizabeth hospital, and a cytology screening laboratory for slide viewing of cell samples at Appleton Memorial hospital.

"Kenosha, Racine, Milwaukee, Wausau and La Crosse, as well as Appleton, now have cytology screening laboratories," said Dr. Paul Cunningham, a state delegate to the American Cancer society. Dr. Cunningham said new methods of discovering abnormal cancer cells enable doctors to find an early cure for cancer.

Trained Individuals
"It takes a competent, trained individual to study the cell slides. Fifteen to 20 minutes are required for each slide.

Cancer Was Discussed by John Hayes, Dr. Paul Cunningham, seated, Dr. William Chandler, Dr. Richard Clark and Dr. Frank Wright, left to right, at a Wednesday night kickoff meeting of the Outagamie County Cancer society campaign, which opens Monday.

are state and national registries and one at St. Agnes hospital for Fond du Lac county which can outline local cancer problems.

Discuss Oral Cancer
The role of chronic irritation in oral cancer was discussed by panelist Dr. Richard Clark.

"The dentist," said Dr. Clark, "is in a position to recognize and correct many of the sources of chronic irritation by detecting various kinds of mouth irritation." Most common early symptom of oral cancer is an increase in the redness of mouth tissue which, if uncorrected, may lead to a breakdown of the surface tissue.

"This stage can progress to ulceration," said Dr. Clark, warning that frequent checkups are the best deterrent because of the early detection factor.

"Examinations are important because dentists are able to determine whether oral tissues will withstand irritation," Dr. Clark said.

Pain Not Always Symptom
Emphasizing the fact that pain is not generally a symptom of oral cancer, Dr. Clark noted the nerve supply of inner cheek tissue sometimes is not great. Injury may be extended over a period of time without sufficient pain to attract attention to it.

Cancer research has been augmented by the American Cancer society, which provides fellowships and grants in aid for dentists at dental schools, where their training and experience will be used in education of a new generation of dentists.

All of the panelists agreed that cancer can best be cured by early detection and urged citizens to have periodic checkups.

John Hayes, moderator, pointed out that contributions are used for national research, local service and an educational program.

Explaining the seven most common symptoms, a movie, "The Other City," listed unusual bleeding, difficulty in swallowing, persistent cough, moles, changes in bowel habits, unhealed sores, and a small lump in the breast—as things that might indicate cancer.

Goal for the county drive this year has been set at \$16,649. Last year, the county unit took in \$15,552.93.

The drive opens April 6 and ends April 21.

New York Area Blanketed by Heavy Fog

One Dead, 9 Hurt As Tornadoes Hit Two Florida Towns

By the Associated Press

A heavy crippling fog blanketed the New York area for the second day today, while tornadoes struck two communities in Florida.

The high winds killed one person, injured at least nine others and caused damage estimated at more than a million dollars.

At least two lives were lost as a result of the fog blanket in New York, many airliner flights were canceled, and the near-zero visibility anchored the liner Queen Mary—the world's largest—near the exit to New York harbor. Idlewild airport was shut down tight overnight and La Guardia's business was limited to the takeoff of eight planes.

Continue Work on Plan, Mayor Told

Mitchell Tells Council He Hopes Objections Can be Compromised

The city council Wednesday informally gave Mayor Mitchell the go-ahead to continue any negotiations which would lead to Appleton participation in development of a regional master plan.

Mitchell told councilmen he has hopes regional planning is not dead, that there is room for compromise of the council's objections to the proposal of Metropolitan Planners Inc.

Both he and Director of Public Works Duszynski, if the council wants, stand ready to meet anybody, anytime to discuss a master plan, he said.

Procedure Unclear
It was not clear how the question of Appleton participation in a regional plan would be reopened, but an Appleton Chamber of Commerce is understood to be working on the problem and former State Sen Gordon A. Bubolz says he intends to form a citizens' committee shortly to back the regional concept.

There ought to be room for compromise, it was said at the informal council session because the key city objection about lack of a charge-

back method for strictly local planning is nearly in agreement with ideas advanced by Regional Planner Clarence A. Hammond and Henry Ford, state director of regional planning.

A method of procedure is suggested by Regional Commission Chairman Charles W. Wood in one of three letters sent Mitchell since the regional commission tabled Appleton's counter-proposal.

He suggests the city bring together Ford, Hammond, Duszynski and Kenneth Schellie, of Metropolitan Planners, and then invite Schellie to meet with the city council.

Not Commission Problem
The problem of Appleton participation in the regional plan is no longer the regional commission's worry, since the commission fulfilled its duty when it obtained approval of the Metropolitan proposal by all members except two, Wood believes.

"I believe," Wood says, "that the technical differences which have been pointed out should be resolved first, if possible, between the parties involved, namely, Metropolitan Planners, Inc. and the Appleton planning commission."

Wood also says it is his opinion "that we, commission members and Appleton representatives, have not handled the differences of opinion in a manner beneficial to the harmony of our organization."

John S. Oliver, 616 N. Sampson, a weaver at the Wisconsin Wire Works for 45 years, was honored Tuesday afternoon at retirement ceremonies. He and his wife will travel in the south. Honoring Oliver, third from left, are left to right, John Tornow and LeRoy Reinke, representing employees, and James E. Watson, president and general manager.

Today's Deaths

Herman Janssen

Herman Janssen, 56, of 1917 S. Jefferson street, died in Appleton at 9:40 a.m. today after a long illness.

He was a music teacher and organist in Appleton Catholic churches for many years. He was born March 27, 1903, at Combined Locks.

Funeral services will be at 10 a.m. Saturday at Sacred Heart Catholic church. Burial will be in St. Joseph cemetery. Rosary will be recited at the Ellenbecker Funeral home at 8 p.m. Friday, where friends may call after 2 p.m. Friday.

He is survived by his widow, two daughters, Kay and Mary, at home, two sons, David and Daniel, at home, two brothers, Sylvester and Harold, both of Little Chute, three half-brothers, Marvin, Phoenix, Ariz., Charles Combined Locks, and Norman, Coatsville, N. J., one sister, Mrs. Kate Lamers, Little Chute, and two half-sisters, Mrs. Robert Schulz, Beaver Dam, and Mrs. John Elsted, Horicon.

Mrs. Mary Schlude

Mrs. Mary Schlude, 89, of 316 Whitney street Kaukauna, died at 6:30 p.m. Wednesday in Kaukauna after a long illness.

She was one of the oldest residents of the Kaukauna area born in Hollandtown Aug. 7, 1869.

Funeral services will be at 9 a.m. at St. Mary's Catholic church Kaukauna. Burial will be in Holy Cross cemetery. Kaukauna Rosary will be recited at 8 p.m. Friday at the Greenwood Funeral home Kaukauna where friends may call after 2 p.m. Friday until the funeral.

She is survived by four daughters, Mrs. William Kiebelkorn, and Mrs. William Geschel, both Beaver Dam; Mrs. Wenzel Sommers Appleton; Mrs. Lester Brenzel Kaukauna; three sisters, Mrs. Anna Brochtrup Kaukauna, Mrs. Minnie Tieslitz Milwaukee, and Mrs. Bardine Bemler Lockport Ill.; 12 grandchildren and 13 great-grandchildren.

William H. Schroeder

William H. Schroeder 88 of 913 Boyd avenue Kaukauna died at 1:15 p.m. Wednesday after a short illness.

He was born Jan. 25, 1871, in Germany and came to Appleton when he was 11 years old. He has lived in the Appleton area since.

Funeral services will be at 2 p.m. Saturday at the Valley Funeral home with the Rev. John Seider, S. J., of St. John's Evangelical and Reformed church in charge. Burial will be in Highland Memorial park. Friends may call at the funeral home after Friday noon until the services.

He is survived by one daughter, Mrs. Valer Beyer Appleton; one son, Arthur M. Schroeder, 202 E. College.

Farmers Probably Will Win Water Conflict

BY JOHN WYNGAARD
Post-Crescent Staff Writer

Madison — Farm interests will probably again beat down the recreational water use interest in the perennial and increasingly bitter struggle about the diversion of water from lakes and streams.

Test votes in the state senate this week have shown that the margin of victory for the farmers may be a thin one, but that the Wisconsin Farm Bureau federation and others will win the drive for irrigation legislation favorable to potato growers, strawberry producers and others.

Temporary Statute
The early tests come on a federation-backed bill that would continue a temporary irrigation statute adopted two years ago after a stiff battle on the floor of the legislature.

Under the law, the public service commission has been issuing permits to farmers for the diversion of stated volumes of water, when the water is found to be "surplus," and other water when people who live along down-stream waters do not object to such diversion.

The provision about down-stream residents may be deleted, but preliminary maneuvering indicates that the ir-

Creek; six grandchildren and eight great-grandchildren.

William G. Persohn

William G. Persohn, 87, Brillion died this morning at Brillion after a short illness. He was born Oct. 22, 1871, in Brillion.

Funeral arrangements are being made at the Wieting Funeral home, Brillion.

Survivors include one brother, Robert, Brillion; three sisters, Mrs. Emma Freitag, state of Washington, Mrs. Ida Reinhardt, Brillion, and Mrs. Orrin Leverenz, New Holstein; two grandchildren and three great-grandchildren.

TRAFFIC TOLL in Outagamie County since Jan. 1

	1958	1959

INJURED	78	135
KILLED	2	11

rigation statute will be continued.

Such diversion would be permitted only for farmers who own land along the water, but they could also use the water on lands contiguous to such parcels.

The conservation and sports interests, meanwhile, continue with an organized pressure campaign that exceeds all previous efforts. Petitions by the dozens are raining down upon legislators.

Typical of the dilemma of some of the upper and central Wisconsin legislators was the experience this week of Sen. Gerald Lorge of Outagamie and Waupaca counties.

On the same day Lorge received a petition from 260 residents of Waupaca county favoring legislation to prohibit irrigation and another by 342 residents favoring irrigation.

The legislature has not yet taken up a bundle of compromise water use bills drafted by an interim committee of citizens and legislators under mandate of the legislature two years ago.

Oshkosh Man Pays \$100

Carlyle Gauger, 20, Found Guilty of Drunken Driving

Oshkosh — Carlyle Gauger, 20, 721 Vine street Oshkosh, pleaded no contest and was adjudged guilty of drunken driving by Judge S. J. Luchinger in municipal court Wednesday afternoon.

Gauger was fined \$100. His driver's license was revoked for one year.

He was arrested the morning of March 14 after his car struck a parked car and sideswiped another vehicle on the Wisconsin street bridge, police said.

Permits to Remodel Two College Avenue Buildings Granted

Permits to remodel Courtland Jewellers and Schintz Revell Drug stores have been issued by Building Inspector Walter Bogan.

New windows and showcases are being installed at the jewelry store 115 E. College avenue for an estimated \$1,500.

The ceiling above the prescription counter at the drug store 601 W. College is being lowered and the interior renovated for an estimated cost of \$3,000.

Camera Club Meeting

Members of the Appleton Camera club will judge a black and white and colored slides contest at 7:30 p.m. today at the Appleton Public library.

Mother of Editor Dies

Mrs. Bertha Minahan Succumbs at 74; Funeral to be Friday

DePere — Mrs. Bertha B. Minahan, 74, mother of Victor I. Minahan, Jr., editor and treasurer of the Appleton Post-Crescent, died at her home in DePere at 8:20 p.m. Wednesday. She had been ill for seven months.

She was the widow of Victor I. Minahan, Sr., who before his death in 1954, was editor of the Post-Crescent and of the Green Bay Press-Gazette. He also was vice president of the Post-Crescent and president of the Press-Gazette at the time of his death.

Friends may call at the Schauer and Schumacher Funeral home, Green Bay, after 3 p.m. today.

Funeral services will be held at her home, 823 N. Broadway, DePere, at 2 p.m. Friday with the Rev. Henry Brendemuhl, pastor of Christ Episcopal church, Green Bay, in charge. Burial will be in Greenwood cemetery, DePere.

Memorial contributions may be made to the American Red Cross or the Green Bay Curative Workshop.

Mrs. Minahan, the former Bertha Bush, was born near Battle Creek, Mich., April 16, 1884, and was graduated from Battle Creek High school and Mount Vernon Seminary in Washington, D. C. She was a resident of DePere since 1919 shortly after her marriage to Mr. Minahan.

She was active in welfare, church and civic organizations.

Survivors besides Mr. Minahan, Jr., are another son, John B. Tornus, managing editor of the Press-Gazette; a daughter, Mrs. John M. Walter, DePere, a member of the editorial board of the two newspapers; one brother, Charles S. Bush, Battle Creek, Mich.; and 16 grandchildren.

Retailers' Unit To Consider Fox Ball Club Night

Appleton Downtown Retail association Wednesday appointed a committee to investigate the possibility of sponsoring a merchant's booster night for the Fox Cities Baseball club.

The club asked the association to sponsor a night similar to one last summer, when merchants donated prizes for spectators. The committee will meet with club representatives to consider the plans.

Frank Jenkins, local civil defense official discussed civil defense as it relates to retailers.

19,281 Registered For Tuesday Vote

There are 19,281 voters registered for Tuesday city election balloting. City Clerk Broehm announced today. This compares to 20,044 eli-

News Show Postpones 'Come Softly' 'Lawless Years' Debut

Milton Berle, Althea Gibson Hosts
For 'Person to Person' Friday Night

A special study of the "Road to the Summit" tonight on WFRV-TV will force postponement of the premiere of "The Lawless Years" to Thursday night, April 16.

Ordinarily, you could expect the premiere to come off next week in the 7 p.m. time period, but next week's spot has been set aside for another of the delightful Bell Telephone music shows.

Tonight's summit study by NBC-TV News is one of those rare events: A half hour discussion of an important world event—in a prime viewing hour.

It's also somewhat unique in that it will be timely, President Eisenhower having earlier today commemorated the 10th anniversary of NATO and foreign ministers of NATO countries having convened Tuesday in Washington.

Jingo has no idea how many viewers will ignore the discussion for "December Bride" and "Zorro," the shows on the other stations.

Here and Now: Milton Berle and Althea Gibson, the tennis champ, are Friday's "Person to Person" subjects. . . . Tonight's "Playhouse 90" is the one which deals with un-wed mothers.

James Shigeta — the Dinah Shore all — Japan think did wonders for him — and Michi Kobi co-star in tonight's "Oldsmobile Theater," the new musical drama series on WBAY-TV. . . . One of the most remarkable gunfights of the old west is recreated in Disney's "Ellego Baca" Friday night. Baca single-handedly stands up to 80 cowboys and 4,000 bullets in a 33-hour battle.

Pat Boone has Teresa Brewer and the Dukes of Dixieland booked for tonight. . . . George Brent plays an aging tyrant pursuing his runaway wife in the Rawhide story Friday night. . . . A relentless search for the girl of his dreams brings John Cassavetes to a blonde bombshell nightclub singer in Friday night's "Lux Playhouse" tale. . . . Edward G. Robinson works with his son, Edward, Jr., for the first time in the Zane Grey story tonight. . . . Sports fans won't want to miss Columnist Jimmy Cannon's visit with Jack Paar Friday night.

Ahead: It's official. Louisiana State against Rice in NBC-TV's first football game on the '59 season Sept. 19. Ten national and three regional telecasts of games are planned in all. . . . "Continental Classroom," the early morning national college, starts a series of 43 lessons in nuclear physics Monday Saturday, and \$8.60 the rest of the week. The top rate for amateurs from their Sunday musicals now is \$8.05.

Ethel Merman Show Ups Ticket Prices

New York — The spiral Broadway ticket prices loops higher with arrival of the new Ethel Merman show, "Gypsy." The scale is to be \$9.40 for orchestra seats on Friday and Saturday, and \$8.60 the rest of the week. The top rate for amateurs from their Sunday musicals now is \$8.05.

'Come Softly To Me' Tops For 2nd Week

Record Enthusiasts In Fox Cities Like Fleetwoods' Tune

BY DICK DISC
"Come Softly to Me" by the Fleetwoods continues to make a big noise in the Fox Cities as it reigns in the top spot for the second week in a row. "Tragedy," a tune that's been around for a long time, is in runner-up position this week.

"Three Stars," the record that dedicates its lyrics to the memory of three rock and roll record stars that were killed in a recent plane crash, moves up to third place.

There are no new top tunes this week.

The top 10 are:

1. "Come Softly to Me" by the Fleetwoods.
2. "Tragedy" by Thomas Wayne.
3. "Three Stars" by Tommy Dee.
4. "Pink Shoelaces" by Dottie Stevens.
5. "Venus" by Frankie Avalon.
6. "Charlie Brown" by the Coasters.
7. "I Need Your Love Tonight" by Elvis Presley.
8. "Never Be Anyone Else But You" by Rick Nelson.
9. "Guitar Boogie Shuffle" by the Virtues.
10. "It Doesn't Matter Any More" by Buddy Holly.

Nationwide, Billboard reports that "Venus" is No. 1 and "Come Softly to Me" is in second place.

Ten years ago "Red Roses for a Blue Lady" was a top tune and five years ago folks were humming "Cross Over the Bridge."

New tunes this week include:

"Goodbye, Jimmy Goodbye" by Kathy Linden. This pretty folk type ballad is sung very sweetly. Utilizing the double voice technique, the tune comes across quite well. Light music and choral backing add much to this song.

"The Beat" by the Rocking R's is an instrumental with strong guitar effects. It features a mild and not wild rocking sound good for all ages. Seems rocking enough for teens, yet mellow enough for oldsters. As the name implies, it's got "the beat."

In the new album spotlight, "Pat Suzuki's Broadway '59" with Pat Suzuki. The attractive star of "Flower Drum Song" has some good listening here with an album of tunes from top Broadway shows. Featured here are numbers from her own show, "My Fair Lady," "The Music Man," "West Point Story," and others.

Philadelphia Tenor Scores Operatic Success in Britain

London — Leonard Del Ferro, a 200 - pound tenor from Philadelphia, has scored a two operatic success in Britain.

He appeared with the Royal Opera company on tour as Rhadames in Verdi's "Aida." The music critic of the Manchester Guardian wrote: "A splendid discovery who combines a heroic size of tenor voice with the sweetness of an lyric tenor and an easy natural musicality. . . a moving Isepp heard him and recommended him to Columbia performance."

Sings With Callas
A few days later he got an invitation to make a recording of "Lucia di Lammermoor" with Maria Callas. He learned the role of Arturo in less than a day.

Del Ferro's manager, John Coast, says the singer has opportunities ahead for operatic appearances in Holland, Vienna, Cologne and Rome.

"I used to listen to Caruso records as a youngster," Del Ferro, who is 39, recalls. "I had a feeling for opera but I just didn't know what was stirring inside me."

Then one day he put popular music on the shelf, won a scholarship to the Academy of Vocal Arts in Philadelphia and "entered a new world."

"Everyone had told me I should study opera," he explained. "I followed 'everybody's' advice."

One night he sang at a New concert given by the English woman named Helen Maures College of Music. An English woman named Helen Isepp heard him and recommended him to Columbia Artists.

Del Ferro was sent to Europe for further training and operatic appearances.

"I need much hard work still," says Del Ferro. "But I have a driving urge inside me to become a great success in opera and that's just what I plan to be."

POST CRESCENT News of the Twin Cities Menasha - Neenah

Post-Crescent Photo

Congressional Action Committee members questioned Rep. William K. Van Pelt of the sixth district center, at a breakfast meeting at the Valley Inn this morning on subjects from farm problems to labor and the Berlin crisis. Left to right are Donald C. Shepard, Jr., co-chairman of the Neenah-Menasha Chamber of Commerce committee; Van Pelt; and Dr. E. A. Strakosch, chairman of the Oshkosh Chamber's committee.

Back Ike's Strong Stand

Russia Ringed, Van Pelt Tells Congressional Action Group

Neenah — Russia is ringed with stuff we haven't publicized much, Rep. William K. Van Pelt, Republican congressman from the Sixth district, told the congressional action committee of the Neenah-Menasha Chamber of Commerce at a breakfast meeting at the Valley Inn this morning.

Van Pelt was on the receiving end of a barrage of questions, ranging from the soil bank to the Berlin crisis and from labor legislation to taxes. A member of the new science and astronautics committee, Van Pelt thought Russia was using the Berlin crisis to keep its people buoyed up under a threat of war. He endorsed the strong stand taken by President Eisenhower and thought Russia was trying to see how far this country would go.

He did not think Berlin would turn out to be another Munich, he replied to one questioner.

Scores Withholding Tax. While speaking on taxation, the Fond du Lac congressman said he hoped the state could stay away from the withholding tax. "Many individuals do not know what they are contributing to the cost of government as they never see it. It takes away the understanding of government costs such as they got when they have to dig down into their pockets to pay \$500 for taxes. Then they take a look at government."

The telephone excise tax, enacted during World War II, should be repealed, he thought, "but what are you going to substitute for it? It is easy to continue an emergency tax," Van Pelt remarked.

He said a majority of the house members were "betrodden to Walter Reuther and his groups" but he did not think the congress was anti-business, as some questioners wondered as they cited various bills proposed.

Van Pelt thought there would be some kind of labor legislation passed by congress in its first session but "I do not know if we can put in the safeguards we might like to see." He said he would go along with the President's recommendations.

The legislation passed might be just a glossing over, he agreed, saying it was doubtful if it would accomplish any constructive purpose to correct things brought out by the McClellan committee.

"What about this Proxmire fight with Johnson (Lyndon Johnson, Democratic majority leader in the senate)?" one person asked.

More State Controls. Many in Washington regard it as a joke, he replied. "If you are going to kill the king, you have to do it with the first blow."

He urged keeping more of the controls, such as in unemployment.

Mayor Names New Man on County Board

Raymond Gischia To Fill Vacancy From Sixth Ward

Neenah — Raymond Gischia, 349 Zemlock avenue, was appointed by Mayor Bell Wednesday night to the Winnebago county board as supervisor from the Sixth ward.

He succeeds Glen J. Christianson who has moved out of the ward. Gischia will fill out the year remaining in the term.

A veteran of World War II with service in the European theater, Gischia has been a resident of Neenah for the last 13 years. He is employed at the Neenah mill of Kimberly-Clark corporation and for three years has been a steward for Local 482 of the International Brotherhood of Pulp, Sulphite and Paper Mill Workers union.

He is 32 years old, married, and has one daughter. The county board post is the first public office he has held. He is a graduate of the Kingsford Mich., high school.

Appeals Board

Appointment of Fred Krenger to the board of appeals to fill the vacancy caused by the resignation last week of Melvin Mace also was announced at a breakfast meeting at the Valley Inn this morning.

Both appointments were confirmed by the council.

Neenah Council Okays \$350,000 Bond Issue

Money to Finance New Police Station, Water Main Extension to Northwest Area

Neenah — Floating a \$350,000 bond issue to finance the new police station and the water main extension to serve the northwest part of the city was approved by the council Wednesday night.

The bond issue will provide \$200,000 for the police station and \$150,000 for the water main extension. The new issue will hike the city's bonded indebtedness to \$3,852,000.

The city will retire \$20,000 a year in its bonds from 1960 to 1974 and then \$10,000 a year from 1975 to 1979.

Assessments set by the council after a hearing on proposed sewer and water installations and street grading and graveling in certain areas were:

Special Assessments
Sterling and Greenfield streets: \$2 a foot for sanitary sewer, \$70 for sewer laterals, \$2.90 a foot for water main, \$50 for water taps and \$2 a foot for grading and graveling.

S. Park avenue for property in Glenayre park and Glenayre Meadows: \$3.50 a foot for sanitary sewer, \$100 for sewer lateral, \$4.00 a foot for water main and \$50 for water taps.

Baldwin street: \$4.15 per foot for sanitary sewer on the east side, \$2.55 a foot for water main, \$50 for water taps.

Bids for stone and chips for the sewer and water main installations and road oil are to be sought and the council approved purchase of two used graders for snow removal work. One of the plows will cost \$1,350 and the other \$450.

SOFT PLASTIC IMITATION FLOWERS

- Jonquils
- Carnations
- Lillies of the Valley
- Split Philodendron
- Roses and Iris
- Tall Regal Lillies

We just unpacked a shipment of these beautiful Fadeproof - Washable imitation flowers. You actually have to feel them to tell they are not real. So Reasonably Priced Too! Carnations and Roses are scented so life like you can't tell the difference. See our large display.

Menasha Bank Head Retires

George Banta, Jr., Named President, Board Chairman

Menasha — A 59-year banking career came to an end Wednesday with the retirement of T. D. Spalding, president of First National bank since 1947.

Spalding, named a vice president of the bank and vice chairman of the board of directors, is succeeded by George Banta, Jr., president of George Banta company, Menasha. Banta also becomes chairman of the board of directors.

The retiring banker was honored Wednesday night by the board of directors at a testimonial dinner at North Shore Golf club. He was presented with a remembrance gift.

Spalding, who came to the Menasha bank in 1933 from the old American National bank of Marshfield, was honored in June 1950, when he completed his 50th year in the banking business.

He began at age 14 as a messenger for Commercial National bank of Oshkosh. Spalding rose to a teller's post at the Oshkosh bank and left in 1911 for the Marshfield bank where he became cashier when he was 24.

After 22 years in Marshfield Spalding came to the Menasha bank, shortly before the 1933 "Bank Holiday" of New Deal days.

Spalding is a former treasurer of the Wisconsin Bankers' association, of which he is a 50-year member.

The board of directors made one other personnel change Wednesday — promotion of Mrs. Barbara M. Ciske to the post of auditor.

Other executive personnel are unchanged. K. C. Kimball is executive vice president; A. F. Landig is cashier; and Milton C. Malchow is assistant cashier.

Post-Crescent Photo

T. D. Spalding, Right, Was honored Wednesday night on his retirement as president of Menasha's First National bank. With Spalding is George Banta, Jr., chairman of the bank's board of directors and newly elected president of the bank. Banta, president of George Banta company, was in charge of the program held at North Shore Golf club in honor of the retiring banker, associated with the local bank 25 years.

Tree Planting and Garden Projects were discussed at two separate meetings for 4-H members and leaders at the Winneconne Central school Tuesday night. Ron Herman, extreme left, Appleton, district forester for the State Conservation department, showed movies to, left to right, Amos Ihde, Paul Tyrivier and Jim Sauer in the upper picture. Mrs. Arnold Ellis, left, and Marie Shepherd, center, received garden project information from County Agent Vernon W. Peroutky above.

Neenah Resumes Garbage Pickup Behind Houses

Council Votes 7 to 3 Against Continuing Curbside Collection

Neenah — Garbage will be picked up from behind the houses starting Monday, the council decided by a 7 to 3 vote Wednesday night. In so

Dinius Hedberg council decided by a 7 to 3 vote Wednesday night. In so

voting, the aldermen turned down a proposal by the street and sanitation committee to continue the snow emergency rule of curb pickup of garbage for another six months.

Favoring the trial period for curb pickup were Ald. James Dinius, committee chairman, Leonard Hedberg and Harold Young.

The problem resolved itself into esthetics versus economy. Many residents thought garbage cans along the curb several days a week would be unsightly while others pointed out \$8,000 savings were not to be taken lightly. That amount could be saved each year if garbage were picked up on the curb instead of behind the

Young Fara houses. Larger crews are needed for pickup behind the homes.

Residents who prefer not having garbage crews go through their lawns or behind their homes may place their garbage on the curb along with their burnable rubbish, which still must be placed on

Turn to Page 2, Col. 6

Red Cross Drive Falls Short of Goal

Menasha — Receipts in the Menasha Red Cross chapter fund drive currently stand at \$7,059, approximately 70 per cent of the \$10,166 goal, chapter officials announced today.

Last year the collection totaled \$7,776, falling about \$1,800 short of the quota.

Directors of the chapter are to meet this afternoon and probably will extend the drive period which normally runs through March. Officials appealed to any one who hasn't been reached in the campaign to make a donation immediately. Donations may be mailed to the Red Cross office in the Menasha post office building.

Contributions have fallen off in all divisions of the campaign when the chapter is faced with an increased budget.

Twin City Deaths

Mrs. Elizabeth Becker

Oshkosh — Mrs. Elizabeth A. Becker, 81, of 832 Prospect street, died at 1:30 this morning after a lingering illness. She was born March 14, 1874, in the town of Friendship, Fond du Lac county, and formerly lived on a farm near Larsen.

Funeral services will be held at 2:30 p.m. Saturday at the Mallory-Seefeld Funeral home with the Rev. T. Leonard Elde, pastor of the First Methodist church, officiating. Burial will be in the Riverside cemetery.

Friends may call at the funeral home after 4 p.m. Friday. Survivors include a son, Ralph, Oshkosh; two daughters, Mrs. Lydia Miller, Larsen, and Mrs. William R. Archer, Milwaukee; and five grandchildren.

Mid-East Units Urge Schedule Clearing Plan

Seek to Avoid Activity Conflict In State Action

New London — Two committees of the Mid-Eastern conference Wednesday afternoon suggested a central state-wide clearing committee for extra-curricular activities such as sports, music, speech events and teachers. The suggestion was made by the forensic and the principals' committees which pointed out that a state-wide clearing committee would be able to help avoid conflicting schedules.

on how to accomplish the state-wide scheduling. The forensics committee reported that the 1960 conference debate tournament will be held at Two Rivers. The committee also urged the moving forward of all speech activities by two weeks in the spring to avoid conflicts with other activities. The principals' committee reported that all girls wearing shorts will be barred from attending conference athletic activities. The committee reported that slacks will be allowed for athletic activities but not for social functions such as dances. It was reported Kaukauna was the conference forensic trophy winner.

Russia Ringed, Van Pelt Tells Chamber Unit

CONTINUED FROM PAGE 1

Van Pelt said there were some in congress who would give in to pressure groups and give them handouts from the treasury, whether it be for airport aid or other requests. The only thing cut back in the nine years he was in congress was the Reconstruction Finance corporation, he mentioned.

The demands originate here at home, he stressed to the chamber of commerce committee, and it depends on how far you want to go. "We never can attempt to cut back as long as heads of municipalities keep coming to Washington for aid."

In discussing the farm problems, Van Pelt said there was one Winnebago county farmer who could not grow feed for his cattle without having to pay a penalty to the government. He thought the soil bank would continue several more years.

Soil Bank Many farmers would like to end the federal controls and get on to a free market. He mentioned there is no control over acres taken out of cotton planting which are now being used to compete against our northern dairy farmers.

One committee member mentioned a Winnebago county case where a farmer was being paid by the federal government to have his land in the soil bank and by the state conservation department for the use of this same land as a migrating area for ducks.

Another questioner in protesting federal milk marketing orders cited that 50 percent of his firm's production had to be shipped to Chicago, even though not needed in Chicago in some months, piped through a plant there and brought back here for distribution.

"That's why the cost of milk is high. The only one profiting by that is the trucker," he argued.

Employment Tests

Winnebago — Leslie Wildes of the Wisconsin State Employment service is giving tests to high school seniors who wish to find employment after graduation in June.

Coenen Urges Truck Route Plan in Neenah

Request for Hearing On W. Cecil Street Load Limit Loses

Neenah — Establishment of a through truck route and a secondary truck route was

Coenen Miller

proposed to the council Wednesday night by Ald. Carl Coenen of the Sixth ward.

Coenen's request for a hearing on setting a 6,000 pound load limit for W. Cecil street between Highway 41 and Harrison street failed by a 3 to 7 vote. He was supported in this request by Ald. Peter Fara and Kenneth Parman.

Ald. Leonard Hedberg, public protection committee chairman, reported a majority of that committee was recommending a hearing on a load limit for that section of Cecil street but Ald. Ewald Miller replied the matter had been referred to the plans and commission and the council should wait until it had an answer from that group.

Ald. James Dinius added the council members were sympathetic with the problem but that more information and several alternate courses of action were needed first.

A hearing at this time would not accomplish enough, Ald. Warren Sanders commented as he suggested using Marathon street and Harrison street south of Cecil street as a possible truck route.

Ald. Coenen said the people were afraid the matter might die in committee. The mayor advised that he doubted if the council could forbid the use of a city street by a vehicle over a certain weight if it had cargo to deliver to someone on that street.

Proposed Routes

The proposed truck route plan of Coenen was referred to the plans commission. His plan set up Highway 114 along Winnebago avenue and then from there along S and N Commercial streets as a through truck route.

Designated as secondary truck routes were the present Highway 41 Harrison street from its Highway 41 intersection north to Winnebago avenue, Union street from Winnebago avenue to Main street, Tyler and Jackson streets between Harrison and Henry streets, Marathon street from Harrison street to Byrd avenue and eventually opened up to Highway 41 on the west and County Trunk A on the east.

W. Cecil street from Harrison street to S Commercial street, S Commercial street from the city limits to Winnebago avenue, Henry street from the Chicago and North Western Tracks to Winnebago avenue, N Lake street and N Western avenue from Main street north to the city limits, Doty avenue from Main street

to Walnut street, Canal street from Church street to Walnut street, Walnut street from Doty to the Fox river, Forest avenue from River street east to First street, First street from Forest avenue to Nicolet boulevard;

Hewitt Street Hewitt street from First street to N. Commercial street, Kewanna street from Forest avenue to N. Commercial street, Abby avenue from Clybourne street west, Clybourne street from N. Commercial to Abby avenue and Nicolet boulevard from N. Commercial to Third street.

Designating such streets as secondary truck routes should take care of the industrial and commercial places in the city and also should eliminate some right and left turns in the downtown district, Coenen suggested.

Winchester Church Joins Area Project

Evangelism Mission Of Lutheran Groups Planned for April

Winchester — Grace Lutheran church here is among eight Lutheran congregations in the area taking part in the Lutheran Evangelism mission which will be climaxed later this month.

The other area churches include Our Savior's, Hitterdal, Northland, New Hope and South New Hope, all of the Iowa area, and the Scandinavian and Farmington Lutheran churches, all of the National Lutheran council.

The mission project, in which 102 congregations are joining hands, will reach its climax April 19 to 23 with guest speakers or "missioners" from distant points appearing in each of the 102 churches for all five nights.

More than 500 persons are expected to gather at Trinity Lutheran church at Merrill Sunday to map final plans for the hometown mission effort. Committee representatives from all participating Missouri synod churches and publicity chairmen from the National Lutheran council churches will attend the planning session.

Marathon of Canada to Spend \$1 1/4 Million

Neenah — Expenditure of \$1,250,000 during 1959 to manufacture white bleached pulp is being undertaken by Marathon corporation of Canada Ltd., at its Marathon, Ontario, plant.

Included will be construction of a bleaching plant at a cost of \$1 million and expenditure of \$250,000 for installation of pumps and replacing other equipment. Completion of the project will result in a new process using chlorine dioxide as a bleaching agent.

The pulp is shipped to other Marathon plants throughout the United States, including Oswego, N.Y., and Menominee, Mich. Little, if any, is used by the paper machine at the Canal street plant in Neenah, the only Marathon paper manufacturing machine in the Twin Cities. Some of the pulp also is sold on the open market.

Arnold Sorensen Named President Of Sewage Group

Neenah — Arnold Sorensen, 315 W. Forest avenue, superintendent of the Neenah-Menasha sewage disposal plant, was elected president of the conference of Wisconsin sewage work operators at a meeting Tuesday at Madison.

Other officers are Roger P. Scovill, Madison, vice president; C. W. Bogenhagen, Fond du Lac, secretary-treasurer; and Vern Zingsheim, South Milwaukee, Lloyd Owens, Eau Claire, and Lyle Landvatter, West Bend, directors.

Members of the organization are attending the 16th Wisconsin sewage works operators short course sponsored by the League of Wisconsin Municipalities with the Wisconsin state laboratory of hygiene, the university of Wisconsin and the Wisconsin state board of health cooperating in the presentation of the course material. About 167 are attending.

Elimination Spelling Contests Being Held

Winnebago — Elimination contests in spelling are being held throughout the Winnebago Community School district.

At the final contest, the grade school champion, from fourth to sixth grade, will be named.

The junior high school champion will represent the district April 18 at the Winnebago county contest at Oshkosh.

Open House Friday At Winnebago School

Winnebago — Open house will be held at Central school and its annex from 7 to 10 p.m. Friday.

No formal program is planned, but teachers from the elementary departments, including those from branch schools and from the high school will confer with parents.

High school teachers will be stationed in the gymnasium and grade teachers will be in their assigned rooms. Refreshments will be served.

Sunday Sermon

Allenville — The Rev. Perry Britton's sermon topic for Sunday will be "Benefits of His Resurrection." Sunday worship is at 10:45 a.m. and Sunday school at 9:30.

Neenah to Pick Up Garbage at Rear of Houses

CONTINUED FROM PAGE 1

the curbs. Non-combustible rubbish, collected on alternate Wednesdays, also must be placed at the curb.

Beauty vs. Economy

Almost each alderman recalled conversations with residents of their wards and some said they had changed their minds from their original economy-minded thoughts.

Ald. Dinius, in proposing the continuation of curb pickup, said he realized it was a hardship for housewives but that the council must make any savings it can. As for littering the street, it means just adding one more can to the curb which now contains the burnable waste paper cans.

Ald. Peter Fara said he received many calls on both sides and would prefer holding over any decision to a later meeting. He wondered about a once-a-week pickup as a means of economy.

"Our obligation is to the taxpayers to economize where we can," Ald. Hedberg remarked. "The most valid objection is the hardship on older persons."

Ald. Paul Hansen favored

Hansen Sanders

returning to the former method but pointed out the discussion should bring home to the people that "the cost of government is composed of a whole lot of little costs. To reduce the cost of government and taxes would be at the expense of losing services the

Mothers Club to Hold Supper Event

Menasha — St. Mary Band and Chorus Mothers club will hold a ham supper, to be followed by cards, at 6 p.m. Monday in the school cafeteria.

A food shower for the School Sisters of Notre Dame will be held in conjunction with the supper.

people are accustomed to and like."

Ald. Warren Sanders recalled the same problem was considered in 1953 when garbage was to be placed at the curb in the summer because of a manpower shortage. Later when the council was able to secure garbage crews but decided to continue the curb pickup plan, the people objected and the council had to reverse its action. Many people move into the city to get such services, he commented.

Considered Alternates

Ald. Dinius continued that the committee had considered several alternates, including a one collection a week plan but that it doubted if this would yield any great economy.

Mayor Bell reviewed some of the letters he had received and suggested a shorter trial period to let the committee explore further the matter and possible other economies. "Garbage cans don't smell worse behind the house than on the curb. The only way we

got down to a \$3 increase was by cutting out many \$500, \$1,000 and \$3,000 expenditures from the budget. Just because the \$8,000 saving may mean only \$1.10 a month to a person doesn't mean we can be free-handed with our expenses."

Foreign Policy, April LWV Topic

Neenah — April unit meetings have been announced by League-of-Women Voters of Neenah-Menasha. Aspects of the Mutual Security program, foreign aid, trade and possibilities of getting "The World We Want" by fighting our battles on the economic front will be discussed.

March unit meetings were devoted to reviewing "the four turbulent decades," the period from World War I to the present.

Hostesses for April 19 meetings will be Mrs. B. H. Kellogg, 305 E. Wisconsin avenue morning group; Mrs. King Evans, 211 Webster street, afternoon group; and Mrs. Walter Chapla, 721 Mitchell street, evening group. Mrs. A. T. Hudson, route 1, Neenah, will be hostess for the April 23 morning group.

The annual meeting of the League is scheduled for 7:30 p.m. Monday at the YWCA. Officers and board members will be elected and the 1959-60 budget adopted. Mrs. Albert Graham is reservations chairman.

Delphian Club

Neenah — Mrs. C. J. Miller will review "Nagasaki, Empress of Japan" at 2:30 p.m. Monday for Neenah Delphian club at the home of Mrs. F. C. Heidtke, 709 Stevens street.

Mrs. Walter Werner is in charge of arrangements for League members attending the legislative school to be held April 15 in Madison. The state LWV convention will be held May 19-20 at Lake Delton.

YW Garden Club Lists Speaker

Neenah — Miss Eunice Fenelon, Weyauwega, will be guest speaker for YWCA House and Garden club at 1:30 p.m. Monday in the Y lounge.

Miss Fenelon will show slides to illustrate her lecture on gardens with emphasis on roses. She received her bachelor of arts degree from University of Wisconsin and a bachelor of science degree from University of Illinois department of landscape architecture. She attended a summer session at Harvard university on plant materials and spent a summer visiting gardens in England, Italy and France.

The speaker is a member of the American Society of Landscape Architects. She plans both private and public gardens. Miss Fenelon planned the rose garden at Neenah Riverside pavilion.

Mrs. James Mills and Mrs. Robert Ogg are tea committee members.

Serve Poached Fresh Pears With Ice Cream

Neenah — For a company dessert, poach fresh pears, put a small scoop of vanilla ice cream in the cavity of each pear half. Surround with chocolate sauce.

For a light fruit dessert, try combining one can of frozen pineapple chunks with frozen raspberries. The pineapple chunks taste best while still frosty.

Cakes and pies baked in bright pans will have lighter colored bottom crusts than those baked at the same temperature for the same length of time in dull pans.

In cake baking, it is safe to use a pan that measures within one-quarter inch of the size recommended in the recipe. In measuring, go by both the inside diameter and depth.

When baking apples for freezer, try filling the centers with ground sautéed peaches. Baste with syrup, flavored with nutmeg, during the baking. When baked, cool completely and freeze, either in freezer containers or freezer bags. Reheat in a 300 degree oven until tender, when ready to serve.

Add grated orange rind to package lemon pudding and pie filling mix for a nice flavor change. Use long strokes when you are grating orange or lemon rind so that you get "flakes" rather than a mass of moist tidbits.

Complete Plans For KD Dance

Neenah — Final arrangements for the KD dance hall to be held on 9 to 1 a.m. April 11 at North Shore Golf club were made by Service circle of King's Daughters Wednesday.

Tables are available from the Morris Watzink or at the door. Proceeds of the evening go to the homemaker service.

'Breath of Spring' Theme of a Menasha Girl Scout father-daughter banquet Tuesday evening at St. Mary school was depicted in table decorations. Looking at a spring birds and flowers centerpiece are Edwin Woldt and his daughter, Susan.

PEO Sisterhood Names Officers

Neenah — Recently elected president of BT chapter of PEO Sisterhood was Mrs. Howard Angermeyer. Mrs. C. Andree Pertain was named vice president.

Mrs. Edward Rightor, Jr., is recording secretary and Mrs. Bruce Adams, corresponding secretary. Mrs. W. H. Webb was named treasurer and Mrs. R. A. Wolterding, chaplain. Miss Mary Orbison is guard.

Beauceant Order Will Hold Party

Neenah — A guest card party open to all Masonic members was planned Wednesday by Social Order of the Beauceant. The party will be held April 25 at Neenah Masonic temple.

Committee members will be Mrs. Leslie Kleinhenz, Mrs. Willis Elsner, Mrs. Hugh Geibel and Mrs. Spiro Gostos.

Twin City TOPS

Neenah — Best losers of the week for Twin City TOPS club were Mrs. John Sprang, Jr., and Mrs. Ivan Robinson. A white elephant sale will be held at the April 21 meeting.

International Trends Shown at Furniture Mart

Chicago — Trends from all nations are apparent in new furniture for the American home, previewed here at the International Homefurnishings market.

Oriental, Scandinavian, French and Early American styles are in evidence, adapted for modern living.

"We are in the process of creating our own traditions," says Harvey Prober of Fall River, Mass. "I think our influence is the world. We capture the flavor of other countries to spice our own homes."

Designers readily admit that Mrs. Homemaker has discriminating taste. "People used to have no taste at all. But now through all magazines and newspapers they have some assurance in taste and can have a home built around their personalities," says Robert Kjer-Jacobsen of Los Angeles.

The modern woman's taste seems to lean toward less casualness and more elegance. She likes the dining room. She wants table surfaces that will take abuse. She likes color. She likes metal. She wants wood.

The designer works accordingly.

Combinations. So he has come up with wood in combination with stainless steel, brass and plastic. Upholstery is in neutral tones highlighted with colors such as burnt orange, copper, gold and shades of red. Many can pottery and trays.

Welcome to Hawaii, Theme of Banquet

Neenah — "Welcome to Hawaii" will be the theme of a Neenah West neighborhood Girl Scout father-daughter banquet to be held at 6:30 p.m. Tuesday at Our Savior's Lutheran church. Six troops will participate in the banquet, which is being planned under the direction of Mrs. Harold Urban, general chairman.

Harlan Hirschy will be master of ceremonies for the program, which will include songs, contests for fathers and daughters and talks by members of the round-up team. The theme will be depicted in table decorations. Invited guests include Mr. and Mrs. Carroll McEathron, Mrs. Joseph Heaton, area field director, Julie Heaton, Mrs. R. D. Marun, Lynn Eastwood, Marcia Huppler, Linda Benoit and Catherine Talbot.

Participating in the event will be Troop 249 led by Mrs. Ronald Carter and Mrs. Harlow Hilliker; Troop 156 led by Mrs. Hugh Hoen and Mrs. Harold Nelson; Troop 143 led by Mrs. Chester Gooding and Mrs. Robert Gress; Troop 106 led by Mrs. William Cerny

and Mrs. Reinhart Rydberg; Troop 37 led by Mrs. Sylvester Panske, Mrs. Harlan Hirschy and Mrs. Steven Jacob; and a senior troop led by Mrs. Jack Kramer.

Engagement of Miss Wicinske Is Announced

Neenah — Mr. and Mrs. Ben Wicinske, route 2, Neenah, have announced the engagement of their daughter, Marjorie Jane, to George R.

Miss Wicinske

Theyel, Jr., son of Mr. and Mrs. George M. Theyel, Sr., 207 E. McKinley street, Appleton.

The bride-elect is a graduate of Neenah High school and works for Kimberly-Clark corporation while her fiancé was graduated from Appleton High school, served two years in the marine corps and is employed by the Gilbert Paper company. A June wedding is planned.

Service Guild Lists Officers

Neenah — The Christian Service guild of the First Evangelical United Brethren church, has elected officers. They are Mrs. Emil Meyer, president; Mrs. Al De Roche, vice president; Miss Ardis Krause, secretary, and Mrs. Armin Weber, Jr., treasurer. Mrs. Weber was also appointed convocations chairman for the annual women's and girls' banquet scheduled for May.

Rebekah Sale

Neenah — Betty Rebekah Joaze will hold a bake sale at 11 a.m. Friday at Neenah Hardware company for the benefit of a United Nations polio clinic. A Bettina Thera Rao Girls club member will make in July.

WRC Luncheon

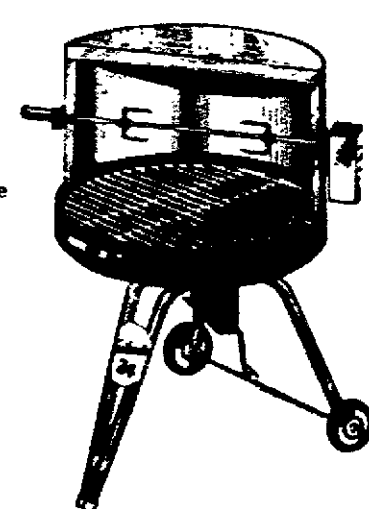

Menasha — J. P. Shepard Women's Relief corps will hold a Grand Army Day luncheon at 12:30 p.m. April 9 at S. A. Cook armory. Mrs. Arthur Lomson is reservations chairman.

Eighth Grade Students From area rural schools were guests of Neenah High school Wednesday and their parents will attend a meeting at the school at 7:30 tonight to learn about the registration procedures and testing program. Barbara Olson, front is showing a group of the students through the school.

Hire Plumbing Inspector, State Tells Neenah

Council to Take Applications for Licensed Journeyman

Neenah — Hiring of a journeyman plumber as plumbing inspector and engineer's assistant was recommended by the finance committee at Wednesday night's council meeting. The state last week ordered the city to have a licensed plumbing inspector.

The council instructed the mayor and clerk to advertise for such an inspector and authorized the finance committee to interview applicants. State law requires a city of the size of Neenah to have a licensed plumbing inspector.

Plumbing inspection has in the past been done as part of the building inspector's office and where there was any question, the building inspector, or checked with Everett Westfahl, water works superintendent who is a journeyman plumber.

Whether the job is to be full-time or part-time has not been decided.

School Site Options
The finance committee also recommended the mayor and clerk secure options, not to exceed \$100 each, for property for the new junior high school site at terms to be satisfactory to the finance committee. The council endorsed this recommendation also.

Houses on two Columbus avenue properties purchased several years ago by the council from parking meter funds will be advertised for sale and removal from the site. The garage at the rear of one of the properties was sold to the Hawley-Dieckhoff American Legion post for \$50. Referred to the finance committee was a letter from Bergstrom Paper company offering to purchase the old city garage property on Main Street west of the Bergstrom street mill. The company pointed out it is closed in on almost all sides and that it has leased the property since 1953.

Calvary Baptist To be Scene of State Conference

Neenah — Wisconsin regional of the Independent Fundamental Churches of America will hold its spring conference at Calvary Baptist church here Monday and Tuesday, the Rev. Roland C. Aggers, pastor, announced today.

The conference will begin at 7:30 p.m. Monday and will continue through Tuesday with the closing session at 7:30 p.m. Tuesday. The Rev. Clarence Didden, pastor of the Bible church at Limerick, Pa. will be the featured speaker.

Hewitt's Opens Play in YMCA Cage Tourney

Faces Winneconne Team Composed of Oshkosh Cagers

Neenah — Hewitt's Machines will meet Broehm's of Winneconne at 9 o'clock tonight in the Green Bay YMCA basketball tournament.

The Machinemen currently are involved in two tourneys. They have passed the second round in the Howards Grove meet and will play Alex's of Fond du Lac there at 9:30 Friday night. A victory in the Green Bay tournament would also set them up for a Friday night contest.

The Winneconne roster is expected to be made up of several players from this year's Oshkosh state college meter funds will be advertised for sale and removal from the site. The garage at the rear of one of the properties was sold to the Hawley-Dieckhoff American Legion post for \$50. Referred to the finance committee was a letter from Bergstrom Paper company offering to purchase the old city garage property on Main Street west of the Bergstrom street mill. The company pointed out it is closed in on almost all sides and that it has leased the property since 1953.

Hewitt's will not have the services of Kermit "Doc" Garney for the Green Bay street west of the Bergstrom street mill. The company pointed out it is closed in on almost all sides and that it has leased the property since 1953.

Neenah, Menasha Players Bid For Berths on Oshkosh Squad

Oshkosh — Five former Oshkosh and Gary Spiering Twin City high school basketball players are among the 32 aspirants bidding for berths on the Oshkosh state college meter funds will be advertised for sale and removal from the site. The garage at the rear of one of the properties was sold to the Hawley-Dieckhoff American Legion post for \$50. Referred to the finance committee was a letter from Bergstrom Paper company offering to purchase the old city garage property on Main Street west of the Bergstrom street mill. The company pointed out it is closed in on almost all sides and that it has leased the property since 1953.

Other lettermen on the roster are Allen Harke and Ken VanderVelden. Kimberly, last year's Titan squad captain, Tom Koslowski and Len Puhanz, Shawano, Ken Klein, Sheboygan, Falls, Duane Sheets, Oshkosh, Jim Lettenberger, Kiel, and Bob Naufig. Other candidates include Jerry Peppeler, George Berrell, Jerry Weigandt, Ed Jag-

The 1959 Titan squad will open its season April 11 at Rell, Jerry Weigandt, Ed Jag-

Lang Hammers 667 In Menasha Loop

Harold Walsh Pummels Peak 641 Uptown Commercial Trio

Menasha — Erhart "Hezie" Lang belted a 267 game and 667 series to pace the Business Men's Bowling league as it closed its season Wednesday night at the Mid-Town alleys.

Better Year Foreseen by Bay Lineman

Bob Skoronski Describes New Packer Setup

Neenah — The promise for better things in the world of the Green Bay Packers was discussed by Bob Skoronski, offensive lineman, at the Wednesday noon meeting of the Neenah Kiwanis club at the Valley Inn.

Skoronski, who has been in service the last two years, touched on the modernization of the Packer organization and described new General Manager — Coach Vince Lombardi — as the "supreme commander," one who is concise and "what he tells you, you'll remember."

The former Indiana tackle said that the letter sent out by Lombardi to the season ticket holders typifies his character — he doesn't promise 12 wins but good football. Played in 1956.

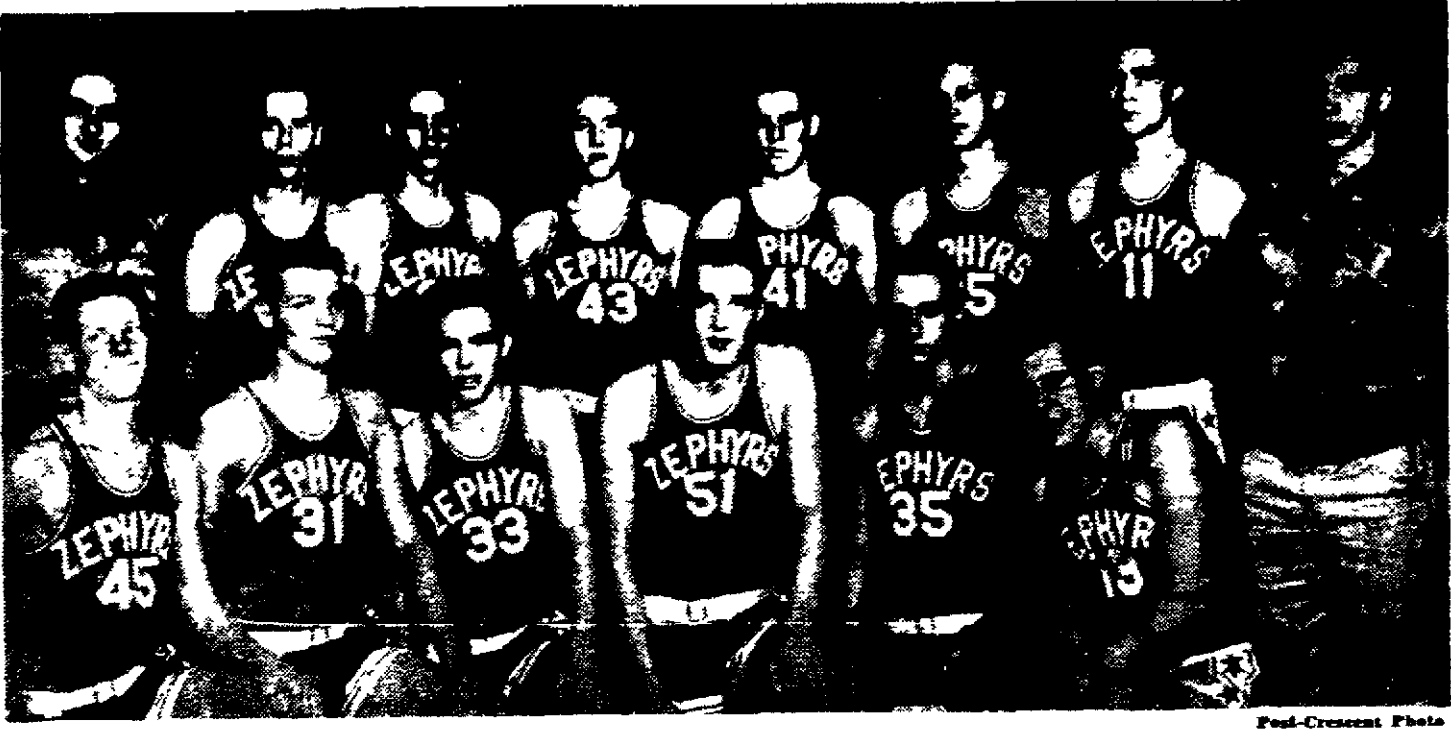

Skoronski, who played with the Bays in 1956 and then spent 25 months in the air force, played with the championship service team in 1957 and 1958. He said he hopes to be a part of the Bay team and will be competing against a three veterans and three new linemen for his position.

In service, Skoronski played against Jack Losch, called by the speaker the finest center he ever met, his situation is indefinite. Kramer is in service but his case is being reviewed because of an injury.

Veterans Return The offensive tackle declared all the veterans will be back and that the team will use a new system minus a vice about four weeks.

Green Bay Packer Offensive tackle Bob Skoronski, left, was guest speaker at Wednesday's meeting of the Neenah Kiwanis club. Left to right are Skoronski, John Cody, program chairman, and Steve Sommer. Skoronski returns to the Packers after two years in service.

The St. Mary High School Varsity basketball team compiled a 21-4 record during 1958-59 play. In the front row, left to right, are Jerry Laemmrich, Jim Bayer, Pete Vanderhyden, Mike Kiefer, Mike Du

Post 62.1 Average Zephyrs Outscore Opponents by 12 Points Per Start; Notch 21-4

Menasha — St. Mary outscored its foes by better than 12 points a game in posting its fine 21-4 record during the 1958-59 season.

Final 3 Rounds Set in Dart Meet, U-P Team Leads

Neenah — The final three rounds of the Neenah Municipal Dartball league's annual team tournament will be played at 7:30 tonight at the Recreation building.

Going into tonight's session United Pattern leads with six points while Haase and Drews has five. The two meet in the first game. Other point totals are Kiel and Werner and Woeckner's four, Lakeview three, Stecker's two and Tews none.

Wege Crashes 645 in Commercial League

Neenah — Ken Wege slammed a 645 series to lead the way in the Commercial Bowling league Wednesday night at the Muench's Recreation alleys.

Ad Doane collected 602. Florian Splinter 577, Norm Pietz 574, M. Ruppel 571 and Adolph Hamilton 562.

Neenah Foundry No. 1 won the championship with a 473-331 record. It finished a half game ahead of Badger Products which had 473-34.

Porath Truckers placed third with 46-35 while other final marks were Neenah Foundry No. 2 43-37, Norm's Service 41-40, Holz Sewing Center 40-40, Bob's Service 38-43, Mar's Tap 34-46, and Neenah Foundry Pattern Shop and Larson-Schreier 33-48.

Dorothy Allen notched a 556 series as the Neenah Women's City league closed its season Wednesday night at Muench's. She rolled a 199 game.

The peak game was Barbara Stanak's 209. She closed with 540.

Other honor scores included Margaret Mittac 549, DeLores Larsen 184-76, Glauys Vergert 532, Ella Larson 530, V. Kostuck 200-515, Ursula Krambs 509, and Jerry Erb 506.

Larson-Schreier won the championship with a 54-27 record placing a half game in front of Curly's, which had 53-27.

Other final marks were Muench's 52-29, Foundry No. 1 50-31, Becking's 46-30, Jetter and Joe's 45-33, Lrstaau's 32-49, Joer's Potometa 28-52, Ciske's 22-56, and Foundry No. 2 19-62.

Granted Permit

Neenah — Joan Williams was granted a permit by Building Inspector Carlton F. Williams for a new home to be erected on Maple street, the 31st new home authorized this year, one less than a year ago. The home will be 28 by 70 feet in size.

Frane and Norb Kozlowski. In the back row, same order, are Pete Snyder, manager, Dean Schreiner, Gary Batley, Jim Rueckl, Ed Lotzer, Bill Becker, Mike Herlache and Paul Mix, manager.

League Honors Bowls 520 for Ruby Hafemeister Clubs Peak Total; Ross Tops Banta's

Menasha — Mary Jane Springer collected a 201 game and 520 series in the Wednesday Night Ladies Bowling league (125) were the only other at the Menasha Recreation aler marksmen to exceed 100 leys.

The latter included a 192 points. The point totals and won game in her best series while and loss record do not include Mrs. Springer concluded with exhibitions against the Mt. a 505 count.

Other honor scores included a 512 set by Jean Bethke. Alroy, although the Zephyrs won all three.

The scoring: PG FT PF TP 132 114 40 375 179 49 25 267 66 19 45 131 43 25 64 121 32 20 43 86 28 25 49 81 26 15 47 78 22 15 38 34 10 17 22 38 9 3 27 21 5 6 1 4 1 1 4 3 1 0 3 2 0 2 3 2 0 1 0

Bob Ross hotted a 537 set for the only honor count in the Banta Men's wheel Wednesday night at the Recreation lanes.

Pressroom copped one game but still has a 9-game lead with its 52-26 record.

Non-League Victim Non-league victims were Stevens Point Pacelli (twice) and Milwaukee St. Benedict and Wisconsin Rapids Assumption. Wayland Academy, Wausau Newman, and Manawa in the state meet it halted Madison Edgewood's long victory chain.

Individual scoring honors went to senior Gary Batley

Schultz Registers Leading 632 Series

Shirley Dorn Cracks 243 in Hi Neighbor League; Clarence Kaczmarek Rolls 562 Set

Neenah — Elmer Schultz collected a 632 series and "Husky" Nagreen had a 243 game in the Fox Valley Classic Bowling league Wednesday night at Lakewood Lanes.

Charles Munsche rolled the High 500-plus totals were Hal Ganzel 592, Jim Koslowski 585, Irv Hall 226-567, Hilly Koslowski 577, Mac McKinnon 565, Pete Weitz 561, Earl Haase 556, Jerry Cardin 555, Bernie Davis 554, Bob Fredricks 553, John Oberweiser 552, "Cash" Smarzynski 551 and Clarence Vetter 550.

Haase and Drews rolled a 991 game and 2,907 series. Lakewood leads with a 72-111 record with a 121 game lead over Haase and Drews.

Shirley Dorn clouted a big 243 game and Betty Saegert had a 522 set in the Wednesday night Hi Neighbor league at Lakewood.

Teitz leads with a 58-23 record and a 5-game edge over Marten's.

Lyle Fehrman rolled a 565 set in the Sportsmen's league Wednesday night. Geht Bull-der's (49-31) lead by five games.

Clarice Kaczmarek bowled 204-562 to sweep honors in the Wednesday afternoon More Fun Ladies circuit. One-Hour Martinizing has a 56-31 record for a half game lead over Rosenow's.

Named Secretary For 27th Year

Neenah — Vi Wege was named secretary of the Neenah Women's City Bowling league for the 27th year at an election of officers during Wednesday's final session at the Muench's Recreation alleys.

Other officers are Alma Larson, president; Verna Muench, vice president; Natalie Thekla Clark hospital at 6:05 Feilbach, treasurer, and Ad-the Martin, sergeant-at-arms.

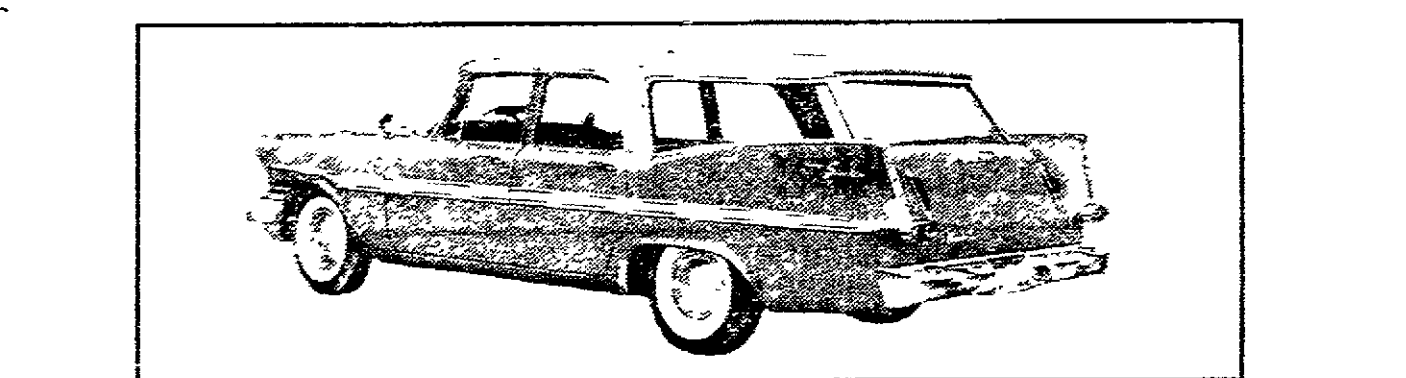

The league dinner will be held April 15 at the Viking at Winchester.

Locks Broken on Two Highway Worksheds Oshkosh — Two sheds, housing state highway vehicles, located at the southeast end of the viaduct on County Trunk PP in the town of Menasha were broken into Tuesday night but investigation revealed nothing was taken.

A county employee discovered the locks had been broken off the doors. Tire tracks and footprints were blurred because of the rain.

Taken to Hospital Menasha — Henry Scherer, 352 Eighth street, was taken Larson, president; Verna Muench, vice president; Natalie Thekla Clark hospital at 6:05 Feilbach, treasurer, and Ad-the Martin, sergeant-at-arms.

3 Kimberly Cagers Chosen on M-E's All-Conference '5'

Coaches to Study Problem of Overlapping Sports Programs

BY DICK McDANIEL
Post-Crescent Staff Writer

New London—Mid-Eastern conference basketball coaches selected a predominantly underclassman all-conference cage team with three of the

Weyenberg
Hearden
honed positions going to members of the champion Kimberly Papermakers — here Wednesday afternoon

Jansen
Lamers
during the annual conference spring meeting.

Kimberly's Jack Lamers, a senior, and Darrell Jansen and Don Hearnden, juniors on the Papermaker team, won

Harris Defeats Fleeman Again

Roy Defends Texas Heavyweight Title With 1-Sided Win

Dallas, Tex. —P—Roy Harris possessed about \$5,500, a cut forehead and another victory over Donnie Fleeman today, but his manager didn't think he was any closer to a rematch with World Heavyweight Champion Floyd Patterson.

"I don't think so," Lou Viscusi, Harris' manager, laughed when asked whether he thought the 1-sided victory brought the Texas heavyweight champion from Cut and Shoot any closer to a rematch with Patterson. Patterson cut Harris to ribbons last year for a TKO.

Previously Viscusi, of Houston, had said he felt if Harris won big it would help him toward a rematch.

Top-Sided Margin
Harris won a top-sided margin over Fleeman, but he had to jab his way to it from behind a mask of blood. Late in the fight Harris landed freely, but was unable to score a knockdown Wednesday night.

A hurt in the second round opened a ragged, 2-inch cut over Roy's eye. It bled badly until after the seventh, when his seconds stopped the bleeding and Fleeman was unable to hit him and reopen the cut.

Fleeman, 183, of Midlothian, Tex., looked good in the early rounds, especially the second and third, but he faded badly and was a well-beaten fighter by the end of the 12-round, nationally televised bout.

Harris, 198, is ranked seventh among the heavyweights and Fleeman ninth nationally as a light-heavy. The fight was for the Texas heavyweight championship.

Orioles Trade Pitcher Loes to Washington

Miami, Fla. —P—Billy Loes, who has been asking for it ever since spring training began, finally got his wish. The Baltimore Orioles traded him

General Manager Lee MacPhail announced Wednesday that the unpredictable Loes has been swapped to Washington for Vito Valentinetti, like Loes a right-handed pitcher.

Loes, who had demanded that the Orioles trade him to the New York Yankees, San Francisco Giants and Cleveland Indians, accepted the news calmly.

Loes sealed his fate by leveling barbed witicisms at Manager Paul Richards and the Orioles earlier this spring. For example he said: "Who ever heard of Richards before he hooked up with me?"

Augusta, Ga. — Carmen Basilio, 155, Clintonango, N. Y., stopped Arley Seifer, 150, Pittsburgh, 3,

the approval of the coaches, with Richard Knope of Two Rivers, and Leroy Weyenberg of Kaukauna, taking over the other two positions. Knope is a senior and Weyenberg, a junior.

Overlapping of Schedules
Second team selections were Dale Koslowski, Two Rivers; Leon Westphal, Clintonville; Phil Timm, Shawano; Hiram Lyons, Shawano; and Gary Vanervenhoven, Kaukauna.

Several of the coaches opposed the overlapping of football and basketball schedules for the 1959 season. It was reported that the last football game will be played Nov. 4 with practices for the cage season scheduled to start Nov. 1.

Both basketball and football coaches were opposed to the schedules with several mentioning that the basket-

ball practices should be started at a later date.

Harold Stewart, Shawano, conference president, announced that he will name a committee to work out a possible change in the schedule to introduce a waiting period between the two sports.

Tony Ellis, Clintonville, also voiced opposition to the proposal to play football games on Wednesdays. He said the closeness between Wednesdays and Fridays does not give players with minor injuries a chance to recover. Stewart referred the suggestion to the committee.

In another action, the conference voted to hold the annual conference track meet May 16 at Neenah. The athletic committee suggested May 15 as the proposed date. Ole Jorgensen, Neenah, gave the athletic committee report.

Jorgensen also was reelected conference athletic director for his thirty-fourth term.

The conference voted to allow each school two boys in each of the events for the conference track meet.

An invitation to hold the cross country conference meet at Kaukauna was accepted.

Bruhn Expects 81 At Tuesday Drill

Madison —P— Coach Milt Bruhn expects 81 men to report for the first Wisconsin football practice session Tuesday. The candidates include 29 lettermen of the 1958 team and four lettermen from the 1957 squad.

Entries Bunched

Wisconsin Rink Drops From Unbeaten Ranks

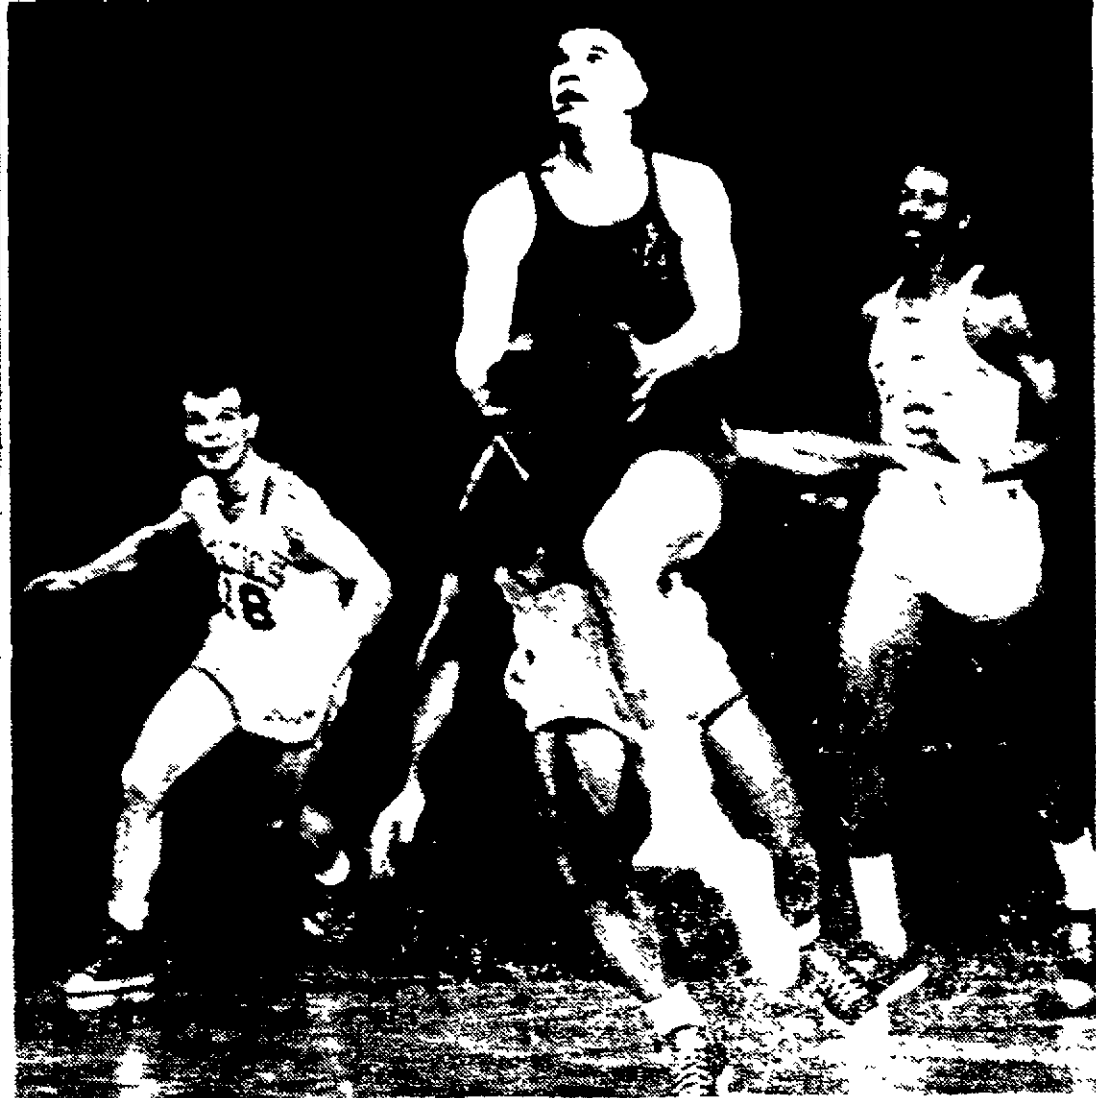

BY GEORGE SCHULTZ
Post-Crescent Staff Writer

Green Bay —Aye, sooties: those laddies from North Dakota have a knack of cutting in close games — first winning two by wee scores and then losing by one score or scotch granite in the last period of their third game.

By so losing in the third round of the U.S. men's national curling championship at the Brown County Memorial arena Wednesday night, the North Dakota rink — along with the Wisconsin entry — dropped from the ranks of the undefeated. Their losses bunched the 10 state championship rinks as all entered the fourth draw of the round-robin tournament this afternoon.

2 Afternoon Games
Two of the afternoon games featured teams of identical 2-wins, 1-loss records: Wisconsin vs. Alaska and Minnesota vs. Washington. Two other rinks with like records, Illinois and North Dakota, faced Connecticut and New York, respectively — the latter entries with 1-2 records. The other match sent Michigan (1-2) against Massachusetts (0-3).

Tonight's draw, which will begin at 8 p.m., had the following pairings: Wisconsin

Syracuse's Larry Costello Leads three Boston Celtics a merry chase as he drives in for a basket Wednesday night, but the home-standing Bostonians scored more often to win, 130-125, and take the semi-final playoff series. Celtics shown, from left, are Jim Loscutoff, Bob Cousy and Bill Russell.

Hartman Hurling Bright Spot As Braves Fold Again, 8-5

Christy Hails Layne's Play With Steelers

Packers' No. 3 Draft Choice in 1957 Is Working in Appleton During Off-Season

BY MIKE DREW
Post-Crescent Staff Writer

Halfback Dick Christy is fortunate that the plays of the Green Bay Packers and the Pittsburgh Steelers last season were very similar.

Traded four days before the first game of the 1959 season, Christy played most of the way for the Steelers in their opener with the San Francisco 49ers.

Christy, who has married an Appleton girl, is spending the off-season working here.

The Steelers were a big surprise during the 1958 National Football league race and Christy had a lot to do with their success. He finished the campaign third in the NFL in punt returns and sixth in kickoff returns, alternating in the Steelers' offensive backfield with Tom Tracy.

Pittsburgh wound up the campaign with a 7-1 record. Much of the credit for Pittsburgh's showing has gone to quarterback Bobby Layne, traded by Detroit to the Steelers after the start of the season. Christy can't say enough for Layne.

"You can't beat Bobby at

the quarterback spot," says Christy. "He was just what we needed. He used to keep the halfbacks and ends out long after practice all season working on our passing attack."

"He throws a mighty hard pass and it took some of us a while to get used to it."

2 Big Differences
Christy, who was the Packers' No. 3 choice in the 1957 draft, says there were two major differences between the 1958 Steelers and the Packers — who finished with their worst season in history.

"We had the quarterback (Layne) and we had a younger club," he says. "Our end, Johnny Orr, was the league's rookie of the year."

Dick thinks that the Packers will start on the upgrade next season "with that executive board out of the way and (Vince) Lombardi running the show. I've heard he's not as easy-going as 'Scooter' (McLean) and he'll probably get more out of the players."

Too Much Pressure
Christy thinks that McLean "was a good coach but there was too much pressure on him both from the board and from some of the players."

Christy, an All-American at North Carolina State, says his best hitting performance there's a world of difference between college and pro football.

In college, teams are often built around one player and there are usually just 24 really good players on a team. In pro football, all 11 men on the field are good."

The 24-year-old Appletoner, who has been with the Packers since 1957,

Cubs Maul Jones In His Giant Debut

Moryn, Rookie Altman Lead Way With 3-Run Homers

By The Associated Press

The first returns are in on last week's controversial Sam Jones - Bill White trade between the St. Louis Cardinals and San Francisco Giants. It looks as if Card General Manager "Bing" Devine might not have gotten the bad end after all.

Devine was criticized for giving Jones, his pitching mainstay last season with a 14-13 record, to the Giants for White, who has only little more than a season of major league experience.

Jones, in his first start for Giant manager Bill Rigney since the trade, was blasted for nine hits and nine runs in four innings Wednesday by the Chicago Cubs who beat the Giants, 10-5. Among the hits were 3-run homers by rookie George Altman and "Moose" Moryn.

Error Paves Way
Jones, last year's National league strikeout king, walked three and fanned four.

On the other hand, White has made a more favorable impression on Card manager Solly Hemus—at least until his error paved the way for a 5-run New York Yankee ninth inning that gave the world champions a 5-1 victory Wednesday.

Hemus decided before the game to give White the first base job and move Joe Cunningham to right field. White has hit three home runs and batted over .300 since joining the Cards. Cunningham has been hitting under .200 all spring.

But it was the fielding that swayed Hemus' decision. He said he had no doubt that White would be better than Cunningham at first.

White's error ruined a 5-hit eighth and one-third inning performance by "Vinegar Bend" Mizell as the Yanks then capitalized on an intentional pass and three straight hits for their victory. Yankee sorearm right-hander Don Larsen gave up one run and three hits in four innings. His first action since March 15.

3rd Straight Win
The Cubs got their third straight victory as Bob Anderson pitched the first eight innings, allowing 11 hits and five runs.

In other exhibition games, Cleveland edged Boston, 5-4. '59 season should contact the Los Angeles beat the Philadelphia White Sox.

2nd Straight
It was the second straight day that Milwaukee pitching collapsed in the eighth inning. The White Sox got to Joey Jay in that frame after two were out and clobbered him for five runs before Don McMahon came in to put out the fire.

Del Crandal had a 3-run homer off Claude Raymond and Henry Aaron clubbed him sixth of the spring off the same right-hander. Johnny Logan came up with four hits in some time.

Hartman had four good innings, allowing only two hits before he weakened in the fifth and gave up three more.

delphia Phils, 8-0; Cincinnati defeated Washington, 6-4; the Chicago White Sox humbled the Milwaukee Braves, 8-5, the Kansas City A's won over Detroit, 4-3, and Baltimore edged the Pittsburgh Pirates, 4-3, in a 12-inning night game.

Foxes' Banquet Tickets to Go On Sale Friday

Running Accepted In Team's 1st Official Workout

Tickets for the Fox Cities Foxes' pre-season baseball banquet of April 26 will go on sale Friday. Business Manager Bob Willis has announced.

Only 300 tickets are available for the "Welcome Foxes" fete that will feature the speaking appearance of former New York Yankee great Vernon "Lefty" Gomez.

Tickets can be obtained from any Foxes director; from these Appleton outlets—Berggren and Pond Sport shops, Unmuth drugs and Schlafer hardware; and from these individuals in other Fox Cities: Menasha and Neenah, Ralph McClone; Kaukauna, Joseph Schouten; Kimberly, Bob Eiting, and Little Chute, George Vander Loop; or by calling the Foxes business office (3-4152).

The Foxes will travel by bus during the '59 season, the directors have decided. Last year, the club used station wagons for road trips.

Radio station WHBY will broadcast 58 of the team's games (30 home and 28 away), this year, according to Willis.

In the Foxes' first official workout Wednesday at Fernandina Beach, Fla., Manager Jack McKeon prescribed plenty of running and pepper games. Pitchers loosened up but did not throw hard.

Most of the players had assembled in camp Monday and Tuesday. McKeon was described as pleased with the reporting condition of the majority of the Foxes.

Anyone who will have furnished apartments or rooms to rent to players during the '59 season should contact the business office, says Willis.

Madison —P— Thirty-one-year-old John Erickson who was one of Beloit college's greatest basketball stars, will be the new head coach of the University of Wisconsin cage team.

Appointment of Erickson, who came to Wisconsin as the school's first fulltime assistant basketball coach a year ago, was announced Wednesday night by Conrad A. Elvehjem, university president.

Only a Formality
He will succeed Harold "Bud" Foster who resigned at the end of the 1958-59 season after 25 years as Wisconsin's basketball coach. Foster will remain on the athletic staff.

The appointment of Erickson must be confirmed by the University board of regents but this is expected to be only

John Erickson

a formality. He will have the title of assistant professor and with it the usual 1-year contract. The salary he will receive was not disclosed.

Erickson may install the fast-break at Wisconsin as he was schooled in it at Beloit where he was the first player ever to score more than 1,000 points in a career. He was graduated from Beloit in 1949.

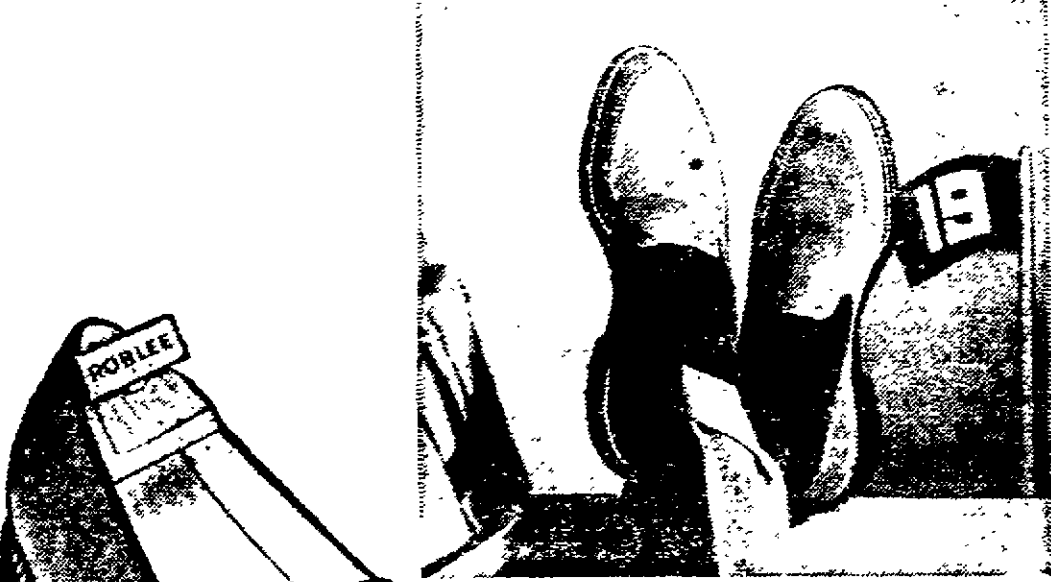

"Our style of play will be determined by the type of material available," Erickson said, "although there is no secret to the fact that I lean towards a running style of play."

Foster employed what is described as pattern, or deliberate, basketball. His team finished in the Big Ten cellar this year and had an over-all record of 3-18.

"I am deeply moved and highly honored with the appointment," Erickson said. "It is my sincere hope that I might justify the confidence placed in me by the administration of the university. We have a big job ahead of us and I expect to call on all

The Babe Waves to 60,000 fans in Yankee stadium on the memorable "Babe Ruth day" staged in 1947. Jimmy Fox is in the background.

The Babe and I

An Ailing Babe Continues Youth Work; Stadium Tribute Memorable

BY MRS. BABE RUTH
With Bill Slocum

As the Babe sat and wept, he began to die.

In November of 1946, Dr. Philip MacDonald sent Babe to the French hospital to see if the mystery of agonizing head pains could be diagnosed. It took surgery to diagnose cancer.

The Babe didn't know then and he was never to be told.

Eighteenth of Series

and so far as I am aware he never did know. Yet, perhaps he did and was making it as easy for me as he could.

30,000 Letters

Shortly before he died, he met Frank Slocum, the youngest son of his old ghost writer, Bill Slocum. Frank asked Babe how he felt and Babe growled, "Lousy. And they think they're kidding me. But they aren't. I know what I got."

While Babe was recovering, if that's the word, from his operation at French hospital he got 30,000 letters. Think of that—30,000 letters to a man long gone from baseball and a man who, insofar as the public knew, was only mildly ill.

Babe looked at a few and he glanced up from one to say to me, "Here's a lady who wants to know the name of my doctor. She thinks I have cancer."

"Well, you haven't," I told him. He seemed to forget the

matter. And his health improved.

A Sunday or two after we got him home, Walter Winchell reported on the radio that Babe's friends wept when they saw him and that he had shrunk from 225 to 100 pounds. The broadcast depressed him unbearably, and he growled, "Hell, when I'm dead my bones will weigh more than 100 pounds."

One of our friends called station WOR. She gave the news room a full and accurate report of Babe's weight and what he had had for dinner.

The depressed Babe sat up to listen to the 11 o'clock news on WOR and heard the announcer say, "And Babe had a big spaghetti and ham dinner at his home tonight. He weighs 180 pounds at the moment."

The Babe went to bed laughing.

His health improved enough for a trip to Florida for some fishing and a little golf.

Visits Little Leagues

In the spring of 1947 Babe got a baseball job, from an automobile concern which was sponsoring the American Legion Baseball league for youngsters. Babe was to be the titular head of the league.

It meant travel. He would visit Little League parks and meet kids. Babe's doctors advised that he accept. All things considered, I think the advice was sound.

A doctor and a male nurse flew with us as we visited such cities as Detroit, Chicago, St. Louis, Billings, Seattle, San Francisco, Los Angeles and others.

There was always a motorcade from the airport to the hotel. Then a luncheon and a trip to the ball park where Babe posed with the kids. He'd hold a bat, and until his doctor became adamant, he would always accept an offer to hit a few.

The streets were invariably lined wherever he went. And that made him happy in his mind and weariness.

In most cities, school was let out so the youngsters could get a look at the man they had all heard so much about and, in thousands of cases, hoped to emulate.

"Even if they don't like baseball," Babe would say, "they gotta like the Babe. I got 'em a day off."

Drastic Treatment Helps

After Los Angeles, he couldn't get 'em any more days off. He had to go home. By train. He was a very sick man. He just sat in the state-room, head in hands.

In New York, Babe underwent some drastic, experi-

mental treatment, and it helped. He put on weight and felt well enough to accept the Yankee's invitation to a brilliant promotional stunt—"Babe Ruth Day."

More than 60,000 people showed up. Babe wasn't up to putting on a uniform, but he appeared in sports clothes and his familiar camel's hair coat. The reception he received worked wonders that no medicine, experimental injections or scalpel could approach.

Mel Allen, an old friend, introduced the Babe. Babe's voice was almost gone. To complicate his problem, he had been seized with a vicious coughing spell just before the ceremonies began. But this was an occasion to be risen to and he, as always, was able.

He said, "The only real game, I think, in the world is baseball." He spoke, huskily and briefly, of what baseball meant to boys and the rewards baseball offered boys who "worked to learn the game."

Then, "There have been so many lovely things said about me today, that I'm glad to have had the opportunity to thank everybody. Thank you."

Always Religious

He trudged slowly back to the dugout, his eyes filled with tears as he listened to the roaring salute the fans fired back at him. And this time Babe did not cry alone. Not by many, many thousands did he cry alone.

In the dugout Cardinal Spellman took the Babe's arm and said, "Babe, you've been an inspiration to all trip to the ball park where Babe posed with the kids. He'd hold a bat, and until his doctor became adamant, he would always accept an offer to hit a few.

The streets were invariably lined wherever he went. And that made him happy in his mind and weariness.

In most cities, school was let out so the youngsters could get a look at the man they had all heard so much about and, in thousands of cases, hoped to emulate.

"Even if they don't like baseball," Babe would say, "they gotta like the Babe. I got 'em a day off."

Drastic Treatment Helps

'If We Hit, We Win,' Haney Says of Braves' Chances This Season

Except for 2nd Base, Milwaukee Is Set; Pitching Remains Team's Strong Point

BY JACK HAND

Bradenton, Fla. — (AP) — Every visitor to the training camp of the National League champion Milwaukee Braves wants to know the same thing: "Can you win without 'Red'?"

"Red" is Albert Schoendienst, the Braves leader on the field who is now fighting to win a battle against tuberculosis.

"I'm not particularly worried about second base," says Manager Fred Haney.

He means he isn't worried about finding somebody who can field the position until young Mel Roach's knee heals so that he can make the pivot. He knows he won't find another Schoendienst in this camp—or any other.

Except for second base, this is a set ball club.

No Runaway

"I think we can win it," Haney said. "Nobody is going to step out and run away. You had plenty of proof last year what could happen. Pittsburgh went from a tie for last to second. The Giants from sixth to third. Philadelphia was as high as third in June. The Cubs were leading the league in May."

"If we hit, we win," he explained. "We have strong pitching, enough defense."

The second base situation won't be settled until Roach is ready. The Braves got scrappy Johnny O'Brien along with catcher Stan Lopata, from the Phillies in a 6-man deal Tuesday and Haney figured this trade would bolster his bench strength.

"What I have in mind right now," Haney said, "is to have Felix Mantilla open the season at second base."

Eases the Burden

Mantilla (.221) may have to move over to short if Johnny Logan (.226) has any more leg trouble. Logan slumped 47 points last year. Frank Torre (.309) and Joe Adcock (.275), alternate at first and Eddie Mathews (.231) will be at third. Mathews, the strike-out king in the average, dropped 41 points in series but kept up his power production with 31 homers and 77 RBIs.

Covington (.330) will be in

left, Bruton (.280) in center and Hank Aaron (.326), the big man of the club, in right. Both Covington and Bruton appear to have recovered from knee injuries.

Lopata, a 33-year-old right-hander power hitter will ease the burden on regular catchers Del Crandall (.272) and 36-year-old Del Rice (.223). He also adds pinch-hitting strength if he returns to form.

The pitching is the department that makes the Braves odds-on favorites to repeat. The front line of Warren Spahn (22-11) and Lew Burdette (20-10) is backed up by two real promising youngsters Joey Jay (7-5) and Carlton Willey (9-7), with left-handed Juan Pizarro (6-4) on the borderline. Bob Buhl (5-2), throwing freely after a season of arm troubles will start later. With such an abundance of talent, Bob Rush (10-6) may wind up as the long man on relief. The best of the newcomers is left-hander Bob Hartman (20-10) at Atlanta.

Don McMahon (7-2), the husky fast baller, will be the bullpen ace with help from Bob Trowbridge (1-3) and Humberto Robinson (2-4).

Fern Harder Thumps 239

Lucky Loop Line Is Season's Best Feminine Singleton

Fern Harder whacked the season's best kegling solo by an Appleton feminine bowler—a 239—in the final round of Lucky league action at the Appleton Club alleys earlier this week.

She finished with a 552 for the Schroeder Enterprise team.

Big Shoe (57-27) won the league title by 1½ games. Other honor scores: Alice Patterson 196, 523; Carol Wojohn 207, 521; Marion Werner 195; Rita Mikkelsen 194.

Fern Harder had also whacked the season's fourth best solo by an Appleton woman, a 235.

Shirley "Butch" Helser socked a 536 for the co-leading Ranch Bar team (52-30) in the final by eight circuit at Hahn's. Shirl Rasmussen slugged a 208 for Subway Bar and wound up with a 531. Jane Van Zimmerman toppled a 194 and Peg Stark a 192. Howie's Bar (52-30) shares first place.

Smash Jinx, 85-73

Macs Bounce Kiel Five, Win EWA Loop Crown

Chilton — The Menasha Macs annexed the championship of the Eastern Wisconsin Amateur Basketball league by besting Kiel, 85-73, in a playoff here Wednesday night to end a Kiel "jinx."

The teams had tied for first place with 14-2 records. The victory was the first in six games for the Macs over the losers. Kiel won three last year, including two straight in the playoff and it dealt the Menashans both of this season's league setbacks.

3-Point Marking

The Menasha five took an early lead and was on top all the way. It enjoyed a 48-44 halftime advantage.

Kiel cut the margin to three points at several junctures in the third frame but then the

Earl Schmidt Authors 599 Pin Triple

Earl Schmidt sent tenpins spinning at a 599 rate for Janine Wreckers in the Merchants league at Hahn's Wednesday night for game laurels. One of his singletons was a 234.

The Brady Company (33-34) owns a 2-game loop lead. Tom Hanks slammed a 593 for AAL No. 2 in the Fraternal league at Hahn's. Don Beyer wallowed a 234 for IPC No. 1. AAL No. 1 (33-31) holds a 12-game lead.

Other honor scores in the Merchants wheel: Vic Sengstock 559; Dick Baker 560; Dave Wittwer 550. In the fraternal circuit: D. Fellner 567; M. Moritz 560. Hal Calmes fired a triplicate of 132s.

Erickson Will Coach UW '55'

alumni and friends of the university to help in this tremendous task.

"We expect to carry on an attractive program that will always strive for excellence and not be satisfied with mediocrity."

Erickson was born in Rockford and played at East High school there before entering Beloit. After graduation from Beloit he coached at P. J. Jacobs High school at Stevens Point and Beloit High school. He served in the Army two years and then became head basketball coach at Lake Forest college in Illinois where he remained for two years before coming to Wisconsin. His Lake Forest teams had a 37-35 record.

Exhibition Baseball

By The Associated Press

Chicago, Ill. (AP) — The Chicago Cubs will play exhibition games at the University of Wisconsin at Stevens Point and Beloit College.

The Cubs will play at Stevens Point on Friday, April 3, and at Beloit on Saturday, April 4.

Stevens Point is a member of the Big Ten Conference and Beloit is a member of the Wisconsin Athletic Conference.

For more information, contact the Chicago Cubs at 435 N. Dearborn St., Chicago 10, Ill.

Celtics Now Worrying About Overconfidence

Meet Lakers After Beating Nats in Playoff Semi-Finals

Boston — The mighty Boston Celtics feared only over-confidence against the upstart Minneapolis Lakers today while marking time before their series opener for pro basketball's world championship.

"We figure to beat the Lakers, but we have to guard against over-confidence," Dolph Schayes and George Yardley, Schayes took individual honors with 35 points, while Yardley contributed 32.

est" tag by their coach, the Celtics had to rally from a 16-point deficit midway through the second period and then outbattled Syracuse in the closing minutes.

Frank Ramsey topped the Celtics with 26 points with a bright fore-finger encased in a cast. Cousy had 25.

The Celtics come-back victory overshadowed a tremendous shooting display by Dolph Schayes and George Yardley. Schayes took individual honors with 35 points, while Yardley contributed 32.

ARD Softball Loop Entries Due April 20

Opening 1959 Meeting Draws Banner Turnout

Thirty-six teams—the largest opening-meeting turnout in at least 10 years—registered for Appleton Recreation department softball league play during an organizational meeting Tuesday night.

Entry fees are due by April 20. Shortly after that, a wire works (Eugene Wermer) will be held in which industrial league clubs will be separated into three divisions. Several teams, including 1958 American Industrial co-champion Riverside and 1958 Church league titlist St. Paul, aren't yet registered for the

1959 season. There is a possibility that both clubs may compete in a classic league.

Other clubs which have signed for classic league play, with managers' names in parentheses are: Collar's Dugout (Bob Greinert) and Subway bar (Arnie Kloes).

The 19 Industrial league clubs registered are: Interlake (David DeGuire), Post Office (Arlo Callahan), Kurz and Root (Harry Albright), Police department (Erv Lietz), August Winters (Tom Schultz), Post-Crescent (Ed Mitchell), Wire Works (Wendell Longworth), United Grocers (Les Dietzen), Valley Iron (Harold Barker), IPC (Marvin Filz, Jr.), AAL (Kurt Schoenrock), Appleton Woolen Mills (Milton Schwandt), Pierce Auto (Phil Burmeister), The seven Church loop outfits are: St. Joseph (Erv Hooyman), Trinity (L. E. Wichman), St. Mary (Harry Kimball), First English (Erv Gauerke), First Methodist (Keith Buxton), Sacred Heart (Jerome Johnson), All Saints (Richard Fuller).

The fraternal league roster will be closed with 20-24 teams and the Church loop will be closed with eight. If more fraternal teams register the circuit can be split into divisions.

Eight Teams

The eight fraternal league teams are: Rod, Gun (Gerald Moede), Un-sponsored club (Lou Mueller), High School boys (Jim Choudoir), UCT (Ted Freiberg), Appleton Club (Carl Treichel), COF (Jim Shebilske), Institute Activities (Bob Millard), YMCA (Mickey McGuire).

Award 3 Trophies At M-E Meeting In New London

New London — Three trophies were awarded during the spring meeting of the Mid-Eastern conference here Wednesday afternoon.

Coach Gil Frank accepted the conference basketball trophy for the Kimberly Paper-makers.

William Dunwiddie accepted the conference debate trophy for Neenah High school and Howard Fenske, Kaukauna, received the B debate trophy for Kaukauna High school.

Presentations were made by Harold Stewart, Shawano, superintendent of schools, outgoing conference president.

Fran Kleffman, Left, Bends his broom as he and Nick Jerulle sweep in a stone thrown by Terry Kleffman of the Hibbing, Minn., rink in the U. S. Men's National Curling championships in Green Bay. Watching is Dick Brown, fourth member of the team, defending national champion.

Pennant Talk Annoys Portage Rink

Detroit's Bill Norman Is Defeated

Skipper Optimistic About Finishing in The 1st Division

Lakeland, Fla. — Detroit Tiger Manager Bill Norman is making sure he's not going to make the same mistake his predecessor, Jack Tighe, made last year.

A year ago at this time, Tighe, breathing optimism, proclaimed the Tigers 50 per cent improved and predicted they would catch the Yankees. Less than three months later, the Tigers were in last place and Tighe was replaced by Norman.

If Norman has caught the flag fever this year, there are no symptoms. On the contrary, he becomes slightly annoyed whenever the word pennant is mentioned in connection with his club.

Face Facts

"Let's face facts," Norman said. "The Tigers finished fifth last year, only four games out of seventh. You can't talk about being a contender until you've become a solid first division club."

"Sure, we improved," Norman added, "and I am optimistic about finishing in the first division. But we've got our work cut out for us. Don't forget, the other clubs have improved, too."

The trade with Cleveland that brought relief pitchers Ray Narleski and Don Mossi will strengthen the staff, Norman said. "and the trade with Washington that landed third baseman Eddie Yost and shortstop Rocky Bridges will help the club defensively."

Norman's pride and joy is his pitching, led by starters

Jim Bunning, Frank Lary, Paul Foytack and Billy Hoelt. Herm Wehmeier and George Susce will be spot starters and Tom Morgan will be the early reliever. Left-hander Pete Burnside, acquired from San Francisco, has made a good impression, as has right-hander Gerry Davis, a 26-year-old rookie who won 17 second consecutive victory, and lost five at Charleston last year.

"I've got good pitching," said Norman. "But I lack power and don't have the fastest team in the world. I'd also like to improve my bench. Ossie Alvarez can play second and 'Cool' Veal can play short. I'm experimenting with Larry Osborne, at first baseman, in the outfield and at third."

CONTINUED FROM PAGE 7

ninth end was followed by a final Washington point in the tenth end to give the Creaklock rink its 12-8 victory.

Like the Alaska win, the Illinois 10-3 victory over New York was not decided until the last end.

The Frank Kleffman rink of Hibbing, Minn., snared its second consecutive victory, dropping the winless R. E. Roundey rink of Winchester, Mass., 13-5 Wednesday night.

The Michigan entry, hailing from Detroit and skipped by Horace Decker, posted its first win in the third draw of the tournament, a 12-3 decision over the Herbert Robertson rink of Norfolk, Conn.

Low-Scoring

The match between Washington and North Dakota in the second round, won by the latter rink, 7-3, was one of the lowest scoring games in the three years the U. S. Men's National championship has been held. Bogue had little trouble defeating Massachusetts, 12-5, holding a safe lead throughout the match. Wednesday afternoon.

Alaska came back with one point in the ninth end, and then scored five points in the final end to cop a match with Illinois, 13-10.

New York and Connecticut also engaged in a low-scoring game, with the Connecticut club picking up an 8-4 win.

Pre-tournament favorite, Minnesota, and Michigan competed in a free-scoring game with the representatives of the Gopher state winning, 16-11.

Christy Hails Layne's Play

CONTINUED FROM PAGE 7

Packer rookies Joe Francis and Jim Taylor will someday be good pro players.

"Francis is something like (Tobin) Rote," Dick opines. "He's a good running quarterback who will take off if he can't pass."

Home State

Traded by Green Bay for Pittsburgh's No. 5 draft choice in 1958, Christy is now playing in his home state. He was an All-American prep grizzer at Philadelphia's St. James Catholic High school.

At North Carolina State he set eight school records, including the ground-gaining and scoring marks. He started at halfback in the 1958 College All-Star game but his action was limited by an injury which continued into his Packer tenure and by the great play of all-star Bobby Mitchell.

An industrial education student at NCS, Christy plans to finish college next spring. He hasn't decided on his career plans after he finishes with pro football.

Dick is working here as a bartender.

Christy, just 5 feet, 10 inches tall, now weighs about 226 pounds which is about 16 pounds over his playing weight. During the off-season, he likes to hunt as much as he can and to play golf.

Cary Middleoff shouts with joy as he sinks a long putt on the eighteenth green during a practice round for the Masters golf tournament in Augusta, Ga., Tuesday.

Arnett Will Marry Southern Cal Coed

Los Angeles — Football star Jon Arnett will marry Yvonne Flint, University of Southern California coed, June 5, they have announced.

Green Bay Men Post Best Score In ABC Action

St. Louis — Carl Joppe and Bernard Schuette of Green Bay, Wis., had the best doubles score Wednesday when they rolled 1239 in the American Bowling Congress tournament.

There were no challenges hurled at the leaders of the singles, doubles or all-events divisions.

Harold Dordley, also of Green Bay, led the singles with 452.

Dashes Feature Texas Relays

Austin, Texas — Four dashes by some of the top ranked sprinters in the nation will feature the Texas relays here Friday and Saturday.

Nationally-ranked performers are entered in almost every university class event.

Bobby Morrison of Midway Christian Olympic sprint champion and Jim Morrison of Chicago, national Olympic 100 yard dash champion, in 1958, will lead a strong invitational team from Chicago.

Big 10 Still Dominates NBA Draft

Hawks Pick Moran; New York Gets Bob Andregg

Cincinnati — The Big Ten, where college basketball teams usually raise hob with each other's season records, is still the favorite pickin' spot for probasketball.

In the National Basketball assn. draft Tuesday, 11 players were pulled out of the Big Ten — almost twice the number chosen from any other conference.

Cutting across conference lines, the pros picked every eligible on the first three Associated Press All-America teams.

3 From GWU

George Washington university had three men drafted—the most from any school. The Southern conference school contributed Gene Gaurilia, Boston's first pick; Bill Telasco, Philadelphia's fifth choice, and "Bucky" McDonald, New York's sixth selection.

For the rest of the conference the Missouri Valley and Pacific Coast gave up six each, the Southern, Southeastern, Big Eight and Southwest conference each contributed four and the Atlantic Coast, Ohio Valley and Ivy loops each had three draftees.

In all, the eight NBA teams drafted 81 players for possible use in the 1959-1960 season.

Michigan State basketball star Bob Andregg, a native of Monroe, Wis., was selected by New York in the third round.

St. Louis took Marquette's high-scoring Mike Moran on the sixth round and Jack Evans of Superior (Wis.) State college was picked by Minneapolis on the eleventh and last round. Roger "Whitey" Johnson of Eau Claire, Wis., who played at Minnesota, was the tenth round choice of Minneapolis.

Stillman Pitches, Bats Badgers to 9 to 2 Victory

Tempe, Ariz. — Marty Stillman held Arizona State hitless for seven innings Wednesday and got three hits in three trips to lead Wisconsin to a 9-2 baseball triumph.

No Opening-Day Pitch

Eisenhower Plans to Pass Up Baseball for Golf Next Week

Washington — President Eisenhower is planning to pass up baseball for golf on probably will substitute next week.

Unless he changes his mind, the president will leave Monday or Tuesday for a few days' vacation at the Augusta National golf club in Georgia.

And barring a change of plans, the White House said late Wednesday Eisenhower won't be in the capital a week from today to toss out the first baseball in the season's opening game between the Washington Senators and the Baltimore Orioles.

It will be the first opener The Badgers now lead 4-2 in a 10-game series.

Dick Stivers led Wisconsin hitters with a home run, a triple and a single.

Eisenhower has missed as president. Vice President Nixon probably will substitute for him.

There hasn't been a break in the tradition of the chief executive presiding since 1945. That year House Speaker Sam Rayburn filled in for President Truman a few days after the death of President Franklin D. Roosevelt.

In getting a season pass from American league president Joe Cronin, Eisenhower hinted that his attendance at Senators' games this year will depend on whether the Washington team can fight its way into the first division.

The Senators haven't finished higher than fifth place in all Eisenhower's year as president. Last year they wound up in the cellar.

CAMPERS! CAMPERS! CAMPERS!

A Camper's Dream Come True! A Camp-Site Guide!

We are happy to announce that it is now possible to order a Wisconsin Campers Guide on a pre-publication basis. The Wisconsin Campers Guide Shows The Location Of All Parks and Campsites in the State of Wisconsin thru the use of individual maps of each county and includes a complete breakdown of all facilities available at each site. Many of the spots included within the guide are not available on any maps.

Contents include: Routes-Park information—Tent and trailer sites—Swimming, fishing, boating and recreation facilities—Water, electrical and toilet facilities—Whether pets are allowed or fees charged. Brief information on lakes and types of fish per county is also mentioned. **Over 80 Pages—6x11" Size.**

Advance Price on Orders Post-Marked thru April 5, 1959—\$1.95. Check, Cash, or Money Order good for handling costs. After April 5, the price per copy will be \$2.95 plus 10c handling cost.

Illinois Village Seeks Physician

Divernon, Ill.—A wanted a physician.

This village of 1,000 is within 20 miles away from a city of 100,000. Robert Bramley, secretary of the Divernon Lions club, sent a request for a doctor to Louis G. Baupp, director of the Alton office of the Illinois State Employment Service.

The application seeks a reputable doctor, licensed in Illinois, with long experience or not say, "All of my friends just starting practice."

Answers: 1. Blue bottle. 2. Whitecap. 3. Red herring. 4. Blue rib-out. 5. Caught redhanded. 6. White feather. 7. Blue-stock. 8. Red ink. 9. White flag. 10. Red-letter day. 11. White Hall. 12. Blueblood.

Lesson in English

BY W. L. GORDON

Words Often Misused: Do not say, "All of my friends just starting practice."

Look and Learn

1. Where in the U. S. occurs the heaviest rainfall?

2. In what year was the United States flag first raised over Alaska?

3. What U. S. state, as the greatest Chinese and Japanese population?

4. What U. S. state is the only one that has a coastline on both the Atlantic and Pacific Oceans?

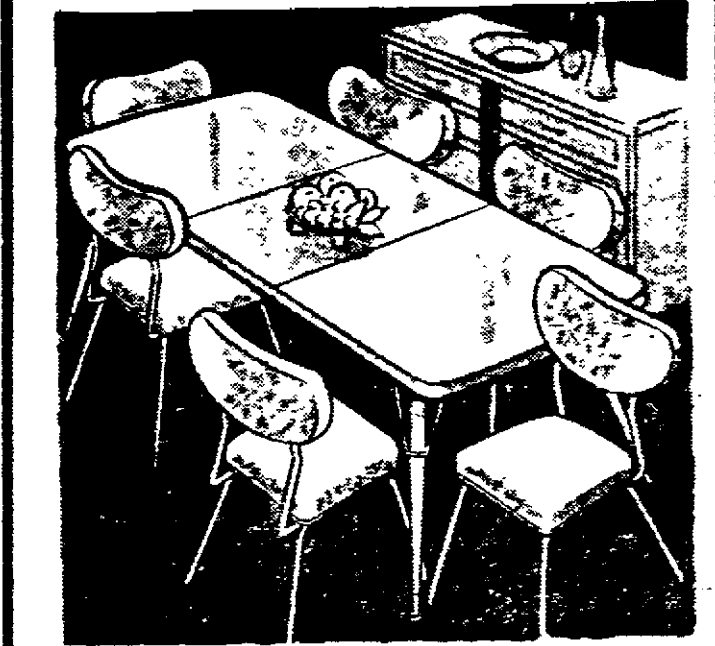

5. Who said, "I have a dream" in 1963?

Answers: 1. In the northwestern part of Oregon and western Washington. 2. 1890. 3. California. 4. Georgia. 5. Benjamin Franklin (1793).

Young Hobby Club

Make a Bouncing, Diving Sailor for Evening of Fun

BY CAPPY DICK

A diving sailor who will dance under water can be made from a perfume bottle cork, a hobby-pin, a bit of pink yarn and four short pieces of soda straw. Placed in a bottle containing just enough water to cover the top of the sailor's cork head, he will be good for a whole evening of fun.

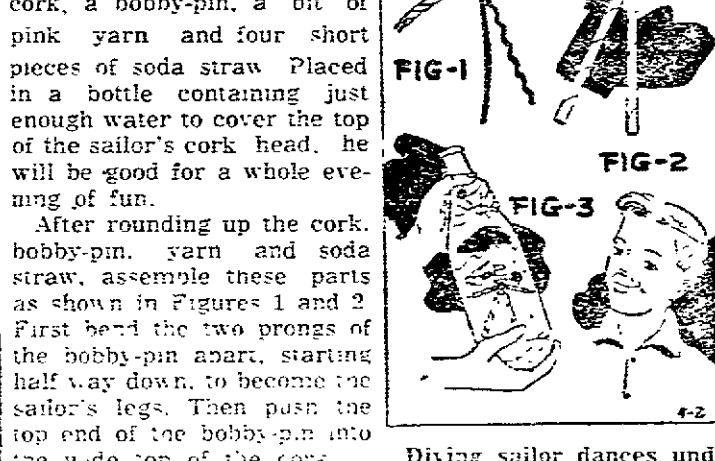

After rounding up the cork, hobby-pin, yarn and soda straw, assemble these parts as shown in Figures 1 and 2. First bend the two prongs of the hobby-pin apart, starting half way down, to become the sailor's legs. Then push the top end of the hobby-pin into the wide top of the cork.

Take a short piece of pink yarn around the pin just below the sailor's neck. Figure 1 to make his arms. Cut two short soda straws and thread one on each arm. Two longer pieces should be shaped over the sailor's legs as in Figure 2.

With black ink draw eyes and a nose on the cork and with red ink make a mouth. If you have some white paint, daub a bit of it around the sailor's head for a hat.

Obtain a bottle that has an opening big enough to slip the sailor into. Put enough water into the bottle to come up to the top of the sailor's head when his feet are on the bottom. Then fill the bottle with water and watch him dive!

Lawrence Says:
**Missile Threats
Reflect State
Of U. S. Politics**

**Current Debate
Has Much to Do With
Non-Defense Trends**

BY DAVID LAWRENCE

Washington — They used to call it "saber-rattling." But since the saber is outmoded, the appropriate term nowadays would be "missile-rattling."

The idea is to scare another government which might be thinking of an attack on your country. The justification is always supposed to be reassurance to one's own people.

But, so far as the U. S. is concerned, there is an altogether different reason why the military chiefs and the secretary of defense find it necessary to go around the country these days telling the people we can "flatten Russia." It has to do with the low state of American politics.

Incredible Destruction

For months now, the American people have been told that the Soviets are ahead of us or that there is a dangerous gap. This might make pleasant reading in Moscow, but the ostensible purpose of the politician is patriotic. He has convinced himself that he is not thinking of his own ambitions, that he is not playing politics with human fears, and that he is alerting his country to its own lack of preparedness. But, unfortunately, this is not the whole story.

Testimony before congressional committees would in-

dicates that all the military chiefs have agreed that our armed forces and weapons are capable of administering incredible destruction on the potential enemy and that plans have been made to maintain adequate strength for the future.

It has been easy enough to get these military facts, but this wouldn't satisfy political ambition. It might be thought that in free America, whose proud claim has always been that "partisan politics ends at the water's edge," there would be more restraint on the part of public men in issuing deprecatory statements.

Rally Behind Country
If the Soviet people think they are doomed to destruction, they will tend to forget the hardships imposed by their tyrannical government and will rally behind it in desperation.

When Khrushchev, in one of his vodka outbursts, said to Western diplomats in Moscow a few months ago, "We will bury you," his boast was reported by the press. It aroused, particularly in the United States, a feeling that we were being threatened.

The same reaction can ensue within the Soviet Union from the reading of many of the comments on our defense capabilities which are being printed rather widely this week. Our military men and the secretary of defense have been describing in their public statements the terrible destruction which our own military apparatus can inflict on the enemy, if attacked.

Dislike Threats
No nation likes to be threatened by any other nation. Threats produce a jingoistic spirit and tend to arouse patriotic feelings. Khrushchev, of course, did not do the cause of peace any service by his recent ultimatum demanding that the Western troops be withdrawn from West Berlin.

President Eisenhower has handled himself superbly. He has uttered no words of bluster about our military

**Linwood Too
Small for Ball,
Alderman Says**

**Sees Conflict in
Little League, City
Recreation Programs**

Linwood park shouldn't be used for Little League baseball, Ald. Alvin Tews said Wednesday.

Tews' resolution was referred to the park board and recreation commission by Mayor Mitchell.

Other items of new business given the council. Ald. Schneider called for replacement of sidewalks at S. 1830, 1836, 1900 and 1930 S. Kernan avenue. The walks were installed last summer and are defective and should be replaced at city expense, he said.

Seek Parking Ban

Ald. Malmstrom asked that city limits, north of Wisconsin, "No Parking Here to Corner" sign on the west side of Meade street south of College requested extension of the avenue be removed. It is not needed since the John street from Shaw street before April bridge replacement is underway, he said.

Eleven petitioners asked for 2-hour parking from 8 a.m. to 4 p.m., except Sundays and holidays, on Melvin street between Outagamie and Douglas streets.

Eight property owners petitioned for curb, gutter, grading and a 14-inch asphalt mat on Moorpark avenue between Racine and McDonald streets.

Edward Dombrowski asked

**Truck Travel, Weight
Restrictions Sought
By Three Aldermen**

Three aldermen Wednesday called for truck travel controls.

Ald. Mrs. Dorothy Stillings wants the ordinances amended to include truck weight limits on city streets and truck routes as adopted by the city council on Jan. 3, 1957. She said weight limits are not now in the ordinance.

Ald. Ogilvie asked for truck traffic restrictions starting along the south line of the business zone at Wisconsin court and Wisconsin avenue and at Jardin court and Wisconsin avenue.

Ald. Loos wants a weight restriction on Atlantic street between State and Richmond streets.

The requests were referred by Mayor Mitchell to committees for study and recommendations.

permission to move the house that was in the College avenue bridge right-of-way from 416 S. Walter avenue to 142 placement of sidewalks at S. 1830, 1836, 1900 and 1930 S. Mrs. Clarence Daeike, who bought the house and fixtures Monday at auction for \$2,225.

Klitzke Plot

A tentative Walter Klitzke plot, showing lots between N. Douglas street and the west side of Wisconsin avenue, was submitted. The South Side Athletic club requested extension of the avenue be removed. It is not needed since the John street from Shaw street before April bridge replacement is underway, he said.

The library board asked permission to park a bookmobile exhibit in front of the library from 9 a.m. to 9 p.m. April 17 and in the city parking lot at Washington and St. Pius X congregation asked for a special Class B beer permit for April 18.

**Bill Would Return
State Bar Decision
To Supreme Court**

Madison — A Democratic-sponsored bill that would overturn a recent state supreme court decision ordering all Wisconsin lawyers to join the state bar drew strong support Tuesday from several lawyers.

Randolph R. Conners of Madison said the high court of the bill, said lawyers have had overstepped its authority fewer rights under the present making bar membership compulsory. The court's order members have in a union.

Thursday, April 2, 1959 - Appleton Post-Crescent - B11

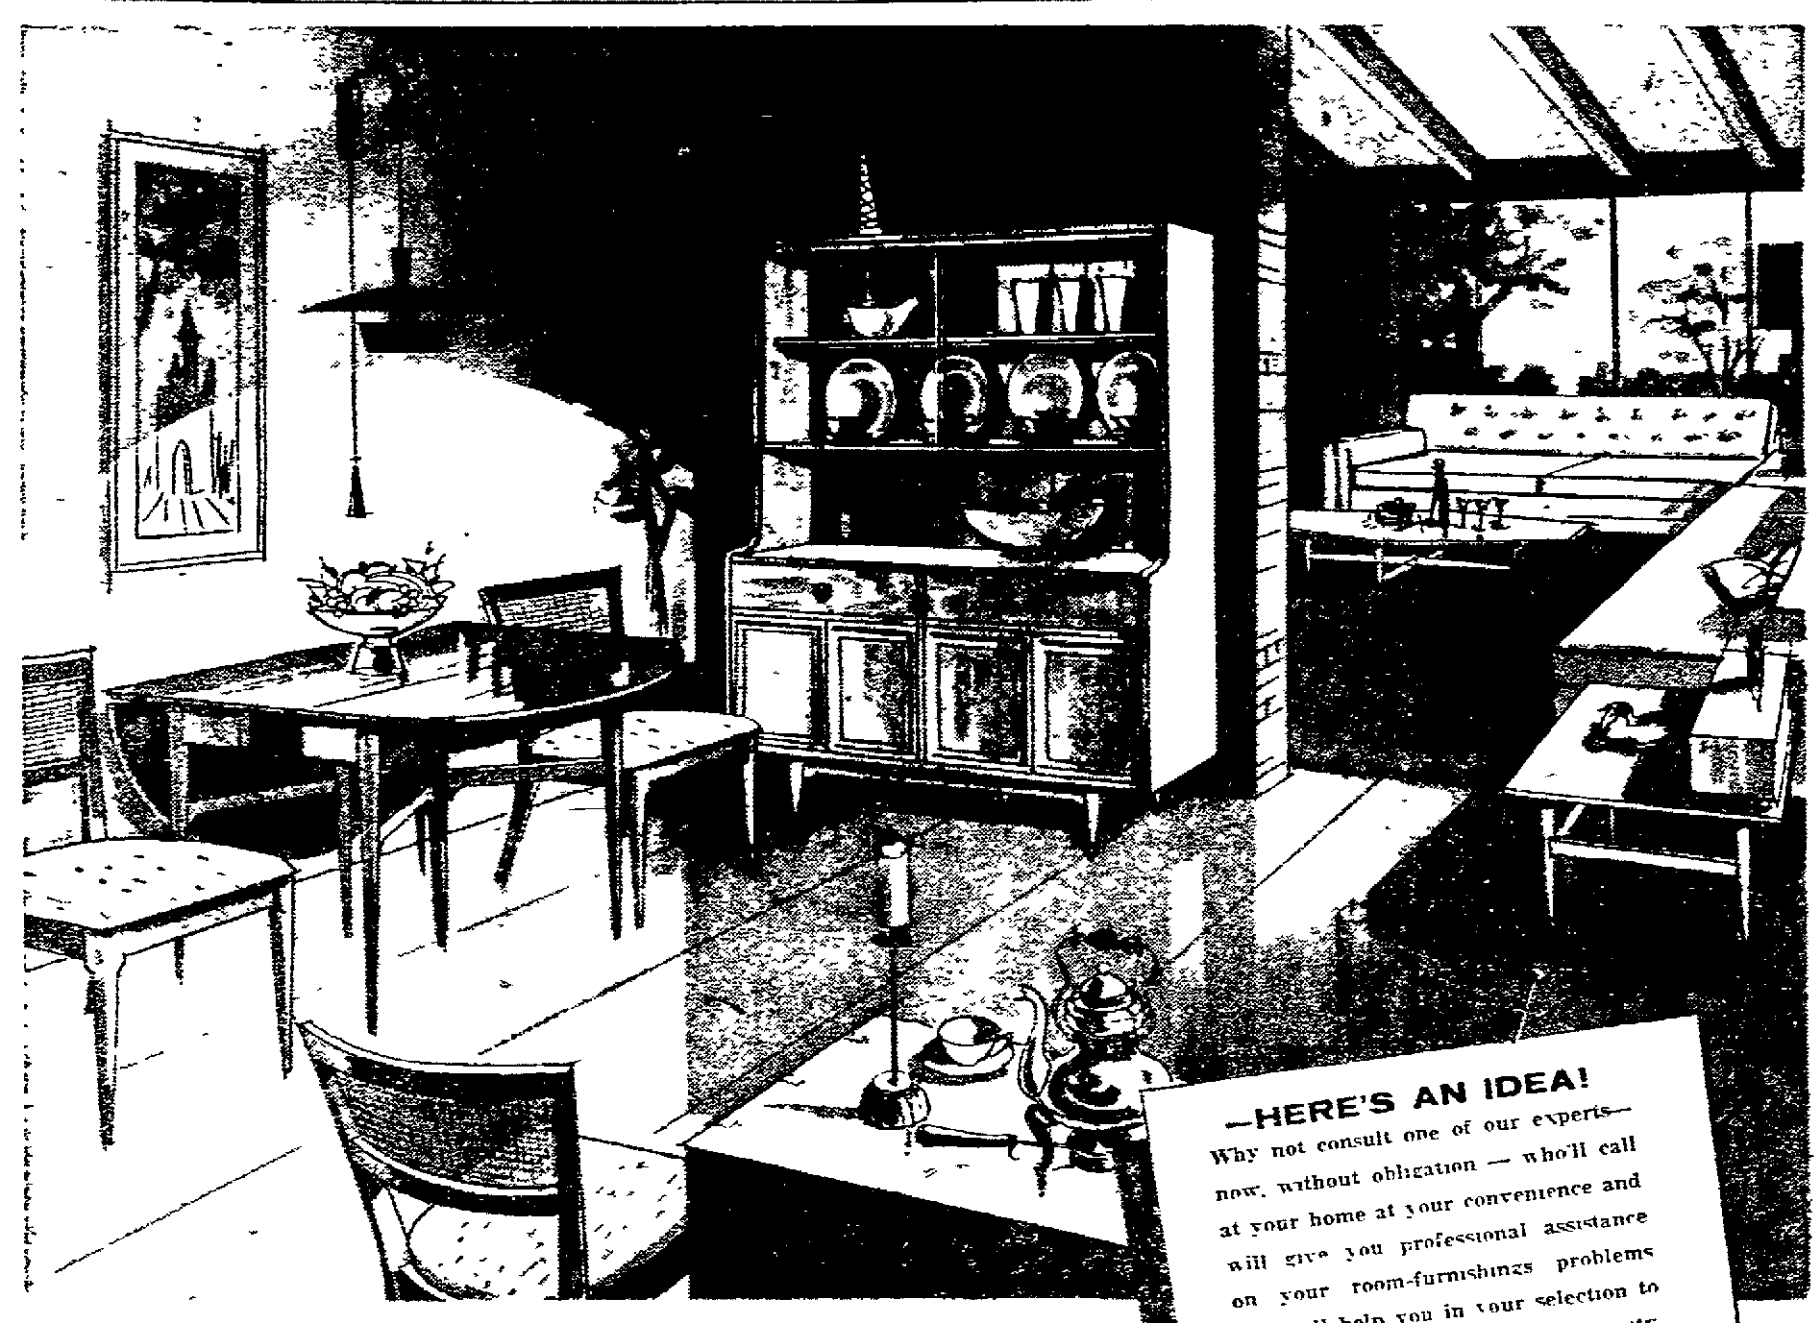

"Our guests tell us our street is more cheerful since it's been paved with concrete!"

A light-colored concrete street is a friendly street. Concrete reflects up to 4 times as much light at night as any dark surface. Street lighting is more effective—you can see and be seen better. Concrete's the safety pavement day or night. There's dependable skid resistance, wet or dry. No roughness or potholes to watch for—you're always in control of your car. Concrete is a sound investment, too. Makes your home worth more if you ever wish to sell. Keeps your street neat, clean and attractive. Saves tax money on upkeep costs. Yet initial cost is moderate. That's why more and more families are getting together with their neighbors and requesting concrete streets.

Planning to buy or build?
Choose a home on a concrete street. You'll always be glad you did. Only concrete can be precisely engineered to carry expected traffic loads... stay smooth-riding and attractive for an expected life of 50 years and more.

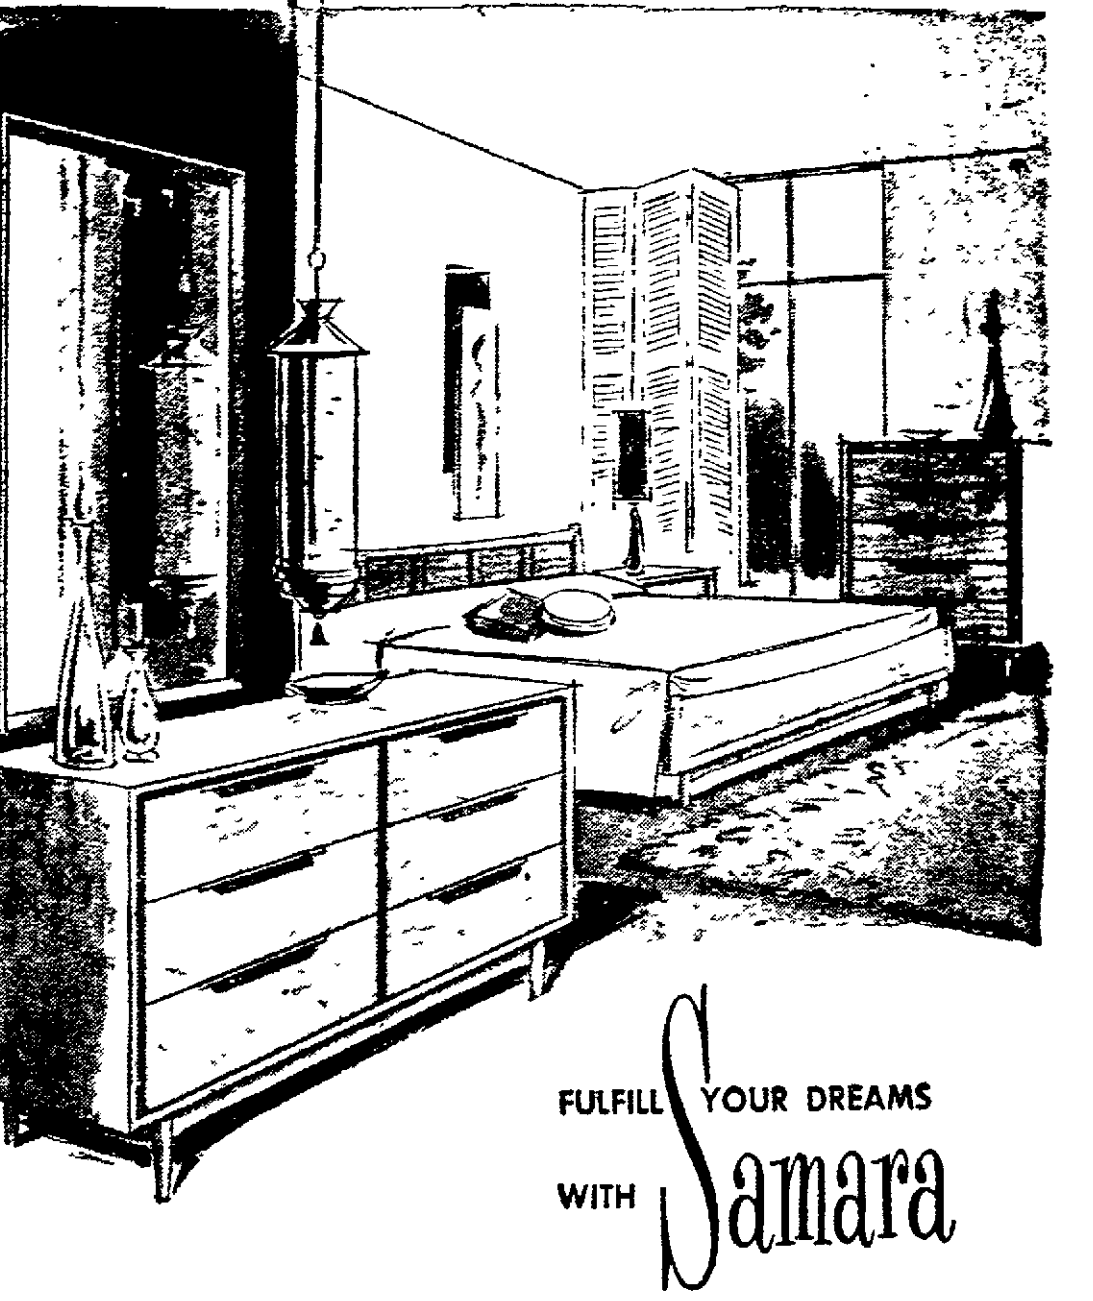

PORTLAND CEMENT ASSOCIATION 735 North Water Street, Milwaukee 2, Wisconsin
A national organization to improve and extend the uses of concrete

...THIS IS Samara!
by DILLINGHAM

THE WONDERFUL NEW CONCEPT IN CASUAL FURNITURE THAT OFFERS MORE IN BETTER LIVING

Brilliant new offering in soft, glowing elm that conforms to the most discriminating taste. Perfectly harmonized yet every piece is individual in its beauty. There are endless variations possible with Samara — so handsome, so distinctive... RIGHT for every room in your home.

Choice of Wide Selection of Open Stock Pieces

China with Sliding Glass Doors \$209.00	3-Piece Ottoman Sectional \$399.95	Elegant Panel-Styled Bed \$ 65.50

FULFILL YOUR DREAMS WITH Samara

Spring Baking Can Be Quick, Easy Fun

Delightful Mixes for Cakes, Other Desserts New to Market

BY LILLIAN MACKESY
Post-Crescent Food Editor

BRIGHT FASHIONS are not the only news on the spring scene this year.

New on the market are some very exciting mixes that make baking downright fun. No more fuss and bother, but a great deal more thought to ingenious toppings and sauces to go with these prepared desserts and hot breads.

Some are bright, new modern recipes, others are adaptations of tried and true old-fashioned ones that made the cooks of a bygone day family-famous.

One midwest milling firm offers what it calls the "Springtime Six." Another has on the market a prepared Chocolate Mint cake

mix that goes well with a myriad of toppings. Mint candies, chocolate flavored if preferred, may be put on the top of the baked cake, then melted into a delicious frosting in the oven. Fruit, marshmallow, nut concoctions all go well with this deliciously flavored favorite.

In the "Springtime Six" there are available two flavors for angel food cake fanciers — Pineapple — Lemon and Orange. Another wonderful packaged mix is a loaf-size Banana cake with all the natural flavor of the fruit but none of the home-recipe nuisance of preparation.

Pound Cake mix is still another, a product based on an old-fashioned recipe of a century ago.

Then there is the Popover mix that makes it possible for any cook to glamorize the simplest meal in the twinkling of a stirring spoon. High, light and handsome popovers look and taste like the work of a very expert hand, yet this new mix makes them easy, speedy and completely fail-proof.

Much of the same can be said of the Apple Crunch mix, the new dessert invention which rounds out the collection. It, too, is fast and sure in the making and so easy that even the mixing step is eliminated.

The Apple Crunch mix may

be fashioned into that delicious old Pennsylvania Dutch dish, called Apple Pandowdy. To make it, here are the steps to follow:

Apple Pandowdy

1 pkg. Apple Crunch mix
2 cups boiling water

1 pkg loaf-size Yellow Cake mix

1 unbeaten egg
water to equal 1 cup when added to egg

Sprinkle contents of package A from Apple Crunch mix in greased or buttered oblong pan. Pour two cups boiling water over the apple mixture. Let stand for 10 minutes.

Set aside one third cup of package B. Sprinkle remainder of package B evenly over top. Bake in moderate, 350-degree oven 30 minutes.

Meanwhile, prepare loaf-size Golden Yellow Cake mix as directed on package. Pour batter evenly over baked apple crunch. Sprinkle reserved crumb mixture over cake.

Cut through batter with knife

One of the new cake mixes out is Chocolate Mint. Here it is prepared with variety cherries and mandarin oranges on two sections for fruit devotees chocolate mint patties on another almonds and brown sugar served hot on the fourth.

Thursday, April 2, 1959 Appleton Post-Crescent B12.

Old-Fashioned Apple Pandowdy — a Pennsylvania Dutch dessert treat—goes mix-modern. New Apple Crunch mix makes the traditionally spicy bottom layer, topped by a light layer of loaf-size cake.

or five times to level topping, spoon dried leaf marjoram. Bake at 350 degrees for 25. Particularly good with fish or to 30 minutes longer until chicken.

cake springs back when Caraway: One teaspoon caraway seed. Very good with

touched lightly with finger. egg and cheese dishes. Serve warm, spooned into Chive: Two tablespoons finely minced chives and four drops Worcestershire sauce. Good companion flavor for

whipped cream. steak or hamburger.

Flavored Butters

Flavored butters are delicious with piping hot popovers. They are not difficult to prepare. Here are a few varieties that can be made by

adding different things to one-half cup of whipped, softened butter.

Herb butter: One-fourth teaspoon dried sweet basil, one-fourth teaspoon dried Rosemary leaves, one-fourth tea-

salads.

Chili: Two tablespoons chili sauce. Nice flavor accent with fish, eggs or cheese.

Parmesan: One-third cup Parmesan cheese. Serve with soups, salads, or casseroles.

Date: One-fourth cup finely chopped, drained dates cooked in one-fourth cup water until soft, and one-half teaspoon lemon juice. Ideal with fruit

mary leaves, one-fourth tea-

salads.

Banana Tarts

Prepare baked tart shells. Cool, and when ready to serve fill with sliced bananas and top with whipped cream.

Word on Building

Permit Perplexing — Richmond, Va. — The word "nonasphalinated" on a Chesterfield county building permit caused some fun-rowed news.

It referred to the time used for an industrial building. Miss Patricia Barbour, secretary to the building inspector, solved the problem.

She had overlooked putting in the periods. The next permit read: "Cone asphalt-insulated." Meaning concrete, asphalt, insulated.

An Essay on the Space age challenge won a \$25 check for scout Michael Carroll left, of St. Mary Catholic school. Mrs. Glen Schwere, right, essay contest chairman for the Appleton VFW auxiliary made the presentation as Mrs. Edward Kries VFW auxiliary president, looks on. Students in grades 9 to 12 throughout Appleton competed in the essay contest. Carroll's winning essay will represent the area in a state VFW contest. Winners will be announced at the June VFW state convention in Wausau.

Your Money's Worth

Plan Well When Purchasing House

BY SYLVIA PORTER

This is a good year to buy a house.

As I reported in yesterday's column, the fundamental forces which have been operating in favor of home ownership since the start of World War II are continuing to operate on that side.

While prices of buying and building are at new peaks the trend is still toward higher prices. While mortgage money is more expensive than a year ago money is still generally available, and the odds are getting a mortgage will become more difficult and costly. The long upward in prices of land shows no signs of petering out. Today the buyer has the best choice of homes in history.

Finally he has little if anything, to gain by waiting to buy.

But which is the best pur-

chase? A new house? An older one?

On the side of buying the older now is that generally the initial cost for the same amount of shelter in a used house will be perceptibly lower than in a new one. As you can get satisfactory transportation at lower cost by buying a used car rather than a shiny 1959 model so you can get satisfactory shelter at lower cost by buying an existing house instead of a 1959 model.

With the disappearance of the housing scarcity prices of used houses have been rising much slower than prices of new houses. Actually prices of homes built before 1940 are getting a mortgage will become more difficult and costly. The long upward in prices of land shows no signs of petering out. Today the buyer has the best choice of homes in history.

Finally he has little if anything, to gain by waiting to buy.

'59 Contracts Approved by City Council

Four Suppliers, Five Contractors Named For Street Work

The city council approved 1959 improvement contracts for five contractors and four suppliers.

Awardees were selected by the board of public works Tuesday. In each case they had submitted the low bid a week ago to the board.

The awardees:

Courtney and Plummer, Inc., route 1, Neenah, asphalt surfacing according to state highway commission specifications. The company will do the work for \$857 a ton, \$20 a ton if patching, will remove old asphalt for 75 cents a square yard with machinery and \$2 a square yard by hand, and will furnish a front-end loader and operator for \$10 an hour, a grader and operator for \$9 an hour and a truck with driver for \$5 an hour.

Curb, Gutter Kuehn and Sommers, Shiocton, 30-inch curb and gutter according to city specifications. The basic price is \$180 a lineal foot for the curb and gutter, including excavation.

Brennan-Roland Excavators Cato sanitary sewer construction according to city specifications. The basic price is \$245 a lineal foot for laying 8-inch pipe 10 to 12 feet underground.

Concrete Pipe corporation Appleton pipe for various sewer projects. Prices vary depending on size.

Floyd Acme-on, Appleton street grading according to city specifications. He will receive 48 cents a cubic yard for excavation.

Stone Chops Landwehr and Hackl, Appleton crushed stone for various projects. The firm will get \$161 per ton delivered to the construction site.

Courtney and Plummer Inc. stone chips for various projects. The company will get \$210 a ton delivered at the construction site.

Badger Highways Inc., Menasha, both crushed stone and stone chips. The company's price was accepted even though prices of \$125 a ton for crushed stone and \$170 for stone chips were quoted without delivery from their Menasha quarry. The city sometimes needs loads it picks up it was said.

Kuehn and Sommers side walks according to city specifications. The company will get 32 cents a square foot for walk four inches thick.

Brillion Town Meeting Plan Made Public

Chairman Struebing Urges Consideration Of Tractor, Roads

Forest Junction — The purchase of a caterpillar tractor to replace the 1935 model currently used and consideration of road improvements are on the agenda of the town of Brillion meeting at 7:30 a.m. Tuesday.

Chairman W. M. Struebing made public the agenda of the meeting. He said the town board has received the purchase of a new tractor. It contains the machine would not be able to handle the work of another farm worker.

Also to be asked to consider for the continuing use of a 1935 model tractor on the town roads and a program of road improvements are on the agenda of the town of Brillion meeting at 7:30 a.m. Tuesday.

The town board has received the purchase of a new tractor. It contains the machine would not be able to handle the work of another farm worker.

Also to be asked to consider for the continuing use of a 1935 model tractor on the town roads and a program of road improvements are on the agenda of the town of Brillion meeting at 7:30 a.m. Tuesday.

Voting Hours

Greenville — Polls at the town hall will be open from 9 a.m. to 5:30 p.m. The annual town meeting begins at 1:30 p.m. according to Nick Wiesler, town clerk.

Clergy Selected For Discussion on Highway Safety

Shiocton — The Outagamie Citizens Safety conference will hold its next meeting at Shiocton Monday at 8 p.m. at the grade school gym.

A clergymen panel will develop a spiritual approach to highway safety. The Rev. and Norman Werner and Ger and Van Nuland, both of Shiocton and Arden Wood Black Creek, with William Scribner, moderator, will present the discussion.

Aldermen Vote To Vacate Part Of Eldorado St.

Bike License Issuance Opens This Saturday

Police will issue bicycle licenses between 7 a.m. and 6 p.m. every Saturday beginning this week at the police station, Chief Walter J. Hendricks said today.

The bike owners (or their parents) must bring bicycles to the station for inspection before a license will be issued. The inspections will continue on Saturdays until further notice. An inspection and issuing date will be set up later at the No. 2 fire station on the city's south side, Hendricks said.

Bicycle licenses ordinarily are issued during the Easter vacation, but this year's weather forced police to postpone inspections. Licenses cost 25 cents and last year in excess of 6,500 were issued.

On an average of 60 feet of frontage for each address, the petition appears to represent some 2,800 feet of frontage.

Two Methods
State law appears to offer two methods for vacating a portion of a street. One requires a petition for the action from at least a third of the fronting property owners of more than a half mile of frontage would appear to be enough to stop vacating.

Flea for Calmness

Police Dog Gets Stay Of Execution at Pound

A stray police dog, scheduled for execution today at the city dog pound got a reprieve from Mayor Mitchell.

For a while Wednesday night in an informal meeting of the city council the situation appeared about to explode in a repeat of the recent dog control controversy.

But, after being informed this morning the Outagamie County Humane Society will seek a revision of the city ordinance requiring death for unclaimed stray dogs, the mayor said at noon he's hopeful this situation can be handled with some degree of calmness.

Prove Ownership
Dog Officer Walter C. Weber found the dog a week ago today in the 2300 block of S. Greenview street on the city's far south side.

Acting under city ordinances, he posted notice of the impounding in three public places and waited for someone who could prove ownership.

The ordinance says Weber "shall dispose of the dog in a proper and humane manner" if it's unclaimed five days after the 48-hour time limit for posting notice of capture.

It was reported at the informal meeting Wednesday that an attorney for the humane society was threatening an injunction to halt the execution and society members were calling on the mayor to stop the dog officer. Weber had the "disposal" pegged for today, it was said.

The mayor said today that it is doubtful the five days are up, since the ordinance excludes Sundays and the 7-day period won't be over until day's end.

At any rate he indicated that if a request to change the ordinance — and one apparently is coming from the society — does come, the long-time practice of "disposal" may end and the dog would be killed in vain.

Weber, it was reported, refused to turn the dog over to whoever is causing the city several humane society members because the ordinance specifically requires him to have proof of ownership (in the form of a license).

Fred C. Heinemann, humane society president, said he would be called immediately.

Woman Reports She Lost \$100 in Swindle

Eau Claire — An Eau Claire woman was bilked of \$100 "bond money" in a phony job swindle by a man to whom she was referred by the Eau Claire Office of the Wisconsin State Employment Service, she complained to police Wednesday.

Detective Lt. George Jevne said that Janet Schelberger reported that last month she was referred by WSES personnel to a man representing himself as an official of a Milwaukee distributing firm, and "hired" for a job serving vending machines allegedly owned by the firm.

Miss Schelberger said that the man arranged for an appointment with his "firm" in Milwaukee and asked her to post a \$100 cash bond until a regular bond could be arranged.

She told Jevne that when she came to Milwaukee to keep the appointment, she could find no trace of the man nor of the firm.

Miss Schelberger said that when she came to Milwaukee to keep the appointment, she could find no trace of the man nor of the firm.
